EDITORIAL NOTES

The long drawn out days of grace for the use of those unexpended balances conclude to-morrow (Aug. 10), and President Grant and send the Indians in the Idule.

"General—It is my opinion that we can never have reliable peace with them until they are thoroughly chastised. After that is done I would either break up the agencies and send the Indians position. so if the two houses do not harry business, things dependent must come to a stand still.

shones, is a man of handsome features and imposing stature. His form is massive, but symmetrical. His face in profile resembles that of Beecher, the emotionalist; in front it resembles that of Spotted Tail, the chief of the Brules, and his eyes have the same bright and intelligent twinkte, mingled with glasses of benevolent humor. Congleams of benevolent humor. Contact with civilization seems to have ripened his originally noble nature. He is a true friend of the white man, and one who makes his ac quaintance cannot help believing in a kinship of mind between him and paler sages of the more fortunate Caucasian race. Washakie has cultivated his intelligence throughout his life and has adapted the language of his tribe to an alpha- the American minister, left last bet. His hair is silvered with the night for the United States. hoary dust of sixty years, but he looks as young as if he had found in the Shoshene Sierra Mountain the fountain which Ponce de Leon sought in the land of flowers."

THE INDIAN WAR.

RECENT reports from the scene of the Indian war do not give very encouraging news for the army, nor encouraging news for the army, nor favor the idea of an easy triumph levity, and when he says that such February, 1865." or an early close of hostilities. It was stated in yesterday's dispatches that Terry had found it convenient to fall back eighty miles, that tell him that his tone is a little too of legation to China and interpre the Indians were burning the grass confident. It is time that the govall around, that they harassed Crook so that he could march only six miles a day, and that the men by the frivolity of the minister's in both commands were much disheartened. The Indians are beheartened. The Indians are behad happened. If these massacres lieved to be hard pressed as to their commissary arrangements. The report also comes that nothing has which seem likely to be confirmed, been heard of Terry for a month.
It appears, however, that Crook designs to strike a heavy blow, es-

P. E. Connor, at the Grand Hotel which might make any one in Eng. no ground for believing that there is Niagara Fire Insurance Com'y, 1,450,60 00 in that city, some extracts from land believe that there were serious a desire for peace. Gen. Sheridan's which may be interesting to our doubts as to the character and pro views on the proposition are not Pennsylvania Fire Insurance

"General.—If the different bands patches convey anything like a fair month to the widow of Capt. Yates of Sioux and their allies—the Chey-indication of the events which of the Seventh Cavalry, killed in ennes and Arapahoes - take the have occurred on this point. war path they can muster twenty thousand warriors. From the best information that I could gather seems a remarkable thing, he says,

Butter Accepts the Nomination for Congress.

Butter Accepts the Nomination for Seems a remarkable thing, he says, from my scouts and guides at the time of my campaign alluded to, [1865] I make the estimate of the there in cold blood or not, in one of different bands as follows: The Un-capapas (Sitting Bull's band) about intelligence of these occurrences 7,500: the Minneconjous, Yanctonnais, Uncapapa, Two Kettles, San Acres, Brules, Ogalialla and Santos will number 60,000. Then there Right Honorable gentleman at the are the Sioux of the British posses-sions north, who may be induced by in possession of information which Sitting Bull to join him,

ot hostile?

"General.—No. The Utes, Snakes manner he did. The country will day, Stephen D. Lindsey was not hostile?

Crock can do it; but I doubt his ability to do it with his present command. He should have double the number of troops he now has. The Irdians outnumber him, they are better mounted and have superior arms, and in addition to that they may force him to fight on ground of their own choosing and favorable to their style of war. With all these adgrantages it does not a ground to their style of war. With all these adgrantages it does not a ground to the style of war. With all these adgrantages it does not a ground to their style of war. With all these adgrantages it does not a ground to their style of war. With all these adgrantages it does not a ground to their style of war. With all these adgrantages it does not a ground to their style of war. With all these adgrantages it does not a ground to the town. The roads from Eaitschar, Gurgusovatz and members of the real estate pool, for false largison ment.

Here Fair Reduction — Marriage—

6'Leary, the Pedestrian.

Nearly all the first-class hotel proprietors met and consented on a reduction in their prices from tep to fifteen per cent.
