LOCAL BRIEFS.

Rabbi Louis G. Reynolds will deliver a discourse at the synagogue this evening on "The Poetry of the Jewish Home."
Thomas F. Mulloy has presented to the public library thirty-nine books, volumes and fourteen unbound volumes of valuable magazines and periodicals.
Mrs. W. S. Drummond of Payette, Ida., is recovering encouragingly from the operation for appendicitis which she underwent at St. Mark's hospital yesterday afternoon.
The public school teachers received their monthly salaries today. The \$2.50 raise in the salaries of the eighth grade teachers will not go into effect until next year.
Sheriff Taylor and Deputy Bushy have arrested Charles Nicholas and Bronson, an ex-convict, on a charge of petit larceny. It is probable that their prisoner will be held to answer to a number of other charges.
The Foresters of America gave a social last night at which an entertaining program was given. One of the features of which was Mrs. Kate Bridwell Anderson's solo, "For All Eternity."
In consequence of the death of President Snow, the entertainment in honor of Elder Sager, which was to have been held at the Eleventh ward school house tonight, and in which members of President Snow's family were to have participated, has been abandoned.
The entertainment given at the First Methodist church last night by Mr. Wentworth, the reader and monologist, under the auspices of the Epworth League, was highly enjoyed by all present. Mr. Wentworth is a reader of ability and his rendition of the chariot race from Ben Hur was especially fine. He appears again tonight with an entirely different program.
It has been decided by the county commissioners to grant A. L. Woodhouse a franchise to extend the electric transmission line of the Hercules and Telluride Consolidated Power companies to Blumhain. The draft of the franchise will be considered on Monday, and the county will probably be able to save about \$73 a month if the deal goes through.
The funeral of David Leaker was held yesterday afternoon from the Eleventh ward meeting house. The attendance was very large, the deceased having been held in very high esteem by all who knew him. Bishop Morris conducted the services and the music was furnished by the ward choir. Appropriate remarks were made by Bishop Morris, Charles Livingston, J. W. Danglefield, J. H. Bell, Sam McKay and Isaac Rees.
The Tabernacle choir met last night for its weekly rehearsal, but on the suggestion of Director Stephens the rehearsal was postponed for one week out of respect to the late President Snow. The hymn, "Nearer My God to Thee," was sung and the choir was dismissed with prayer. The juvenile choir meets tomorrow at 2 p. m. at Choir hall. A full attendance is desired, as the little folks are to take up the rehearsal of music for the Italian band festival.
The Calder Music company has received word of a strange act of vandalism which occurred in Vernal a short time since. They sold one of the congregations there a new organ, but it had only been used one Sunday, when the school house was broken into, the organ rolled outside and blown into kindling wood with giant powder. Mr. D. G. Calder will refer the case to the Kinball Organ company in the hope that a special rate will be made on a new instrument.
Manager E. N. Jenkins of the Temple of Music was painfully and severely burned yesterday morning at his home, 840 south West Temple street. While taking a bath he mistook a bottle of carbolic acid for alcohol, which he wished to apply to his body to prevent taking a cold. Not until after he had applied the acid to his neck, shoulders and chest did he know of his mistake. Dr. Critchlow, who was summoned, does not consider the burns dangerous. The acid was the house for disinfecting purposes. Mr. Jenkins' little son having died of diphtheria only three days ago.

HE DIED IN THE CITY JAIL.

Stranger Found Unconscious and Passed Away Mysteriously.

HE IS W. M. PITTANGER.

His Identity Fully Established by Friends This Morning—Was on His Way Home.

