Last Night's Dispatches.

EASTERN.

Swindling by Western Railroad Companies, etc.

NEW YORK, 3.—A Washington dispatch says that in the forthcoming annual report of the Commissioner of the General Land Office, he directs attention to the fact that some of the railroad companies in the far West have succeeded in selling, in the aggregate, many thousand acres of worthless lands to immigrants, under a representation that the soil was very productive, when they knew that the land was unfit for farming purposes; by such false reports the money of poor emigrants has been secured, and they are left without any means of recovering it back. The commissioner desires that this matter may have the attention of Congress, so that the practice of imposing on immigrants may be broken up

The Indian bureau have not yet received the official report of the commissioners sent to the Sioux country, to treat with the Indians there in regard to the sale of the Black Hills. Senator Allison is understood to be drawing up a report, and it will probably be submitted before many days. The Department is aware that the negotiations for the purchase of the Hills resulted in a failure, but it is not informed what recommendations the commissioners will make.

Majority Against Tilden.

Columbia county, the home of Governor Tilden, gives a majority against his ticket.

Democratic Majority.

Full and accurate returns from all the districts in this city show the majority of Bigelow, democrat, to be 28,088; the returns from various counties received to-day and to-night do not alter the apparent general result as stated last night and this morning, that the State ticket is in doubt, but will probably be democratic by from 1,000 to 3,000 majority. It will doubtless require official returns to decide this question. The complexion of Brooklyn remains as last reported, with the exception that Col. Cavanagh, independent democrat, is reported elected to the State senate by the full vote of his district, with thirty-six majority over Jacobs, the latter the regular democratic candidate.

Complexion of the Legislature.

ALBANY, 3.—The *Evening Journal* says the result on the State ticket is close and is still a matter of doubt. Our table shows a small apparent democratic majority. The senate stands 21 republicans and 11 democrats; the assembly stands 75 republicans to 50 democrats. This may be varied a little by further returns, but not materially.

Indian Affairs.

WASHINGTON, 3. — Secretary Chandler, accompanied by assistant Secretary Cowan, called at the Executive Mansion to-day, and had a long talk with the President, mainly in regard to Indian affairs. Secretary Belknap and Generals Sheridan and Crook participated in the conference, and gave expression to their well known opinions concerning the Indian question, besides furnishing such information respecting the practical administration of the peace policy within the limits of their past and present commands.

Importation of English Cattle Prohibited,

The Secretary of the Treasury has addressed a circular to the collectors of customs, announcing that no importations of neat cattle or hides will be allowed from England from this date, in consequence of the prevalence of the mouth disease in that country.

The Election in Mississippi.

JACKSON, Miss., 3.—The democrats have swept the state, electing the entire ticket in nearly every county; they have about thirty majority in the House and six or eight in the Senate; they elect the entire congressional delegation, with the possible exception of the sixth district, and returns indicate their success in it. All is peace, and no disturbance is reported anywhere.

The state fair opens here next Monday, under the most favorable auspices. The state grange have taken great interest in it, and it is thought it will be the most successful ever held here. It continues one week.

Arrested for Tampering with Election Returns.

RICHMOND, Va., 3.—James McDougal, register, and John Marxhausen, judge, at the 1st precinct of Jefferson Ward, were arrested to-day, charged with fraud in returning the vote of their precinct, whereby it is claimed that Knight, a candidate for the Senate, was beaten by Gen. Bradley T. Johnson, conservative; James S. Morrison was also arrested on a criminal charge for misleading voters; they were bailed in $5,000 each till to-morrow.

Hartranft's Majority.

PHILADELPHIA, 3, 11:30 p. m.—Returns received up to this hour from this State, indicate that Hartranft, for Governor, has a majority of about 17,000.

Argument on Demurrer—A Desperate Fight.

ST. LOUIS, 3.—In the U. S. District Court, to-day, an argument was heard on the demurrer to ten of the counts in an indictment charging General John McDonald, ex-supervisor of Internal Revenue in this district, with possessing knowledge and information of certain violations of the revenue laws by distillers and rectifiers here and failing to report to his superior officer, and also of conspiring with these parties to defraud the government. The demurrer was sustained as to five of the counts, still leaving eight counts standing against the accused.

Two new indictments were returned by the U. S. grand jury, to-day against, it is alleged, two prominent citizens, charging them with connection with the whiskey rings; the arrests will probably be made to-morrow.

