Mrs. Joseph Stanford Survives Husband but Three Days—Double Funeral Tuesday.

OGDEN STAKE CONFERENCE.

Additions to Forest Reserves—Councilors Resent Charge of Dishonesty Still After Geiger.

Ogden, Feb. 15.—Mrs. Elizabeth Stanford, wife of the late Joseph Stanford, who died last Thursday afternoon, passed away at 9:15 last evening, being separated from her husband of three days, for the brief space of but three days.

The funeral services for Mr. Stanford had been arranged to be held in the Ogden tabernacle Tuesday afternoon at 2 o'clock. There will be no change in the time or place of holding the services, but now the one service will answer for both and will be made the occasion for a great demonstration, as both Mr. and Mrs. Stanford numbered their friends in this community by the thousands. The only change in the arrangements will be that now two bodies will lie in state at the home, 539 Quincy avenue, from 10 to 12 a. m. Tuesday.

Elizabeth Stanford was the daughter of Thomas Young. She was born Dec. 25, 1836, at Falkirk, Stirling, Scotland. She was converted to the Mormon faith at the age of 14 and was married to Joseph Stanford May 20, 1853. She came to Utah with her family in 1841. She was the mother of 11 children, eight boys and three girls. Of these, three daughters and one son survive. Mrs. Stanford was always active in church and community work. She was the president of the Y. L. M. I. A. for 12 years, and was held in universal esteem for her kindly spirit.

OGDEN STAKE CONFERENCE.

A conference of the Ogden stake was held at the tabernacle, yesterday, in three well-attended sessions. Much interest in the meetings which were largely attended.

At the afternoon session the speakers were President C. C. Richards and Elder Whitney. In the evening the speakers were Apostle David O. McKay, Seymour B. Young, David Jensen and A. R. Rogers.

Yesterday afternoon at the Weber Academy auditorium was held a joint conference of the Y. M. and Y. L. Mutual Improvement Associations of the North Weber stake. The meeting was very largely attended. The general work for the year was discussed.

RECENT CHANGE OF DISCOUNT.

A committee of the city council composed of Councilmen Thomas Fitzgerald, Wilson, Humphries and Dana have issued a statement to the public, which is a reply to the statements made by President J. R. Lewis of the board of Park Commissioners in tendering his resignation to Mayor Brewer.

The councilmen deny that any action which they have taken regarding the failure to meet with the park commissioners was done through a lack of courtesy to the board but a desire that a joint meeting between the board and the council be held. They further state in regard to the smallness of the appropriation that it would have been there in the line of courtesy "had the board of park commissioners personally made the request for \$10,000 instead of asking a member of the council to do so."

In conclusion they state that if Mr. Lewis desires to be served by the city that he should not resign, but should continue the good work of managing the parks of the city until additional appropriations could be made.

ADDITIONS TO FOREST RESERVES.

Another big forest reserve has been added to the jurisdiction of the Fourth District headquarters located in Ogden, by the proclamation signed by President Roosevelt, Feb. 15. ARRESTED ON SUSPICION.

That Philip F. Geiger was born under an unlucky star, or that the State of Utah is going to see that he is prosecuted upon the grounds of failing to support a minor child, there now seems to be no doubt.
