### Important to Wool Growers!

I take pleasure in announcing that I am making a pure "**TOBACCO SHEEP DIP**" from the best Kentucky Leaf, which makes an article of uniform strength and purity, without the addition of poisonous substances, and should be diluted 100 parts to one (although safe to use at any degree of strength) for dipping sheep.

This dip is convenient for use, as it only requires water to dilute it. As tobacco is so well known to wool growers who have used the same, I can only add that I have it in thin convenient form for them—put us in one and five gallon tin packages sealed tightly.

Order either of my Sheep Dips, viz: Concentrated Extract of Tobacco. Also Non-Poisonous Sheep Dip. Price per Gallon:

**Tobacco Dip, . . . \$2.75**  
**Non-Poisonous Dip, . . . 2.25**
