CORNER STONE IS DEDICATED

Handsomely Meetinghouse of Sixth Ward to be Completed In 60 Days.

OGDEN CITY SCHOOL AFFAIRS.

Pupils of State Blind School Give Successful Entertainment—Committees Preparing for G. A. R.

OGDEN, May 15.—Fully one thousand people attended the ceremonies at the laying of the corner stone of the new Sixth ward meetinghouse last evening. A program fully appropriate to the occasion, was rendered, Bishop H. W. Williams in charge.

The program opened with music by the Weber Academy band, followed by a selection by the ward choir. Miss Irene Strong sang "Sweet Lullabye," and Miss Diana Brown sang "Jesus is my Shepherd." Prof. Wilford M. McKendrick, principal of the Weber academy, was the principal speaker, and delivered a masterful oration. President L. W. Shurtliff, of the Weber stake, in a short address congratulated the people of the ward upon their successful efforts in securing a splendid meetinghouse such as the one would be when completed. Patriarch George W. Larkin delivered the dedicatory prayer. President C. C. Richards of the Ogden stake pronounced the benediction.

In order to avoid any possibilities of accidents on account of darkness, the corner stone was placed in position in the afternoon, and the receptacle for the records left open. In the receptacle were placed photographs of the President of the United States and his cabinet, the church officials of the First Presidency and the Ogden stake, the names of the donors to the building fund and the names of the members of the ward, pictures of Ogden City and its public buildings and copies of the local papers.

It is expected that the building will be completed within 60 days. It will have an auditorium with a seating capacity of 500, 14 class rooms on the lower floor and four large class rooms and the offices on the upper floor.

CITY SCHOOL AFFAIRS.

OGDEN, May 15.—The board of education held a short meeting last evening at which a number of routine matters were acted upon and the usual reports received and filed.

A communication was received from the city recorder advising the board that the city had a curb and guttering tax of \$2,016.01 charged against the board for work that was done in districts in front of school buildings. The clerk of the board was instructed to advise the council that the public schools of a city could not be taxed.

The Eccles Lumber company advised the board that work that was done in the school building had been delayed about 24 hours by the recent strike of the laborers. The architects reported that the new building would be up to the third story by next week. In the matter of desks for the new high school, the clerk was authorized to secure bids upon 1,100 seats.

Superintendent Mills reported that the attendance during the month past had been 4,382, average attendance 83 per cent; punctuality, 90 per cent; 71 absentees from school on account of sickness, and four cases of corporal punishment.

The treasurer's report for the month showed receipts \$282.25, cash balance May 13, \$116,329.49; warrants for teachers' salaries paid between April 10 and May 8, \$9,179.95.

A special meeting will be held this evening, at which time it is expected the board will take up the report of teachers for the next year will be fixed.

BLIND SCHOOL ENTERTAINS.

OGDEN, May 15.—The entertainment given by the boy and girl classes of the State Blind and Blind school last evening under the direction of Mrs. Belle Salmon Ross attracted a large audience to the school and was a splendid success in every way. The music was furnished by the blind orchestra, and would have done credit to any organization. The drills and dances of the deaf and blind children were a revelation to the visitors. It is said that nothing as good in this line is presented in any other school in Utah.

PREPARING FOR ENTERTAINMENT.

OGDEN, May 15.—There was a large attendance at the meeting of the executive committee which has the arrangements in hand for the entertainment in Ogden next August of the veterans who attend the national encampment of the G. A. R. to be held in Salt Lake City during that month.

A press and publicity committee was appointed composed of the following: A. R. Bowman, chairman; Frank Francis, M. F. Cunningham, S. C. DePass, A. W. Hadley and E. T. Spencer. The matter of securing accommodations for the visitors at the private residences and hotels was left to the ladies of the Women's Relief Corps and the Ladies of the G. A. R.

The committee of the invitation and reception committee and George H. Davis was made chairman of the committee on decoration and music. Both gentlemen will name the other members of their respective committees. The matter of arranging for the parade was left to the arrangement committee.

