THREE MEETINGS OF IMPORTANCE

Great Deal of Interest Taken in Rifle Shooting.

ELECTION OF OFFICERS.

President Roosevelt Endorses Two Bills Intended to Encourage Youths In the Art of Shooting.

Washington, D. C., Jan. 11.—During the present week there will be three meetings in Washington of great importance to the national guard throughout the country, and especially to those interested in rifle shooting. The first will be the annual meeting of the board of directors of the National Rifle association, which takes place on Wednesday evening, Jan. 13. On the following day the national board for promotion of rifle practise will hold its annual meeting in the office of Asst. Secy of War Robert Shaw Oliver, president of the board. On Friday the national rifle board meets at its rooms on G street, where the militia division of the war department is located. Many distinguished national guardsmen from all parts of the country will be present in attendance on these meetings and with them will co-operate the army officers who are, by inclination or duty, particularly interested in the matters which will come up for discussion.

At the meeting of the board of directors of the National Rifle association the officers of the association for the coming year will be elected. It is not expected there will be any changes in the roster with the possible exception of the executive committee. One of the most important subjects to be considered is the international rifle meeting under the auspices of the association to be held in September next. Nineteen nations have been invited to participate, and it is hoped the meeting will be the most successful ever held. From $10,000 to $20,000 will be necessary to handle this match properly and this money must be raised by popular subscription. Another question of importance is the time and place of holding the next annual meeting of the association. For several years past it has been held either immediately before or immediately after the national rifle matches, which are under the quasi-supervision of the national board for promotion of rifle practise. Owing to the growth of the national matches and other causes the opinion is expressed that it would be wise to separate the two meetings. Others hold opposite views and an interesting discussion is expected. The National Rifle association will also be called upon this year to replace several valuable trophies which passed into the permanent possession of the winners at the meeting at Camp Perry, Ohio, in August last.

As the board of directors of the National Rifle association has a large representation on the national board for promotion of rifle practise, the latter will be largely influenced by the action of the former in regard to the date and place for the next meeting. For the national match, Camp Perry is again without an active competitor. It is by far the largest range in the country and 50 teams can shoot at one time and at the same distance on this range. The limit of teams entitled to enter the national match is 56, and 50 is the largest number participating to date. The national board acts in an advisory capacity to the secretary of war and will consider changes in the rules as well as the time and place for holding the matches. Among other suggestions advanced is that the army should be limited to one team instead of being allowed one for the infantry and one for the cavalry as at present. It is also suggested that the six service teams be placed in a class by themselves, and that the national guard teams be classified into three divisions so as to give the weaker states a better chance than the new have.

Both bodies will again consider the subject of rifle practise in educational institutions. The necessity of instructing the youth of the country in the use of the national weapons is daily becoming more obvious. It is estimated that under ordinary conditions it would be possible to place in the field as many as 20,000 men reasonably familiar with the use of the modern rifle and as this country has but comparatively few ranges, and those widely scattered and most of them poorly equipped, the impossibility of training any large number of recruits in the use of the rifle continues to be a cause of appreheusion. President Roosevelt has transmitted to Congress with his endorsement the draft of two bills intended to encourage rifle practise in educational institutions. They were prepared in the war department and both will be endorsed by the national board and the National Rifle association. The first proposed bill gives the secretary of war $75,000 additional for the issuing of supplies to educational institutions where army officers are detailed to act as instructors. The second proposed bill sets aside $100,000 "for the promotion of rifle practise in public schools, colleges, universities and civilian rifle clubs."

The national militia board, which meets last, is a new board created under the act amending the Dick act. It also acts in an advisory capacity to the secretary of war, and takes cognizance of all questions affecting the relations between the national guard of the several states and the general government. By the latest legislation of Congress the national guard was made the second line of defense and as such will receive greater consideration at the hands of the war department and of Congress than ever before.

MAY PROVE FATAL.

When Will Salt Lake City People Learn the Importance of It?