The *Republican's* Kansas city special says that a desperate fight took place at London Sumner County, Kansas, during the election yesterday, and that sheriff Nell, in attemting to restore order and to preserve the peace, was shot and instantly killed by a desperado named J. H. Turner, who badly wounded two others.

Receivers Appointed.

To-day, Judge Treat, sitting in Chambers, appointed Thomas T. Bulkley, of New York, and Oliver Garrison and Jas. H. Beach, of St. Louis, receivers of the Atlantic and Pacific Railroad; they will be required to draw half a million dollars in bonds.

Cases of Voluntary Bankruptcy.

CHICAGO, 3.—Richard M. Hanley, the well known proprietor of Hooley's theatre, filed a voluntary petition in bankruptcy to-day; his unsecured debts are fifty thousand dollars, his assets being the theatre and land, worth about $175,000, but encumbered to the amount of over $125,000.

Ira Holmes, formerly president of the defunct Manufacturers' Bank, went into voluntary bankruptcy to-day; his secured liabilities are $361,000, unsecured $112,000; his assets are unsecured notes, amounting to $46,000, a large interest in the Clifton House, which, however, is mortgaged to nearly its full value, and stock of the Manufacturers' Bank worth about $12,000. His other assets consist mostly of personal property.

The Result in Minnesota.

ST. PAUL, Minn., 3.—The latest returns and estimates show Pillsling's (republican) majority to be about ten thousand. The legislature will be two-thirds republican.

Business in the Legislature.

LITTLE ROCK, Ark., 3.—In the senate to-day a memorial to Congress was introduced asking an appropriation of one hundred thousand dollars for improvements of the Bayou Bartholomew.

A general resolution was introduced in the house for adjournment *sine die* on the 30th; referred.

A Bank Robbed.

SCRANTOF, Pa., 3.—First National Bank, at Pittstown, was broken into last night by a band of burglars, who entered the vault through the top and blew open two special safes, from which they abstracted forty thousand dollars in bonds and money.

Republican Victory.

ATCHISON, Kansas, 3.—The election in this county, yesterday, resulted in a complete republican victory.

Jubilating—To be Executed.

NEW ORLEANS, 3. — The State militia, under General Campbell, fired a hundred guns by order of Governor Kellogg in honor of the republican victories; the Governor has signed the death warrants of six criminals, convicted of murder, two in Coushatta, to be executed on Friday, Nov. 19th, two in Monroe, and two in New Orleans, to be executed November 26th; two of the condemned are white and four colored.

WESTERN.

Severe Shock of Earthquake—Affairs at Virginia.

SAN FRANCISCO, 3.—A dispatch from Yuma reports a severe shock of earthquake to-day.

A special from Virginia says the mining situation is encouraging, the water is being rapidly reduced, and rebuilding is going on briskly.

CANADA.

Bad Prospect for Coal Miners.

HALIFAX, 3.—In Cape Breton, it is calculated that over two thousand miners, this winter, will have to depend on external aid for subsistence, owing to depression in the coal trade.

FOREIGN.

GREAT BRITAIN.

Guaranties to Herzegovina—Failed.

LONDON, 3.—A special telegram from Berlin says that the northern powers have invited Austria, as one of the most interested, to frame a proposition for the guaranties to be demanded and the control to be exercised to insure the performance of the Sultan's promise of reform to the insurgents in his vassal states. Count Andrassy is now elaborating such a proposition. It is believed that the Sublime Porte will be unable to suppress the rebellion, and that the great powers will sanction the intervention of Austria next Spring.

John James Ronaldson & Sons, West India merchants, of Mincing Lane, have failed; liabilities three hundred and fifty thousand dollars.

Reception by McCloskey.

Cardinal McCloskey, to day, received prominent Americans; he leaves for Dublin on Friday, and his early departure will prevent the presentation of an address of welcome.

WEST INDIES.

Cargo of the "Uruguay."

HAVANA, 3.—The authorities of Kingston, Jamaica, propose to restore the cargo of the steamer *Uruguay*, under a bond of $5,000, the stipulation stating that it shall go direct to the U. S.; the condition has not been accepted.

HOLLAND.

Steamer Ashore.

ROTTERDAM, 3.—The steamship *Rotterdam*, from this port for New York, is aground in the Meuse.

SPAIN.

The King Will Take the Field—Catalonia Pacified.

MADRID, 3.—*El Cronista* announces that the King will take command of the northern army early in December.

An official dispatch from Martines Campos states that the last of the Carlist rebels in Catalonia, numbering 680, including six commanders, ask for an amnesty. The pacification of the province is reported as complete.