J. H. Browne and J. C. Nye were added to the executive committee. A. P. Bigelow was named as treasurer of the general committee.

EASTERN STAR ORDER BANQUET.

OGDEN, May 15.—The grand chapter of the Order of the Eastern Star closed last night with a banquet at the Masonic temple in this city. The banquet followed the beautiful ceremony of installation of the new officers.

LACK OF BLOOD

A Source of Great Danger to Growing Girls.

What anaemia is, how to recognize it and the value of the tonic treatment with Dr. Williams' Pink Pills should be known by the mother of every growing girl.

Anemia is simply lack of blood. It is one of the most common and dangerous diseases with which growing girls suffer.

It is common because the blood so often becomes impoverished during development, when girls are too frequently allowed to overstudy, overwork and suffer from lack of exercise. It is dangerous because of the stealthiness of its approach, often being well developed before its presence is recognized, and because of its tendency to grow so steadily worse, if not promptly checked, that it may run into consumption.

The value of Dr. Williams' Pink Pills in all cases of anemia, is well shown in the case of Miss Mabel Laker, of No. 1325 Cook avenue, Lakewood, Ohio.

"My sickness began three years ago," she says, "and the doctor said it was caused by my not having blood enough. I had sharp shooting pains through the temples and back of the head and my legs felt like lead. No appetite, did not sleep well or rest at night and lost flesh so that I weighed but 90 pounds. The least exertion would cause fainting spells of which I had three or four a week. At times I grew dizzy.

"The doctor's treatment did not seem to help me and he told some of my friends that he thought I had quick consumption and that there was no hope for me. I had a cough that lasted a year.

"One day I read about Dr. Williams' Pink Pills in a Cleveland newspaper and I gave them a trial. I found relief while taking the first box. It had encouraged me so that I kept on and was cured. Now I am a living example of the virtues of Dr. Williams' Pink Pills.

These pills have also cured rheumatism, neuralgia, sick headache, stomach trouble, and weakness in women.

A valuable booklet, "Diseases of the Blood," giving full information about the use of Dr. Williams' Pink Pills in diseases caused by impure blood, will be sent free upon request.

All druggists sell Dr. Williams' Pink Pills or they will be sent by mail, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.

Others, including Worthy Grand Master Laura E. Sinclair, Worthy Grand Secretary Frances C. Shields, and Worthy Grand Treasurer L. A. McChesney.

BRIGHAM CITY WILL ERECT FIRE STATION

(Special Correspondence.)

BRIGHAM CITY, May 14.—At the regular session of the city council, held Wednesday evening, it was decided to erect a fire station and the mayor and recorder were authorized to advertise for bids.

C. Elias Jensen was granted electric power for the running of the proposed roller mill.

Supt. Truelson was instructed to put in 48 circuit breakers on the electric light line.

N. James Nelson was employed to run the street sprinkler during the summer months at a salary of \$63 per month.

NEW FLOUR MILL.

BRIGHAM CITY, May 14.—Brigham City is to have a new flour mill, to be erected in the center of town, just across the street from the court house. The building, including up to date elevator and latest improved machinery, to be run by electric power, is expected to be ready for business in time to take care of this season's grain. The company will incorporate for the sum of \$25,000. The Jensen Brothers, Lorenzo, Elias, Isaac and others are the promoters.

SUMMER KITCHEN BURNED.

BRIGHAM CITY, May 14.—The fire bell rang Thursday morning about 3 o'clock, the fire was in the summer kitchen belonging to Hyman Peterson of the First ward. Although the firemen made a quick run, the light frame building was burned to the ground, but the residence was saved. Mr. Peterson estimates his loss at about \$400. No insurance.

BRIGHAM CITY BRIEFS.

SPEAKER CANNON BECOMES DEFIANT

Tells Dr. Osler That He is 73 and Shakes His Fist in His Face.

Washington, May 14.—Speaker Cannon is not a bit afraid of Dr. Osler and his old age theory. He told Dr. Osler so today during an address before the National Association for the Study and Prevention of Tuberculosis.

