FRAGMENTS.

How many burglaries were committed yesterday?

People who came to Salt Lake to celebrate got left.

About three hundred excursionists from this city spent yesterday in Provo.

The Red Boys Base Ball Club ran an excursion of several cars to Park City on the 24th.

The trial of the two soldiers brought in by the police for making a row about midnight last Monday, was to come up this afternoon.

A couple of hard cases named Miles and Crouse were landed in jail last night charged with vagrancy and trespass. Their examination comes up to-day.

Yesterday's excursionists south were cordially welcomed in Provo, Payson and Nephi, and in fact all along the line. Celebrations were held in the three towns named.

Three days' excursion south which left the Utah Central depot yesterday morning, carried about 600 people. It was under the management of Messrs. Anderson, Buckle, Finney and Baxter.

Thomas Brown was arrested last night and charged with creating a disturbance at the Theatre. He tried to force his way into the building, although repeatedly refused admission on account of his intoxicated condition.

There was a rough fight and a gleam of knives at Garfield, in the neighborhood, yesterday evening. One of the parties on reaching Black Rock, which is this side of the boundary line, recommenced his non-combat and continued it on the train homeward. He was arrested and this morning fined \$15.

LOCAL NEWS.

Primary Reports.—The secretaries of the Primary Associations of the stake are requested to forward their reports to me immediately. Address box C. Salt Lake City.

CAROLINE RALEIGH, Sec.

Whose Monkey?—The boys of a certain portion of the 12th Ward had a good time yesterday with a comical little monkey which had found its way into their neighborhood. The little rascal, after having amused the children awhile, turned in to amuse itself, and chased the young ones all home. It then took after some chickens, the owner of which, an aged gentleman, in turn chased the annoyer off with a hoe.

Ladies' Meeting.—The ladies' regular semi-monthly meeting will be held in the 14th Ward Assembly Room to-morrow, commencing at 3 o'clock p.m. As these meetings are important, it is desirable that as many of the sisters as can make it convenient should attend regularly.

A notice will be given to the secretaries of the several Ward Associations in regard to making a report for the Stake Conference of this State of Zion.

Treated for Cancer.—Lorenzo Dow Imley, of Panguitch, Garfield County, has been at the residence of Dr. John Riggs, of Provo, for a little over a week, undergoing treatment for a cancer located on the inside of the right thigh. It is considered by the Doctor a very singular case. The cancer is seven by nine inches in size, and has kept the patient bed-fast for the past five months. It is in a dangerous place, owing to the proximity of the femoral artery. Dr. Riggs is very hopeful, however, that he will succeed in destroying and removing the cancer. It is all but killed now, he says, and the prospects are favorable for the patient's complete recovery.

The Minstrels.—Leon and Cushman's Minstrel Comedy Company made their opening appearance in this city at the Salt Lake Theatre last evening. It is only necessary, at a time like this, when money is so "tight" and money-making shows have been but meagrely patronized, to say that a large audience was present in order to indicate that the public taste was whetted up for something of this character, and that theatre-goers felt assured they were not doomed to disappointment in their preconceived estimate of the performance. Leon and Cushman's entertainment is something entirely new in burlesque comedy. It is an elongated musical burlesque, replete with amusing specialties, but utterly discarding the antique traditions of the variety show and its ordinary train of acts. Two stars shine with lustre amid a numerous bevy of satellites, and the whole entertainment is one that in its novelty and excellence is not often equalled. Tonight is the closing performance.

A Release.—We much regret to learn that Brother Horace K. Whitney, who was thought to be recovering slowly from his severe illness, has suffered a relapse. He had been able to walk to the office and spend several hours each morning, returning before the heat became too oppressive, and was supposed to be convalescent; as indeed he was, but unluckily he caught a slight cold and took the pleurisy in his right side, the opposite to the side heretofore affected, and has since been dangerously ill. He was quite bad yesterday, but to-day is some better.

Brother Whitney is one of the surviving "Mormon" Pioneers, and to-day attained the 81st year of his age. Thirty-seven years ago yesterday, he lay sick in the mountains with fever, and entered Salt Lake Valley on the following day—July 23th, his twenty-fourth natal anniversary. His many friends will wish him many happy returns of his birthday and hope that this may be the turning point in his illness, towards complete recovery.

