The above Fac-Similes of Medals present an array of irrefutable testimony in favor of Duryeas' Starch well worthy of the serious consideration of all who want the best and most economical; each medal represents a decision of a separate Board of Scientific and Disinterested Jurors. No greater evidence of superiority can possibly be submitted. Comments of the manufacturers can add nothing thereto.

In addition to Medals, many Diplomas have been received. The following are a few of the characterizing terms of award: at "EXCEEDINGLY EXCELLENT."