"Dr. Osler, I have reached the age of 73 and I shake my fist in your face," he said.

Dr. Osler laughed heartily at this declaration of his old age theory.

The speaker harked back to the days of his childhood when bathtub was almost unheard of and when the snow would sift in and cover those lying in bed.

He had plenty of fresh air then on the Washish and everywhere on the frontier before the railroad," he said.

Mr. Cannon favored more play grounds for children, but urged that the legislator be dealt with gently if he did not do everything wanted of him.

Dr. Osler in his address said tuberculosis is no longer a problem of the doctors and that it probably would take two or three generations to reduce its ravages to the present rate of typhoid.

Dr. Osler congratulated the association on having awakened the public, legislators, philanthropists and physicians.

Three things remained to be done, said Dr. Osler.

The first was to keep the public awake, the second to obtain more money, and the third to arouse the interest of more men and women, because the campaign was no longer one entirely for the doctors.

"Whether tuberculosis will be eradicated," he declared, "is even an open question, but when we think of what has been done in one generation, how the mortality in many places has been reduced more than 50 per cent, indeed in some places 100 per cent, it is a battle of hope, with victory in sight."

PREFER UNIVERSITY TO SCHOOL FRATERNITIES

Oakland, Cal., May 15.—Preferring the right to enter the University of California to that of membership in fraternities and sororities, 201 of 215 students of Oakland high school who are members of the secret societies have agreed in writing to obey the command of the school authorities to give up their society affiliations.

The announcement made by Charles E. Keyen, principal of the school, indicates almost a complete victory for the board of trustees in its effort to enforce the new state law against public school organizations in the public schools. Of those students who refused to sign the pledge as required by the board, six were positive in their refusal, while eight agreed to give up participation in any meetings of the societies to which they belong.

AROUSED WRATH OF SOUTHERNERS

Presence of W. T. Vernon, Negro, Register of Treasury, in House Restaurant Resented.

Washington, May 14.—The presence of William T. Vernon, the register of the treasury, who is a negro, in the restaurant of the house building yesterday aroused the ire of several southern representatives in the house. They complained to the management of the restaurant and there was talk of filing a protest with the speaker, as chairman of the building, forms the regulations governing the restaurant.

The members who noted the presence of Mr. Vernon and a companion of his in the restaurant were Representatives Candler of Mississippi, Dies and Garner of Texas, Stanley of Kentucky and Sims of Tennessee.

Mr. Vernon and his companion were dining in the restaurant. They immediately left the place and later took the matter up with Mr. Fitzgerald of New York, a member of the building committee. Mr. Fitzgerald will urge the other members of the committee to act on the protest.

Feeling is running rather high among the Democratic members and it is possible an effort will be made to have negroes excluded from the restaurant.

HEAVILY FINED FOR VIOLATING SHERMAN LAW

Savannah, Ga., May 14.—Judge William B. Shepard this afternoon sentenced five men found guilty of violating the Sherman anti-trust law in the naval stores cases. Spencer P. Shott, chairman of the board of directors of the American Naval Stores company, was sentenced to serve three months in jail and to pay a fine of \$5,000.

Edmund S. Nash, president of the company, was fined \$3,000.

J. P. Cooper Meyer, vice president of the American company and president of the National Telephone & Terminal company, was sentenced to three months in jail and to pay a fine of \$2,000.

George Mead Boardman of New York, treasurer of the American Naval Stores company, was fined \$2,000.

Carl Moller of Jacksonville, Fla., agent of the American and general manager of the National Telephone & Terminal company in Jacksonville, was fined \$5,000.

The cases will be appealed.

MRS. TAFT DISCARDS WHITE HOUSE CONVENTIONS

Washington, May 14.—Diplomatic, official and social Washington gathered in large numbers between 5 and 7 o'clock this afternoon under the big trees in the rear of the White House to attend the second of the four Friday afternoon garden parties arranged by Mrs. Taft.

