

LOCAL AND OTHER MATTERS.

THEATRICAL.—The Heart of the Stage or the Actress of Padua, was played in excellent style last evening. The acting of Miss Western was very artistic. This lady is rapidly winning her way to public favor at Salt Lake City, each of her performances eliciting more hearty tokens of satisfaction and applause than its predecessor.

THE CHARACTER OF HOMERID, personated by Mr. Herne, is not one calculated to call forth a display of that gentleman's peculiar abilities, and there was nothing in his performance worthy of special remark.

IN SOLON SHINGLE, one of Mr. Herne's specialties, that gentleman gave unbounded satisfaction. Messrs. Lindsay, Graham and Hardie sustained their roles with considerable ability, and the entire performance seemed to give the greatest satisfaction.

THROUGH TRAIN.—Thos. F. Tracy, Esq., General Agent for Wells, Fargo & Co. in this city, informs us that he received a telegram this morning, stating that a through train was expected at Wasatch at noon today.

DESERTERS ARRESTED.—Two deserters, from Camp Douglas, were arrested by officers Hyde and Hampton of the city police this morning, a short distance beyond Farmington; they were turned over to the Military authorities.

NEW TOWN.—"Happy Keeper" writes us a very flattering account of the condition and prospects of Newtown, Goshen Valley. Newtown is the place to which most of the people of Goshen city moved last fall by the advice and counsel of President Brigham Young. It is located about three miles south-east of Goshen city. Most of the people have already moved; the remainder intend to do so as early as possible.

BRIGHAM CITY.—A correspondent, writing from Brigham City, on the 17th inst., says that the claims which have lined the heart of Box Elder county and fast disappearing before the shrill whistle of the "iron horse" now approaching Willard City, and expected to reach Bear River in a few days. Our correspondent says the increase of crime in the county is very apparent, more being committed now in twenty-four hours than the whole of the original record of the county would have shown a short time ago.

CASHMERE GOATS IN COLORADO.—The Colorado Transcript says: "One of our citizens purchased a flock of choice Cashmere goats while east recently, and will bring them here very shortly. He will have some fifty or sixty in all, a very good stock. There is no better place in the world for goat or sheep raising than Colorado, and we are glad to hear of choice stock coming."

DESTITUTE INDIANS.—The following is from the Cheyenne Leader: "Red Cloud, the Sioux chief, who exercises authority over all the northern Sioux, has informed the Agent that a large portion of his followers are destitute, and that they must be supplied, else he would be compelled to resort to unlawful measures. Accordingly the Agent, Mr. N. G. Taylor, has allowed James Escobar, of the Cheyenne Agency, and John Hiehart to take a stock of woollens, etc., to Red Cloud's camping ground, about sixty-five miles northwest of Laramie. The stock is estimated at \$25,000. Red Cloud claims to have about fifteen hundred lodges with him. The traders left yesterday morning."
