EVENING NEWS.

Friday, - June 30, 1876.

CORRESPONDENCE.

The Seventies and High Priests on the Weber.

WANSHIP, Summit Co., June 26th, 1876.

Editor Deseret News:

We send you a few items pertaining to the High Priests and Seventies residing near the river Weber, to let you see the brethren in this district of country have a lively interest in seeing the Kingdom of God roll forth. The Seventies met at the school-house at Wanship on Sunday, June 25th, and they were well represented from the different districts, and they felt united, heart and hand, in helping along the work of the Lord, by throwing in their means in employing mechanics to assist in building up the Temple in Salt Lake City; and instead of employing one mechanic they intend to employ several. We had quite a time of rejoicing together. The brethren feel first-rate, most of them having renewed their covenants. We baptized twenty-seven last Sunday week.

The High Priests, who met with the Seventies, are not a whit behind the latter in the same direction.

E. R. YOUNG, Presiding.
HENRY LONG, Secretary.

Preaching—Good Crops.

PORTAGE, June 21st, 1876.

Editor Deseret News:

Friday last we had a visit from Elder Lorenzo Snow, of the quorum of the Twelve Apostles, together with several of the leading Elders of Brigham City, and Bishop Ward and Elder George Facer of Willard.

The meeting at five o'clock in the evening was numerously attended, and addresses were delivered by Bishop Ward, J. D. Rees, and Wm. L. Wakins, on the subject of home manufacture, work on the Temple, &c.

On Saturday morning the company left for Malad City, to hold meetings there. On Monday returned through Samaria and on their way visited the canal in course of construction, which is intended to convey water to our farms, and also to Brigham City co-operative farm, which is in close proximity to ours, and arrived in time to hold meeting at 4 o'clock p. m., which was addressed by Bishop Nichols and Prest. Snow on the various duties of Saints to sustain the Kingdom of God, so that the Saints might walk in the light of the gospel of Jesus Christ. The discourses were delivered with ability and were replete with instruction and counsel to the Latter-day Saints.

Although the season is late, the crops look well and bid fair to yield an abundant harvest. The health of the people is good, and under the wise counsel of our Bishop, O. C. Hoskins, we feel determined to build up a Stake of Zion to the honor and glory of God.

Respectfully, J. D. G.

To Girls.

Within as many days we have intelligence of five young girls, none of them more than sixteen, who, running the risk of going out alone, have been the victims of vicious men. Three of these young girls, belonging to respectable families in Buffalo, went out for a walk. They were out for a little pleasure, starting no doubt without any other idea than to have a little blameless sport. But two young and unprincipled men met them, made some excuse to speak, and became their escorts. One of the young girls became alarmed, and left the party. This was on Friday evening. Their parents found the two willing prisoners in a boarding house. On Sunday last two young girls, visiting a park in New York, made the acquaintance of two young men, and accepted an invitation to dine and have some wine with them. Both got drunk, and one of them was arrested on her way home, taken to the station and kept there until the next morning, when she was brought into the police court.

Neither of these girls will ever recover what they have lost—their self-respect. Drifting along the edge of bold immorality—a terribly dangerous ground—they have been drawn over the dividing line, and lost. It is another warning to young girls against going out alone, in the city, that is, going out after dark, or into places removed from the main thoroughfares. They cannot afford to run the risk of making indiscriminate acquaintance. It is a great mistake oftentimes. A man who makes a practice of taking advantage of girls off their guard cannot be trusted, for he has neither honor nor conscience. But girls are much to blame, for unless they contribute to their own downfall, by silly and immodest conduct on the street—such as looking at these young men, on the wall, with a gleam of recognition in the eyes as they pass, or looking back after they have passed, or giving them the opportunity so to speak, few men will make further advances than the first effort to attract the attention of the girl. But once let a girl show the slightest perceptible lack of modesty and self-respect, and she will find plenty who will aid her in imposing these new conditions of her life.—*Cleveland Plain Dealer, June 19.*

LOST.—This morning, a Brown Leather Pocket Book, containing a number of U. S. currency bills. The finder will be rewarded on leaving the same at this office, for the owner. 184.

Rocky Mountain Pills

A VALUABLE MEDICINE,

From New and Rare Medicinal Plants recently discovered in the Rocky Mountains!

PURELY VEGETABLE.

FIFTEEN years of earnest botanical research among these mountains and valleys have resulted in the discovery, not only of many new varieties of plants, but of new species, some of which have wonderful medicinal curative properties. By continued experiments their virtues have become known—and thus from extracts of these newly-discovered plants are these pills compounded.

If properly used, they will cure very many diseases, pains and aches, and are more especially valuable in DYSPEPSIA, LIVER COMPLAINTS, INDIGESTION, JAUNDICE, and all cases of FEVERS, COLDS, URINARY AND KIDNEY DISEASES, RHEUMATISM, COSTIVENESS, HEARTBURN, DIARRHŒA, MUMPS, MEASLES, for PURIFYING THE BLOOD, and for many other diseases, and all cases of BILIOUSNESS and DISORDERED STOMACH.

Orders accompanied by the cash for these Medicines will meet with prompt attention. Sent by mail prepaid, 1 box Pills for 25 cents; 1 dozen boxes, $2.00; 1 gross boxes, $15.00.
