Cholera in Havana.

HAVANA, 5.—The cholera has considerably increased; there have been as many as thirty deaths a day.

GREAT BRITAIN.

The invasion of Belgium causes belligerent England will protect the Pope.

LONDON.—It is understood that England has determined to make the invasion of Belgium a *casus belli*. The King of the Belgians will summon the powers, who guaranteed her neutrality to her assistance as soon as her territory invaded, and England will respond.

The strenuous efforts that have been made by the Court of Rome to bring the influence of the Empress Eugenie to bear effectively against the withdrawal of the French troops have failed, and to-day the last detachment leaves Civita Vecchia. Negotiations at Florence for the preservation of the neutrality of the pontifical treaty have been successful. It is reported that England will send two frigates to the Tiber to protect the Pope. Advances from Rome represent that the Jesuits are endeavoring to induce the Pope to remove to Malta.

MEXICO.

Earthquake and Rebellion.

CITY OF MEXICO, July 30, viz Havana.—Oscillations of an earthquake were felt at Oaxaca on the 20th.

The Governor of Campeche has taken up arms against the Federal government, and Campeche is declared in a state of siege.

PORTUGAL.

Neutrality proclaimed.

LISBON.—The Gazette, to-day, publishes a neutrality decree on the part of Portugal.

FRANCE.

—The French account of the affair at Weissenburg—Prussian Prisoners en route.

PARIS, 5.—At one o'clock p.m., yesterday, three regiments of Gen. Donay's division and a brigade of light cavalry, were attacked at Weissenburg by a very considerable force of the enemy, which had been massed in the woods skirting Lauterbourg. Our troops resisted for several hours the attack of the enemy, and then retired to the summit of Pigeon River, on an eminence which commands the line of railroad to Bittche. Gen. Donay was killed. One piece of artillery, the horses having been killed and the carriage broken, fell into the hands of the Prussians. Marshal McMahon is concentrating his forces.

BREIT.—The North German three masted schooner *Saars* was captured by a French man-of-war and brought to this port to-day.

METZ.—Fourteen Prussian soldiers, taken at Saarbrücken, passed here, going to Belfort and Thionville, where they will be imprisoned. The Prussian wounded are cared for the same as the French.

PRUSSIA.

The Prussian version of the Weissenburg affair.

BERLIN.—The following dispatch has been received here from Niederatterbach, a small village on the Ocker River, near Weissenburg, dated six o'clock, Thursday evening: "We have won a brilliant, but bloody victory. The left wing was the attacking body. It consisted of the 5th and 11th Prussian corps with the second Bavarian. This force carried by an assault, under the eyes of the Prince Royal, the fortress of Weissenburg and the heights between Weissenburg and Gilsburg. Donay's division of McMahon's corps was well defeated, being driven from its camp. General Donay himself was killed. Five hundred prisoners were taken, but none of them were wounded. Many Turcos were among the captured. The Prussian General Kirchbach was slightly wounded. The Royal Grenadiers and the fifth regiment of the line suffered heavy losses."

San Francisco, 6.—About one mile and a half of snow sheds on the Central Pacific railroad, between Summit and Truckee, were destroyed by fire last night; the cause, probably, will not pass before Monday. Passengers will be transferred across the break. Loss over \$50,000.

The Coroner's annual report says he has held inquests on 452 cases during the past year. Among which were 23 murders, 57 suicides and 74 accidents.

CALIFORNIA.

SAN FRANCISCO, 6.—About one mile and a half of snow sheds on the Central Pacific railroad, between Summit and Truckee, were destroyed by fire last night; the cause, probably, will not pass before Monday. Passengers will be transferred across the break. Loss over \$50,000.

MISSISSIPPI.

Miscegenation by a Senator.

JACKSON, MISS.—Albert Morgan, a white Republican Senator, was married last night to Carrie Highgate, colored. Morgan was formerly a colonel in a Michigan regiment, and at one time he lived in Cleveland.

COLORADO.

Track-laying going ahead—Garroting, etc.

DENVER, 5.—Yesterday five and a quarter miles of track were laid on the Kansas Pacific, and the gap to fill to complete the road to Denver is only thirty-eight miles; it is expected the last rail will be laid next week. The city is overrun with desperate characters, and garroting is almost a nightly occurrence. Business of all kinds is very good. Denver Pacific railroad lands sold up to August first, foot up to 22,202 acres, sold for \$85,116, on which was received \$47,035. The average price was four dollars per acre. The reports from Park Lake, Summit, Boulder and other mining counties are quite favorable. The Germans in this city, to-night, organized a society for the relief of the widows and orphans of their fellow-country men.

FOREIGN NEWS.

GERMANY.

French prisoners.

FRANKFORT, 5, noon.—A train has just arrived here, bringing five hundred French prisoners from Weissenburg; they are to be sent to Northern Prussia.