Wedding Reception.—The wedding reception of Mr. and Mrs. Moroni J. Thomas took place, as announced, at the residence of S. F. Neve, Esq., in the 14th Ward, last evening, and as everybody expected, was a very pleasant affair. There were present a throng of congenial spirits to do honor to the occasion, Bishop W. L. N. Allen among the number. Of course Brother E. Beesley and members of the Tabernacle Choir, with relatives and other friends of the bride and bridegroom were included among the guests. Supper was partaken of, and the evening was whiled away in amusements and the delights of social conversation. Miss Olsen—pardon us, Mrs. Thomas, contributed several vocal gems in her own incomparable style, and other members of the choir also rendered choice selections. We extend once more our heartfelt congratulations and good wishes for the happiness and prosperity of the young couple, who are fortunate in each other's possession. May their married life be a strain of unbroken harmony.

BURGARS.

THEY ARE GETTING TO BE AS THICK AS FLIES.

Since the last issue of this paper reached the city readers, on Wednesday evening, no less than six, and in all probability many more attempts at burglary have taken place within the corporate limits. Four houses were visited on Wednesday night, and one of them entered and thoroughly ransacked, but the thief, finding no money or valuables, took nothing but his money away. But even this simple act was enough to show that the inmates of the house, who have been looking anxiously for him ever since. The chances are that if he ever comes there again he will take something away with him, if it is nothing more or less than a few ounces of lead.

The event referred to happened at the residence of Mr. John R. Sands, of the Walker House bar, who lives on the State Road, between Third and Fourth South Streets. A similar attempt was made on the residence of Mrs. Allen, on Main Street, one block west of the Sands house, about half past three o'clock, a.m., when the above house had been visited. But a Mr. Tupper, who rooms there, saw the figure of the would-be robber in the moonlight, just entering the front window, and in reaching for his pistol, made a noise which alarmed the burglar and he forthwith departed.

The residence of Dr. Dart was also called upon, but the burglar, who was in the front door, which the burglar took hold of, awakened the Doctor, and his A.M. visitor hastily decamped before his case could be attended to. The other incident took place at O. P. Miles' residence, opposite the Methodist Church, about half past 12 o'clock, when Mrs. Miles heard some one remove the screen at the window and awoke her husband, who called out to the burglar and he vanished. The probability is that one and the same hero figured in the three named exploits.

The same night a small store in the Sixth Ward had a burglary visitation. The door was partly pried open, when a woman living next door, hearing the noise, tried to awake her husband, but accidentally woke up her baby first, and its cries scared away the scamps, who were attempting to effect their escape. But the latest event of the kind, so far reported, took place at the residence of the late Bishop E. D. Woolley, 13th Ward, at 4 o'clock this morning. One of the Bishop's sons, waking up, saw a man in the house, and aiming his pistol at him pulled the trigger; but the cap did not go off, although the burglar did immediately afterwards. Mr. Woolley followed him up and fired a shot from another barrel, but missed his man, who by this time had got pretty well out of the way. We are not disposed to be bloodthirsty, but it does seem as if a little peppering, enough to maim some of the rascals who are now preying upon the inhabitants of this city with perfect impunity, would give a little wholesome variety to the situation. At present the "furious fraternity" are having it all their own way.

PERSONAL.

Col. M. Shaugnessy, ex-marshal of Utah Territory, is in the city. He came in on the Thursday evening express.

Leut. R. W. Young reached home Thursday evening from Governor's Island, New York, where he has been stationed. The dangerous illness of his mother caused his return. His wife and child accompanied him.

Hon. N. W. Clayton, Territorial Auditor, returned day before yesterday from a month's wedding tour in the East.

Dr. John A. Hesler, of Ogden, looked into our office this morning. Apostle George Teasdale was a passenger south yesterday.

Elder L. John Nuttall and wife took a run down to Provo on the 24th and returned to-day.

Dangerously Ill.—The host of friends of Sister Elizabeth R. Howard, of Cottonwood, will be painfully surprised to hear the news of her sudden attack of illness and her extremely critical condition. Up till about 7 o'clock Wednesday morning the esteemed lady seemed in excellent health and was industriously as ever engaged in her household duties. At that hour she was seized by a congestive chill, which progressed rapidly, and from the effects of which she has been in acute pain ever since. Dr. Anderson visited her Wednesday afternoon and described her appearance as very serious, her face as well as the extremities having taken a bluish color. Her sufferings were so intense that she was unable to get up, and she was unable to eat or drink. Her condition is so serious that she is expected to die.

Held to Answer.—The hearing in the case of Officer William Hilton, charged with ill-treatment of Thomas Dowd, a drunken man whom he arrested one night last week for making a disturbance on the street, concluded at 2 o'clock this afternoon. Commissioner Wm. McKay decided that Mr. Hilton should give bail in the sum of \$1,000 pending the action of the Grand Jury in the matter. We suspend comment for the present.