The identity of the man who died in the drunk house of the old city jail last night has been fully established, and it has been decided by the county attorney and Justice Smith that an inquest is not necessary.
The name of the man who came to his death in the fourth old cell, is W. M. Pittanger, a miner, whose home is in Columbus, O.; but recently he came up from Milford, where he had been engaged in mining.
It was also learned that the unfortunate man had been a heavy drinker and was intoxicated yesterday. He was on his way to his home to visit relatives. He was identified this morning by a friend named T. J. Maroney, who knew the deceased in Silver City.
Mr. Maroney met Pittanger on the streets yesterday afternoon and the latter said he was on his way home and that he had not been drinking for over a year. He sold his return ticket to Milford to Jones, the ticket broker, and had made arrangements for transportation to Chicago. This morning his grip was found at Jones' ticket office and was taken to Justice Smith's court by Officer Brown for examination. In it was found some underwear, a traveling cap, a large bottle of alcohol containing three fluid ounces of whisky, and it was about 6 o'clock last evening that he was arrested by Officer Lincoln and taken to the station for drunkenness. He was found lying on the sidewalk in front of 353 east Third South street, and word was sent to the police station. Officer Lincoln at once proceeded to the scene and found the man absolutely helpless. It appeared to be a case of whisky poisoning, and he was placed on the wagon and hauled to police headquarters. The officers tried to get his name but he could not talk, and as is usual in these cases, he was looked upon as "Drunk" and locked in the drunk house.
Chief Hilton said this morning that he had a peculiar feeling come over him when the man was brought in and he went out to the cell to look at him. "I could see nothing the matter with him except that he was drunk," said the chief, "and I slapped his face lightly so that he opened his eyes. He looked up at me and then went to sleep again."
Having so many cases of a similar character, the police thought no more about it and let the man to sober up when he would be taken into the jail proper.
About 10 o'clock Patrol Driver Marcena Cannon went to the drunk house and found the man dead. He immediately reported to the Desk Sergeant and Dr. King was hastily summoned. He examined the body carefully but could find no evidences of injury except traces of blood on his face and nose, caused no doubt by nose bleeding.
It is believed he is the man who was arrested last Monday for drunkenness, and at that time he had several fits of rage according to the story told by some of the prisoners, and it is thought he died in a fit last night.
He was about 45 years of age and appeared to be about 45 years of age.
Justice Dana T. Smith was called out by word to view the body, after which it was taken to Joseph W. Taylor's undertaking parlors, where it now remains.
Since the foregoing was written the deceased has been identified by three other persons who knew him intimately. They are John Bailey, Henry Williams of the Horn Silver mine, and Joseph Wilcox of Park City. These gentlemen speak very highly of the unfortunate man and feel very much grieved over his death. Before he was found, the dead man lost a coat, in the pockets of which are some papers containing information about him. He has a sister in Ohio, and nothing was done towards burying the body until she is heard from.

MEDICAL BOARD CASE.

Attorney General Renders Opinion for Guidance of Board in Payne Case.

Attorney General Breeden has given an opinion to D. E. S. Wright, president of the medical board, on the powers of the state medical board in relation to the revocation of physicians' licenses. It is held by the attorney general that it is not within the province of the board to revoke a physician's license unless in court he has been convicted of immoral or dishonorable practices. The opinion was sought by the board for its guidance in the Dr. Payne case. The attorney general holds: To take such action upon the presentation of affidavits making such charges against physicians, would place the accused at the mercy of ex parte statements, and at the same time would leave the board open to possible extortion.

They are all men who are identified with the business interests of the city and the party feels that it has put a strong ticket in the field. In some of the precincts the contests were somewhat warm, but harmony prevailed before the meetings adjourned. In the Third precinct the delegates elected themselves to the City Council, and the resolution was adopted to support Tanner for one of the city judges, and Frank Matthews for recorder.
Thomas Hull was within one vote of being nominated in the Second precinct where his name was withdrawn for the sake of harmony.
The following present members of the Council were re-nominated: A. J. Davis, A. A. Robertson, J. J. Thomas, Frank J. Hewlett, and Charles Cottrell, Jr.

LIVELY IN THE FOURTH.

The Nominees from that Precinct are Spence, Sharp and Hutchinson.

