

A Hint to Workmen.

The honest workmen of the country, many of whom have large and increasing families to support, have been the chief sufferers from the great financial pressure under which we have labored for the last few years.

Dr. Pierce's Family Medicines are as standard goods with our druggist as flour is with the grocer.

MITCHELL SPRING WAGONS.

A fresh stock of spring wagons just arrived for Conference trade, an examination of the above fully warrants me in challenging any firm to compete style, finish or durability.

The Millennium Star will be mailed to any address, on receipt, by the publishers, of \$2.10. Three copies will be forwarded for \$4.20, the reduction being on account of the difference in postage.

EYE AND EAR.

Dr. Ballou cures all curable cases of the EYE and EAR, PILES, CATARRH, RHEUMATISM, NEURALGIA, Nervous and Blood Diseases, &c.

Fellow's Syrup of Hypophosphites, by restoring strength to the nerves and muscles of the stomach, cures dyspepsia, which is but the result of loss of nervous strength.

In the Whole History of Medicine No preparation has ever performed such marvelous cures, or maintained so wide a reputation as AYER'S CHERRY PECTORAL, which is recognized as the world's remedy for all diseases of the throat and lungs.

Thousands of Mothers have placed on record their belief that for all complaints of the stomach and bowels to which children are subject,

Tarrant's Effervescent Seltzer Aperiens

Is the most unexceptionable of correctives and alteratives. The reasons for this belief are obvious. It forms a delicious and most refreshing draught, relieves the bowels of all acrid matter without pain, allays fever, induces sleep, strengthens the digestion, neutralizes acid in the stomach, cures flatulence, acts as a gentle stimulant, tones the tender nerves, and never gripes the patient.
