

TO THE FARMING PUBLIC,

We desire to inform you that we have opened a branch office and warehouse at 101 and 103 Main St., this city, to be conducted under our own supervision, for the sale of the "Osborne Harvesting Machinery," in Utah, Idaho, Montana, northern Arizona, eastern Nevada, and western Wyoming.

During the past five years we have been indirectly identified with the interests of this country, and this step is taken with a view to bringing ourselves as manufacturers in closer relations with our customers, and we trust our efforts in this direction will be productive of good to our patrons as well as ourselves.

We have extensive wholesale and retail departments which will be filled with our Mowers, Reapers and Self-Binders, including a complete line of repairs for the same. These departments are conducted by competent and experienced operators, who will exhibit the various machines to farmers and agents and make them familiar with their operations.

We cordially invite you to call upon us and examine our stock, and whether you wish to purchase or not, we shall be glad to see you and have a pleasant talk.

Active and reliable agents wanted.

Very respectfully,
D. M. OSBORNE & Co.,
Salt Lake City, Utah.

We dare not think our darling dead, We look beyond the sufferer's bed, And know her as in beauty rare, Before we saw her confined there.

Her prattling tongue, her laughing eye, Her footsteps music hastening by, Her dear caress, unselfish love, All drew our hearts as parents prove.

And we shall miss her, feel her loss, Yet bear in faith a God-sent cross; And half in sorrow lay her down To win in heaven a shining crown!

Conscious that when the change is ours If faithful to the Gospel's powers; She will a welcome give, close by The glowing portals of the sky.