The Fourth precinct Republicans met at Targant's hall and the contest though spirited was friendly. On the first ballot, J. C. Spence, John N. Sharp Jr., and W. R. Hutchinson were nominated as the councilmanic candidates. Judge M. L. Ritchie and Arthur Pratt were made members of the city central committee and Bismark Snyder was elected precinct chairman. James Devine was the chairman of the convention and Ed W. Duncan the secretary. The following resolutions were adopted:
Resolved, That the Republicans of the Fourth municipal ward of Salt Lake City, in the County of Salt Lake, Utah, do hereby endorse the following nominees for the City Council, to be elected at the next general election, to-wit: J. C. Spence, John N. Sharp Jr., and W. R. Hutchinson.

IN FIFTH PRECINCT.

Convention Gets Through With Its Work in Short Time.

The convention in the Fifth precinct was held in the courtroom of the old city hall, and the work of the convention was pushed through in a hurry. On the first ballot, Councilmen Robert Davis and Dave were re-nominated on resolutions. The precinct committee is composed of a delegate from each district as follows:
Wash. Young; Thirty-eight; Hugo Wells; Thirty-ninth; O. Nystrom; Fortieth; Joseph C. Sharp; Forty-first; George W. Whitley; Forty-second; H. S. Joseph; Forty-third; J. C. Spence; Forty-fourth; James Devine was named by Joseph Lippman for precinct chairman but he declined to act so Bismark Snyder was elected to the position.
Mr. Devine presented a resolution, which was adopted after some controversy. It was that the councilmen from the Fourth be instructed to use their influence to prevent the election of any light, telegraph or telephone poles in the center of the streets in the precinct, and to have all such standing moved at the earliest practicable date. The resolution was adopted by a vote of 10 to 2.
While the ballots were being made J. E. Lynch, a young man, rushed in upon the floor and declared that Mr. Iverson was a Democrat and was after the nomination for the Council at the hands of that party. This was denied by Hyrum Smith, who seconded Mr. Iverson's nomination. Mr. Wells said he was opposed to any man coming into the party at the eleventh hour and asking for an office.
The controversy gave way to the announcement of the result of the ballot, which was as follows: Joseph McKnight, Arthur Robinson, and J. J. Thomas.
The nomination then of Hewlett, Thomas and Robinson was made unanimously.
After a short contest George Wilson and A. F. Lawson were selected as the two members of the city central committee. All the subsequent elections were by acclamation. W. P. Griffith was chosen to represent his precinct on the permanent organization committee in the city convention; D. N. Straup on the councilmanic committee, and Wright Pickering on the credentials committee. C. O. Carls and Joseph McKnight were elected chairman and secretary of the precinct committee for the ensuing year. The chairman of the district committees are: First, A. Lee; Second, A. L. Hamilton; Third, W. H. Wilkinson; Fourth, A. H. Little; Fifth, W. L. Dunn; Sixth, W. F. Griffith; Seventh, William Shovel; Eighth, W. J. Meeks; Ninth, Wright Pickering; Tenth, R. W. McAllister; Eleventh, A. H. Atkinson.
IN SECOND PRECINCT.
The Nominees Are Vigs, Eardley and Cottrell.
The Second precinct convention was held in the Sixth ward meeting house, and S. A. Kenner was made temporary chairman, and J. U. Eldredge, Jr., temporary secretary, and subsequently the officers were made permanent. The call was read, and after a motion by Eldredge to have a committee on resolutions, was lost, the nominations were called for. It was decided that all three candidates be voted for at the same time, and the three receiving the majority of the votes be elected. J. J. Myers nominated W. E. Vigs, Dan Gamble nominated M. J. Cheesman, F. A. Sweet nominated George Canning, Pennel Cherrington nominated T. Ellis Browne, who immediately withdrew. Mr. Price nominated Thomas Hull, R. Jones nominated E. J. Eardley, E. H. Callister nominated Charles Cottrell, Jr., and R. B. Wells nominated Henry F. Heath.
On the first ballot Cottrell and Eardley were elected. Mr. Price at once withdrew Mr. Hull's name to preserve harmony, as he explained.
On the second ballot Mr. Vigs was nominated.
J. J. Myers and J. H. Preece were elected as precinct committeemen.
At this point A. J. Anderson said that a resolution had been sent to the desk, and he wanted it read. Secretary Eldredge read as follows:
