JOHN SHARP, General Superintendent.

**THE GREAT ROCK ISLAND ROUTE**  
Guarantees its patrons that sense of personal security afforded by a solid, thoroughly ballasted road-bed; smooth tracks of continuous steel rail; substantially built coaches, Pullman sleeping cars, and dining cars, in which elaborately cooked meals are served; and the fact that the Rock Island is the only line of the continent that operates all its trains. Other special features of this route are transfers as all connecting points in Union Depots, and the unsurpassed comfort and facilities of its Passenger Equipment.  
The Fast Express Trains between Chicago and the Missouri River are composed of well ventilated, fully upholstered Day Coaches, magnificent Pullman Palace Sleepers of the latest design, and sumptuous Dining Cars, in which elaborately cooked meals are served. The trains are run on time, and the operation of all its trains. Other special features of this route are transfers as all connecting points in Union Depots, and the unsurpassed comfort and facilities of its Passenger Equipment.

**CHICAGO, ROCK ISLAND & PACIFIC RAILWAY**  
By reason of its central position and close relation to all principal lines East and West, at initial and terminal points, constitutes the most important mid-continent link in the system of the continent. It is the only line of the continent that operates all its trains. Other special features of this route are transfers as all connecting points in Union Depots, and the unsurpassed comfort and facilities of its Passenger Equipment.

**A CARD.**  
THE DESERT HOSPITAL, UNDER the most favorable auspices, is now open for the reception of patients, having moved to that large and commodious building lately occupied by the Desert University. The appointments are new and of the first order. The halls and rooms are thoroughly ventilated, and warmed by a furnace and steam heating apparatus extending through the whole building. Good and comfortable beds are supplied, and every attention paid to the comfort and welfare of the patient. The medical department comprises a fine stock of drugs, and a line of surgical instruments and appliances ever imported into the Territory. Arrangements have been made to secure the first medical talent the city affords for the benefit of patients. A specialty is made of the diseases of women, and correspondence is solicited from the afflicted.  
H. B. CLAWSON, President.  
W. F. ANDERSON, Medical Dept.  
M. F. HUGHES, House Surgeon.  
E. B. LINDSAY, Secretary.  
A limited number of students will be taken, who will board in the Institution, receive a diploma, and be expected to return to their homes to practice their profession. For further information, apply to the Hospital, or to the undersigned, who will be glad to attend to the sick and other requirements connected with the Hospital. Correspondence on the subject is solicited from clergymen and other authorities in the settlement.

**EVENING NEWS.**  
Saturday - November 21, 1885  
**LETTER FROM A MISSIONARY.**  
From a letter written to Brother David Spillbury, of Riverville, by Elmer Robert Marshall, now laboring as a missionary in Ireland, we are permitted to make the following extracts. It is dated Half Town, Parkgate, County Antrim, November 20th.  
Your highly interesting and brotherly letter with great delight I have received, and I am sure that it will be a source of much comfort and encouragement to you. I have now a letter about seven months without your continued presence. With my heart I am sure that you are now in the midst of some of the most successful of your life. I have now a letter about seven months without your continued presence. With my heart I am sure that you are now in the midst of some of the most successful of your life. I have now a letter about seven months without your continued presence. With my heart I am sure that you are now in the midst of some of the most successful of your life.