Backache is only a simple thing at first;

But when you know 'tis from the kidneys;

That serious kidney troubles follow;

That diabetes, Bright's disease may be the fatal end.

You will gladly profit by the following experience.

'Tis the statement of a Salt Lake City citizen.

George Braxier, living at 2 Monroe St., Salt Lake City, Utah, says: "I can truthfully recommend Doan's Kidney Pills to others as I know them to be a reliable remedy. They quickly eliminated the backache, and many other symptoms of kidney trouble in my case. I am glad to give them my recommendation and advise other sufferers to procure this remedy at F. J. Hill's drug store."

SHRUBB SAYS HE WILL BEAT LONGBOAT

Boston, Jan. 11.—Al Shrubb, champion long distance runner, left today for New York, where he will finish his training at the Pastime A. C., for his Marathon with Longboat Jan. 26. Before he left Shrubb told his plan for the race. "I shall run Longboat off his feet," he said. "He will either have to follow me or let me go. If he follows me I will 'kill' him at 10 miles. If he lets me go I'll have a two-mile lead on him at the 15-mile mark. I'll win either way."

Shrubb has been doing 15 and 20 miles a day roadwork, and will now finish on five and 10-mile walks. Shrubb says Dorando is all in as a Marathon racer, but picks him to win from Smallwood.

FIGHT POSTPONED.

New Orleans, Jan. 11.—The fight between Young Corbett and Harry Ferns, which was scheduled here for Jan. 14 before the West Side Athletic club, has been postponed to Jan. 24.

SAYS HE DIDN'T.

John T. Brush Denies Reports About St. Louis Club.

New York, Jan. 11.—"I guess we own most of the St. Louis club, as far as having a few St. Louis players with us this year to help us win the pennant is concerned, but I do not own any shares of stock in that club, have never been approached to purchase any, and have never given the matter a thought." In these words, President John T. Brush of the Giants, denied the story emanating from Chicago, that he had purchased stock of the St. Louis Nationals and now held a majority of the shares.

DORANDO WINS.

St. Louis, Jan. 11.—A good-sized crowd turned out to see the first professional Marathon race here, and appeared to be almost equally divided in its sympathies for the contestants, Dorando Pietri and Percy Smallwood. Tim Hurst was in charge of tonight's race. The track was a dirt affair, about nine laps to the mile.

The runners got away at 9 o'clock and Smallwood was one yard in the lead at the end of the first mile, which was covered in 5 minutes 34 1-5 seconds. At the end of the fifth mile, Dorando was two and a half laps ahead of Smallwood, who seemed to be lame. Time—28:41.

Smallwood quit after covering 12 miles and 3 laps. He said his left leg pained him every much from the fourth mile on.

At the end of the fifteenth mile Dorando was four miles ahead of Smallwood, whose left leg was bandaged during the running. Smallwood at times was just able to walk around the track.

Dorando ran the Marathon race in 2 hours, 14 minutes, 22 2-5 seconds, 10 seconds slower than the world's indoor record.

ON THE RACE TRACK.

At Oakland.

Oakland, Jan. 11.—Long shots were in evidence at Emeryville today, favorites faring badly. The going was heavy and by the time the third race was run rain fell. Otogo, played from 10 to 1 to 7 to 1, won all the way in the first race.

Good Ship, favorite for the 2-year-old event, was interfered with and failed to show anything, first money going to Contra Costa, a 12 to 1 chance. Minalto, the medium of a strong play, took the fourth from Standover in a drive.

At Los Angeles.

Los Angeles, Jan. 11.—Mud runners were again in demand at Santa Anita park today. Three favorites were successful. The feature event was the fourth race, at a mile, and resulted in an easy victory for Animus. Hasty Agnes cut out a fast pace to the stretch when Powers brought Animus up and won. Results:

McFARLAND AND OTTO.

