## SCHOOL MEN HONORED WITH LOVE FEAST

Principals and Supervisors Guests of Ogden Board of Education At Weber Club.

OGDEN, Dec. 3.—The principals and supervisors of the Ogden city schools were the guests of the board of education at a love feast in their honor given at the Weber club on Wednesday evening. The club purpose of the occasion was to listen to the report of the principals who recently visited the public schools of Salt Lake City, and the board of education decided to unite business with pleasure and invited the principals and principals to be its guests at the club. Plates were set for about 50 and, needless to say, a most enjoyable evening was spent. Supt. Mills and several of the principals spoke of their visit to Salt Lake, and many new ideas were suggested which will be put into practice and which will be of great benefit to the Ogden schools. The speakers said that in many respects the Ogden schools were ahead of the Salt Lake schools. It was said at the banquet table that perfect harmony prevails in the Ogden schools today and that there are no "knockers" of any kind.

### WOODMEN ENTERTAIN.

OGDEN, Dec. 3.—I. I. Boak, head consul of the Pacific Jurisdiction of the Woodmen of the World, was in Ogden last evening on his annual visit to this camp. His visit was the occasion of a large number of new members being initiated into the mysteries of woodcraft. Tonight Mr. Boak will be at Logan, where the local order will entertain him. The initiation at Ogden Thursday evening took place at the Woodmen's hall on Twenty-fourth street and Washington avenue. About 200 visitors from Salt Lake accompanied Mr. Boak to this city on a special train. After the ceremonies of the evening, a banquet was served and an orchestra pleased the visitors with delightful music.

### OGDEN TO HAVE PURE FOOD SHOW

OGDEN, Dec. 3.—Negotiations are now under way for Ogden to have a pure food exposition, similar to the one now being conducted in Salt Lake City. W. H. Morgan, Fred Harvey and Emil E. Ose, well known young business men of Salt Lake City, were here yesterday making arrangements for the exposition. Several officials and members of the Ogden Retail Merchants' association were consulted and have decided to assist in the undertaking. It is the purpose of those promoting the pure food show to hold it here early in January, at the same time that the National Woolgrowers' association and mid-winter sheep show is held.

### CANYON TRACK BLOCKED.

OGDEN, Dec. 3.—The heavy rains of the past few days have caused the loose rocks and earth along the line of the Ogden Rapid Transit company in Ogden canyon to slide on to the track and as a result the line has been blocked since Thursday morning. In some places a great deal of underbrush and small trees have been carried to the tracks and it will necessitate a great deal of work to keep the line clear of obstructions. More trouble is anticipated during the winter months.

### NEW AMUSEMENT HALL.

OGDEN, Dec. 3.—It is rumored that the large skating rink auditorium on Grant avenue is to be remodeled soon and turned into a new type of amusement house. The stage recently constructed for the use of the musical comedy "Lo" will be torn out and a permanent stage constructed which will be as good as any in the city. The large hall will be used for dancing and other purposes, and vaudeville bills will be put on every week. Moving pictures will also be a part of the new amusement house, and those who are interested in the matter say it will be one of the largest amusement halls in the west. It is understood that eastern capital behind the proposition and that work will be started within the next 60 days.

They claimed they did not understand the English language and the court dismissed them stating that Detective Pender could instruct them to leave town at once.

### VAN NOY ACQUITTED OF CHARGE OF GAMBLING

OGDEN, Dec. 3.—W. H. Van Noy was declared not guilty of keeping a gambling house or of illegal gambling, in police court Thursday morning. Van Noy was tried on three causes of action and all three cases have been dismissed, although the officers broke into a room at the rear of a saloon on Twenty-fourth street and arrested several men who testified in court that they had been gambling for money. The court held that according to a decision from the supreme court, Van Noy was not conducting a gambling house as this was the only complaint against him. The court also advised the city attorney that he was ready to render a verdict in the case of George Fry, charged with maintaining a room for gambling purposes. Atty. Devine requested the privilege of introducing new testimony and the case will probably be continued till next Thursday.

A number of Provo citizens are now interesting themselves in the establishment of a gymnasium for the pleasure and profit of the young men of the city, and the project will probably take definite shape and be consummated.

Miss Flora Wilson gave her recital at College hall last night before a large and appreciative audience. It is claimed that, as a preparatory move for the coming suspension of the licensed liquor business in the city, there is already one "band pig" doing business outside of the city limits. Sheriff Judd, however, will investigate the matter and if evidence is obtained it will go hard with the offender.

## THINKS BIG FIGHT WILL COME OFF HERE

Tex Rickard Says He Has Assurances That No Interference Will Come Up.

New York, Dec. 2.—The battle between Jim Jeffries and Jack Johnson may yet be held in Salt Lake City. Just before the two fighters sat down to sign up final articles for the contest in Hoboken today, "Tex" Rickard the successful bidder for the championship fight, was handed two telegrams which he said came from prominent citizens of Salt Lake City.

Rickard announced to the fighters that the messages requested him to disregard the quoted statements of the governor of Utah and the district attorney of Salt Lake county that they would not permit a fight in that state. "I cannot give the names of the men who sent me the telegrams," said Mr. Rickard, but I am assured that the fight can be held in Utah, and if that is the case, I think the Jeffries-Johnson contest will be held in Salt Lake City.

George Little and Sam Berger, representing Jeffries, the stakeholder and others interested, went to Hoboken, N. J., today to sign final agreements and possibly select a referee. Rickard said he would insist on a cash deposit of \$10,000 by each of the fighters to guarantee appearance at the arena.
