

The cod fishery in Rhode Island waters is being ruined by the use of traps. Americans are generally known on European railways by the fact that they rise in their seats as the cars approach a station.

Judge Sharkey threatens that if Mississippi adopts the Constitution, a full negro delegation will be sent to Congress.

Special Notices.

President Heber C. Kimball understands that there are many in this city and in other places adjacent, who have wool to card. He has put up a stove and has the place where his two double carding machines work, in the 19th Ward, near Pugh's mill and the Ward Meeting House, fitted up so that carding can be done occasionally when the weather moderates. He also has David Le Baron to work them—a man whom the people know to be honest, for he has been well known among them for many years. He can cheerfully recommend Mr. Le Baron as an honorable man, who has always given satisfaction to his customers when running machines for him. People bringing wool can have it done when they bring it, if there is enough at the machines to run a day. Bring grease as usual, say one pound to seven.

If the people will not bring wool along to be carded, the place will be closed.

Mrs. White has arranged to prolong her stay in the city for a little time longer, and those who desire to rapidly obtain an acquaintance with music should see her, for she communicates a knowledge of the science, by "Robbins' American Method," so quickly as to astonish those unacquainted with it. We think our musicians who wish to fully understand Harmony or Thorough Bass, applied to the piano, organ, etc., ought to make themselves acquainted with the system soon, as she will remain here but a short time. She can be found at the Townsend House.

JOY TO THE AFFLICTED!

LAUGHING GAS!

FOR the Million! I take pleasure in informing my numerous friends and the Public, that I have been to great expense and trouble in buying the Patent Right for Salt Lake City for the best Nitrous Oxide Gas Apparatus that is in existence, as is proved by its being used by the Royal Families of England, France and Belgium, also by Dr. Colton, in the Dental Institute, New York.

The Gas made by this Apparatus only is absolutely pure, and no unpleasant choking or strangling sensation is experienced, or any disgusting bag used in taking it, but you can breathe the perfectly natural every way, and you would not suspect that you were breathing anything but the purest air. It is, in fact, the ne plus ultra of all methods for the painless extraction of Teeth.

I have a large supply of the same Teeth which took the First Premium in Paris last summer. Also five different kinds of Rubber for Inserting Teeth, including the kinds used in England and France.

Particular attention given to preserving the natural Teeth. Terms moderate. Call and see. Dr. Wm. H. GROVES, 2d South St., d36w1-lm Snow's corner.

TAR! TAR!

CONSTANTLY ON HAND, and for Sale in quantities to suit Purchasers, Wholesale or Retail, by the undersigned, at his place at Gunnison, Sanpete County. Send on your orders.

PUBLIC NOTICE.

YEAR 1868.

W E return our sincere thanks to this People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of Goods, we have determined to offer our Stock at a heavy Discount for

CASH!

We will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap.

A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Sangers, Glassware, Castors, &c., &c.

ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once, and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get hold of "Ten Dollars," a chance to buy Goods Cheap.

COME AND TRY IT.

WHY DO WE OFFER THESE TERMS? Because we are like most of our neighbors, wanting money badly.

Ross & Barratt.

TO THE MUSICALLY INCLINED, And to those desirous of Learning Music!

Mrs. WHITE, of Rochester,

TEACHES Robbins' American Method for the Pianoforte, which is so far superior to the old method of teaching the Pianoforte, Melodeon or Organ that its full importance can scarcely be estimated. It is a century ahead of all other methods for the Piano—Pupils acquiring a knowledge of Music in an almost incredible short time.

References to and letters of recommendations from the most eminent Professors of Music in the East.

Mrs. WHITE is stopping at the TOWNSEND HOUSE for a limited time, where she can be found, and full particulars learned. Private tuition given.