New Machinery.—A threshing machine and portable steam engine, purchased by Carlisle & Co., of Heber, was taken to the streets Wednesday evening with steam up and flags flying. The handsome outfit came from the wagon yard of Jno. W. Lowell & Co., 1st East Street.

Change of Time.—A change of time over the Utah Central will commence July 30th, after that date the Pacific Express will leave Salt Lake at 4.50 p.m. instead of 3.55 to connect with Central Pacific and Utah Northern Railways.

Coming To-morrow.—A telegram has been received from General Schofield announcing that himself and party will be here to-morrow. They will stay at the Continental.

This regular monthly meeting of the First Quorum of Elders will be held in the west wing of the 14th Ward Assembly Room, to-morrow (Saturday) evening at 7.30 o'clock. Geo. M. Cannon, Secretary.

The programme of the Athletic Association was carried out to the letter, and proved eminently satisfactory. To the large number of spectators present, the games were of great interest.

The High Council will meet in the Social Hall at seven o'clock this evening.

Accident.—J. Devey, Esq., writes from Alpine, Utah County, June 23rd: Bishop J. T. McCullough, of this place, was thrown from his carriage this morning and badly hurt, what extent not at present known, but it is hoped not seriously.

Bishop Rasband Dead.—By letter from Bishop Wm. Forman, of West Heber, Wasatch County, to President Joseph F. Smith, the sad intelligence has been received of the death of Bishop Thomas Rasband, of East Heber, who expired at 5 o'clock yesterday morning. Some time ago he met with a serious accident, in being run over by his own team in a runaway, and has since been gradually failing. Three days ago, the letter says, he was still very low, and having lingered till the day and hour mentioned, death put an end to his sufferings. No further particulars were given.

Fire at Provo.—A fire on the premises of Joseph Faucett, of Provo, broke out 3 o'clock yesterday morning, consumed his hay-stacks and stables. A stack of twelve tons of lucern and the sheds were burnt to the ground. The people turned out in goodly numbers and worked with a will to save the house and outbuildings and succeeded. The hay was all the owner had, having been hauled on shares, and was the crop of 14 acres of lucern, and 13 acres of meadow land. The cause of the fire is unknown, but it is supposed firecrackers had something to do with it. One of the neighbors started a subscription and gathered up a snug little sum for Brother Faucett. Our informant is Brother Ernest S. Penrose, who was on the ground and helped to put out the fire.

Women's Work.—Mrs. J. S. Richards returned on Wednesday evening from Sevier Stake, where she has been visiting the Relief Societies, Y. L. M. I. and Primary Associations, in company with Sisters M. Isabella Horne and Elmira S. Taylor. The ladies left on the 7th inst., and went as far as Juab by train, afterwards traveled 200 miles by team, and held 22 meetings with the sisters' organizations in various parts of that State. Though the roads were not very smooth in consequence of high water, etc., yet they enjoyed their labors very much. Sister Taylor returned a few hours ago, having been notified of sickness in the family. Her sister Horne remained behind at Richfield at the residence of her son, Bishop Joseph Horne, to rest and recruit a little before returning.

"A Word to the Wise," etc.—The experience of the good people of Provo on the night preceding the 24th inst., in the matter of uproar and disturbance through the patriotic proclivities of certain gentlemen, was the parent of a precautionary measure adopted for the 24th, in the interest of those whose labors were before the factor on his first visit predicted would be fatal. Hopes are, however, entertained that the widely beloved lady may be restored to health. Later news will be awaited with anxiety.

Races Yesterday.—There was not a very large attendance at the race-course yesterday afternoon to witness the trotting and pacing trials arranged by the Agricultural Park management, but there were some good horses exhibited nevertheless, and some excellent time was made. In the free trotting race Frank L. (who pulled a wagon) Countryman and Pat Hunt started, Barus Jr. having been withdrawn, much to the disappointment of his many admirers, who wanted to see him in a good race against horses of well known speed. The first heat was easily won by Countryman in the very ordinary time of 2.30 1/2. The second heat was a close one, between Countryman and Frank L., and was won by the latter in 2.30. The third heat was won by Countryman in 2.34 1/2, and was the closest and most exciting of all, though Frank L. broke badly, and the fourth heat, which decided the contest was won by the honest old Countryman again in the remarkably good time of 2.25. Pat Hunt being again in the race.

For the racing race there were four entries, Wandring, Spirit, Rite Dick and Sorrel Billy. The first named won the race easily in two heats, in the first distance Sorrel Billy and the second being the same for the other two. Time 2.46, 2.44.