Los Angeles, Jan. 11.—As manager of the Jeffries Athletic club of this city, Baron Long has secured the signature of Harry Gilmore, the manager for Packey McFarland, to articles calling for a 20-round fight early in February between Packey McFarland and Young Otto.

Gilmore posted $1,000 forfeit to bind McFarland to the match and for his appearance in the ring at the time agreed upon and the weight, and to go afterward as a side bet to cover a similar sum that Otto has posted in New York.

OUT OF STATE LEAGUE.

Sacramento Leaves Outlaws and Joins Coast Organization.

San Francisco, Jan. 11.—W. C. Curtin and Charley Graham have decided to desert the State league and transfer their Sacramento team to the Coast league. The admission of Sacramento will guarantee the placing of another Pacific Coast league club in southern California. Curtin and Graham have long controlled the baseball situation in Sacramento, and are popular with the capitay city fans, and they will liberally support any undertaking of these two men. "With Sacramento admitted, we will place a team in southern California, so as to give Los Angeles continuous baseball," said President Walter of the Oakland club. Walter is a member of the committee of three appointed by the Coast league to decide upon the expansion of the league. It is believed that the backbone of the outlaw league has been broken.

COACH TAYLOR MAKES REPLY TO LEHI

Coach George Taylor of the L. D. S. U. basketball team denies the statement coming from Lehi to the effect that his team got "cold feet" and backed out of a game with the Lehi team. Coach Taylor says:

"The obligation the L. D. S. basketball team was under to play Lehi high school last Friday was simply this: Manager McCarty of the L. D. S. team telephoned to Principal Hopkins of the Lehi school and told him his team would give them a game for $25, to which the gentleman replied 'That he would let him know the next day.' Mr. Hopkins failed to connect the next day, but an article was sent to the papers accusing the L. D. S. team of having 'cold feet.' We understand, however, that some correspondence had gone on between Anderson of the Saints team and some of the Lehi players, but no authorized game was booked.

"Now by way of accepting the challenge that Lehi so boastingly made in the Sunday's papers, we will be very pleased to play Lehi high school at the Y. M. C. A. gymnasium or U. of U. gymnasium of this city, the winning team to take the gate receipts.

"If the team accepts this challenge and the business men who had the $50 to wager on the winning team will send it to the sporting editor of the Herald he will find it covered by a check of a prominent business man of Salt Lake."

NAMES THE U. TEAM.

Coach Milne Selects Men Who Will Play Basketball.

E. J. Milne, coach of the University basketball team, has selected the men who will compose the first team for that institution. Capt. Horsefall will be seen at left forward and at right forward will be Adams. Fell and Calhoun. The position of center goes to Wilkinson while the guard positions will be held down by Kimpton, Ericsson and Coates. The game scheduled with the B. Y. U. for Friday has been postponed until March 4. The opening of the league occurs Saturday when the B. Y. U. plays the L. D. S. U. and the A. C. meets the B. Y. C. at Logan.

CHEERING CROWD GREETS ATTY. HENEY

San Francisco, Jan. 12.—A cheering crowd of several hundred persons gathered in the ferry building to greet Asst. Dist. Atty. Francis J. Heney, and his wife on their return last night from an absence of several weeks in the east. The reception accorded the prosecutor was entirely informal and very enthusiastic. In a short speech in reply he acknowledged the compliment and declared that he had returned to press the graft prosecution cases "until every grafter in San Francisco is put where he bellongs."

"I will take personal charge of the prosecution of Mr. Calhoun," said Heney. "I am in splendid shape physically and am eager to resume my work here."

Special police precautions were taken to guard the attorney against any repetition of the assault on him. Twenty-five patrolmen gathered around him but at his own request refrained from forcing the crowd away to any distance. With Dr. Beasley, who first treated him at the time he was shot by Morris Haas, Heney was photographed several times and he brought laughter from the crowd by remarking, when the first flash powder charge was unexpectedly fired with a report like that of a pistol, "and I never even batted an eye."
