HE GIVES US A CALL.
And we're glad to see you, Uncle Sam! If we can't do better for you than anybody else, don't come again! There isn't any better circulation than our celebrated wool suits. Because of paying too little! That's the snag that a good many purchasers strike. They think that the less they pay, the better they are off. It isn't so. Those who expect much for little are usually disappointed. Much for much, and little for little is about the rule. Sometimes it happens, however, that the lucky buyer gets much for little, and here's a case which is most emphatically in point. Think, a all wool suit for \$15.00 and \$25.00 worth from \$15.00 to \$14.00. Men's sizes.
