PRICE OF GOLD.

Corrected Daily by BANK OF DESERET.
SALT LAKE CITY, March 7, 1872.
Buying at $1.08, selling at $1.10.

LOCAL AND OTHER MATTERS.

THE LIQUOR CASES.—A number of the non-license-paying-and-Sunday-selling liquor dealers will be before Alderman Clinton to-day and to-morrow.

This arresting and re-arresting of those parties will, doubtless, add to the expenses of the law-breakers at the final issue of the cases. Those matters can all be properly adjudicated when the judicial muddle is cleared up. The sooner the better.

Per Deseret Telegraph

[Special to the Deseret News]

THE TRAINS.—Ogden, 7, 12 m.—Two Union Pacific trains arrived last night, at eight o'clock, and one more at 11 this forenoon. Another will arrive about 4 this afternoon, and the regular train will get in five hours behind time, or about 10 to-night.

THE BLOCKADE OPEN.—The following was received last night:

Ogden, 6, 9:30 p.m. — The Utah Central has just left.

But two eastern trains have come in. Two more are expected in the morning. MR. Earl reports the road clear. The trouble has been caused by the washing away of the track more than by snow blockades.

KANE COUNTY.—Our traveling agent in the south writing from Kane County says that there has been an unusual fall of snow there lately.

He speaks of Long Valley, in that county, as a very desirable place, settled by an energetic people, who are busying themselves making dugways, ditches and other necessary improvements. The greatest inconvenience they have is the lack of postal facilities, their mail matter frequently arriving from two to four weeks over due. It would be a great benefit if the mail route were extended from Bullion City to Kanab, *via* Long Valley.

The Non-License Payers

SALT LAKE CITY, March 7, '72.

Editor Deseret News:

In your last night's issue, I was much pleased with the kind and "timely warning" given to those who are openly and flagrantly defying the ordinances of our municipal authority. Against such a lawless and barefaced outrage, in a city whose good government, *for over twenty years*, was unparalleled for peace and security, I enter my solemn protest, and wish it distinctly understood that all those who are now engaged in business without "license," or otherwise acting contrary to the regulations of our city laws, are doing so, on their *own authority*, and not by the consent or sanction of the great majority of the Gentile population of Utah. I do know that every respectable outsider who came here for a legitimate and honorable purpose, deprecates such a course of conduct, and feels that it is a stigma on the name of "Gentiles."

It is moreover due to the community at large, and to myself in particular, that the names of all those doing business without license should be published, and I therefore ask this at your hands that the name, address and business of each one appear in an early issue of your paper.

Very respectfully,
A LAW ABIDING CITIZEN.

LEFT HIS HOME.—Robert McLaren, son of James McLaren, aged 10 years, left his home, in the 19th ward, on Monday the 4th inst., and has not since been heard of. When he left home he had on a light colored hat and jacket, gray pants and high boots. He is of stout build, has light blue eyes and light hair. Any information concerning him will be thankfully received at this office by his father.

UNCOMPLIMENTARY. — "McKean has struck out for Washington, to show reason why he should be allowed to disgrace the Supreme Court in Utah a little longer. If the administration is really anxious to suppress Mormonism, they should first dismiss McKean. His incompetency has done more to complicate the Mormon question than any other cause we know of."—*Colorado Chieftain.*

HOW LONG?—Says an exchange—

Nebraska courtships average three hours and a half in length.

Now how many hours and a half do the marriages average?

THE MORMON PROBLEM. — The Cincinnati *Times* has the following—

"Washington, February 23.—The Supreme Court, after conference with the Attorney-General and the Mormon attorneys, has decided to advance the civil case involving the Mormon problem, on the docket, so that a decision will be obtained within a month."

ONE MORE SENSATIONAL Dispatch from Salt Lake—

"The work of the convention is regarded by the Gentiles as a farce, and is done only to evade the prosecution of Mormon officials and insure church control of the courts."

ANOTHER OF THEM, and it went by the wires from Salt Lake lately—

"Moral devotion to the Mormon church covers all sins."

Read the Bible, Rev. xxi, 8.

RIGHT.—The Chicago *Journal* inclines to the opinion that a change of Federal officers in Utah would at present be a measure in the interest of justice and good government. The same paper hits the nail on the head when it charges that the agent of the Associated Press at Salt Lake is a mere tool, and needs instructions.—*Denver Tribune.*

GONE TO WASHINGTON. — Honorables Thomas Fitch, George Q. Cannon and Frank Fuller left this City at five o'clock last evening, in their capacity of delegates to Congress from the late Convention to forward the interests of the people of Utah by presenting the claims of the proposed State of Deseret for admission into the Union. They expected to leave Ogden and proceed eastward last night, and they probably did, the road being reported clear of obstructions.

THERE are messages at the Deseret Telegraph Office for Humphrey Rodgers and D. W. Parkhurst.

POLICE NEWS.—W. R. Heaton, a young man, was fined $50 this morning for assaulting and cutting a man named Garner, with a knife.

Thomas R. Fisher was fined $15 for an assault and battery on the person of Mr. James Coult. He was also fined an additional $5 for contempt of Court.

JUDGE PHELPS DEAD.—In another column will be found an obituary notice of the death of Judge W. W. Phelps. Notwithstanding the advanced age of the deceased, turned eighty, the announcement will probably cause some little surprise, as he was out on the streets a few days since, and appeared to be then in his usual health.

THIS DELIGHTFUL spring weather must surely suit everybody, alternating between sunshine, cloud and shower, the sunshine predominating. Now is the time to pitch into the digging and planting.

THE GRUBS.—We were reminded to-day, by Brother Mark Lindsay, of the caterpillars which proved rather destructive to fruit trees last season, and if not seen to may prove a great deal more so the coming season, for if not destroyed they promise to be greatly more numerous. If owners of orchards will examine their trees they will discover hard substances clinging to the bark, which, when taken from the tree discloses a thousand or two of the eggs of the caterpillars. Every tree should be examined and rid of these eggs. After they are hatched out, they begin to construct webs something like a spider's, and they devour the opening buds. Of course the older they grow the more destructive they become, and the best and shortest way with them will be to destroy them in their embryotic state.

Special Notices.

The Grocery Department of Z. C. M. I. will be closed on Thursday, Friday and Saturday, the 14th, 15th and 16th insts., to take account of stock. We respectfully invite our patrons and friends to make their purchases before or defer till after above dates.

A GREAT MEDICAL DISCOVERY!

MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF

J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the **GREAT BLOOD PURIFIER** and **A LIFE-GIVING PRINCIPLE**, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
