AYER'S HAIR VIGOR will restore faded or gray hair to red hair to a rich brown or deep black as may be desired. It softens and cleanses the scalp, giving it a healthy action. It removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or the glands decayed. Its effects are beautifully shown on the weak, or sickly hair, on which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts. It contains neither oil nor dye, and will not soil or color white cambric, yet it lasts long on the hair, and keeps it fresh and vigorous. 3dsw

RESCUED FROM DEATH.

The following statement of Wm. J. Connelly, of Somerville, Mass., is so remarkable that we are forced to bring it to the attention of our readers. He says: "In the fall of 1876 I was taken with a violent attack of THE LUNGS, followed by a severe cough. I began to lose my appetite and sleep. I was weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time I reported around that I was dead. I gave up hope, but a friend told me of DR. WM. HALL'S BALM FOR THE LUNGS. I laughed, thinking that my case was incurable, but I got a bottle to satisfy my wish, when to my surprise and gratification, I commenced to feel better. My hope, once dead, began to revive, and to-day I feel in better spirits than I have for three years."

"I write this hoping you will publish it, so that every one afflicted with Lung Disease, may be induced to take DR. WM. HALL'S BALM FOR THE LUNGS, and be convinced that CONSUMPTION CAN BE CURED."

Dr. Wm. Hall's Balm for the Lungs, has done more good than all other medicines I have taken since my sickness. My cough has almost entirely disappeared, and I shall soon be able to go to work. Sold by all druggists.