A buffet luncheon was served from a tent at the west end of the grounds.

S.S.S. CURES SKIN DISEASES

The cause of all skin diseases can be traced to some humor or acid in the blood; the cuticle is always healthy where the circulation is free from impurities. When the blood is infected with acid or unhealthy matter it cannot perform its natural work of nourishing the skin, regulating its temperature and preserving its normal softness, pliability and healthfulness. Instead it irritates and inflames the delicate fibres and tissues around the pores and glands and produces some of the many forms of skin disease. The itching and stinging so often accompanying skin affections are produced by the deposit from the blood of the acid humors with which it is filled, into the sensitive membranous flesh lying just beneath the outer covering, and surrounding the countless nerves, pores and glands. This explains why scratching the outer skin affords no relief from the itching and burning. S.S.S. cures Skin Diseases of every character by purifying the blood. It goes down into the circulation and removes the humors or acids which are causing the trouble, builds up the weak, acid blood, and permanently cures every variety of skin affection. Local applications can only soothe, they never cure because they do not reach the blood. S.S.S. goes right into the circulation, reaches the trouble and cures it by removing the cause. Book on Skin Diseases and any medical advice free to all who write.

M. Jusseurand and his wife will remain in this city for two days and then proceed north to San Francisco.

INTELLECTUAL AFFINITY MARRIAGE ENDS IN DIVORCE

Ennui, N. Y., May 14.—A divorce decree entered in favor of Charles L. Caldwell against Jane Parks Caldwell, today terminated the famous "trial marriage," and the case that has been making headlines since last December. Mrs. Caldwell went to New York with another man and stated that her marriage to Caldwell, solemnized but a few days before she left him, had been of the "trial" variety and that the man who accompanied her to the metropolis was her "intellectual affinity." No defense was offered against the petition of the husband, who is one of the wealthiest men in Kentucky.

MURRAY IMPROVEMENTS ORDERED BY CITY SOLONS

MURRAY, May 15.—At the city council meeting held Tuesday night, the American Smelting & Refining Co. was given permission to construct a temporary fence across the roadway on Germania avenue for the purpose of protecting its property during the pending labor troubles.

The road supervisor was authorized to drain the city hall grounds.

It was decided to place street lights from Ellison's corner south on Railroad street to Eddins street, then west to top of the hill near Edwin Davis' place, then on Seventeenth South, just as soon as the street is widened to a four foot street by the property owners.

MURRAY SCHOOL GRADUATES.

MURRAY, May 15.—Thirty-six eighth grade students of the Murray schools have successfully passed the final examination. This is a good showing and speaks well of the condition of the schools. The pupils were subjected to the severest test that has ever been given the eighth grade students of the city schools. Following are the names of the graduates: Clara Richardson, Hulda Erickson, Larent Bird, Alice Monger, Mary Tripp, Leontine, Marie Warburton, Grover Telander, Rachel Chambers, Louis Egan, Levi Olson, Verma McMillan, Daniel Wamberg, Florence Stauffer, William Robinson, Dell Cahoon, Willard Evans, Fred Peters, Nelle Larsen, Violet Rueland, Bertha Cahoon, Jeanette Buerge, Bessie Berg, Cora Mumford, Leo Jensen, Lucile Gentry, Burre, Ethel Godfrey, Stella Sanders, Charles Wallin, Zina Backlund, Mark Tripp, Ellen Stauffer, Clifford Hanson.

MURRAY BRIEFS.

A welcome home party in honor of Elder Thomas Martin, who has spent some 27 months on the island in England, was given in the ward amusement hall Friday evening. An excellent program was given, refreshments were served and the remainder of the evening spent in dancing. A good time was enjoyed by all present.

Special peace services will be held in Murray First ward Sunday.

Elder S. P. Grant has been secured as speaker. The ward choir has arranged an excellent musical program.

The baseball fans of Murray and vicinity will be given a treat this afternoon when Murray and the soldiers meet.

This is the first game of the season, just how strong is the line up will be ascertained this afternoon.
