SPRING'S ADVENT.  
This day has been beautiful, spring-like and warm; sunshine all day. Thermometer registered 69 degrees in shade. A few farmers started the plow again today, on the bench lands. Something unusual in this valley. It has been about 12 years since plowing commenced in the month of March.

CASE OF APPENDICITIS.  
Our druggist, Mr. Bridge, has been sick all the week. He has been able to sit up a little today. Last Saturday he was taken down suddenly with a severe attack of appendicitis.

## OUR NEIGHBORS.

## POCATELLO, IDAHO.

## Death from Lockjaw—Socials—Growth and Improvement.

Special Correspondence.  
Pocatello, Idaho, March 7.—Wm. Maselink, the machinist who got his fingers crushed while raising a pair of wheels in the old round house on Saturday morning, died at the hospital in Salt Lake City last Thursday afternoon. March 1st, lock jaw having developed on Wednesday night, from which the poor fellow died about midnight Saturday, the 3rd. His parents came from Idaho, and his wife, which place his brother arrived yesterday to take care of the body.

SOCIALS.  
The switchmen's ball held here on the 2nd was one of the most pronounced successes, financially and otherwise, ever held in the town.

A social or welcome home party will be given on the evening of March 10th, at the home of Mrs. J. W. Hawley, who has just returned from the California mission field, after filling an honorable mission.

The Y. L. M. L. A. gave a hot turkey supper on the 2nd, which was a treat to all who were fortunate enough to attend, and netted the association a snug little sum.

A complimentary musicale lately given by Miss Murphy, daughter of Rev. Murphy, pastor of the Episcopal church, was a very pleasing and profitable event.

LOCAL IMPROVEMENTS.  
Improvements are steadily going on. Houses going up, and others being added to in various parts of town. The railroad, also, has been making extensive improvements the past month in extending its yard tracks, which was made necessary by the continued increase of traffic over its line. Quite a large number of improvements throughout the town are scheduled in the near future many substantial dwellings and two or three business houses are among the number.

Mrs. James Davidson underwent a very critical operation on March 3rd, and is progressing nicely.

Several cases of pneumonia still exist in our midst. It is purely malarial in origin, and is being combated by the local health officer, Mr. W. C. Peterson, is just recovering from a very serious attack. The son of Wm. Bunce, operated on for appendicitis about a month ago, is able to be around again.

## WARD ENTERTAINMENTS.

## Smallpox Situation Improving—Going to Scotland.

Special Correspondence.  
Eureka, March 9.—The strenuous steps taken by the board of health here are already beginning to bear fruit. The smallpox epidemic which threatened Eureka is rapidly abating, and if the number of cases decreases at the present rate, only a short time will elapse before the schools can safely be reopened and the quarantine raised.

The board of health has decided effect on the business of the camp, but as the outlook is somewhat brighter at present, merchants and business men generally expect a change for the better.

Deputy Sheriff Dan B. Cronin, who has been quarantined with smallpox for about twenty days, is again attending to the duties of his office.

Bishop John O. Freckleton has resigned his position as justice of the peace, and will leave in a short time for a mission to Scotland.

SUNDAY SCHOOL SUPERINTENDENCY.  
John Cooper, who has been superintending our Sunday school for several years, has resigned. Daniel Stevens was chosen as his successor. Brother Cooper was always energetic, ready and willing to make any personal sacrifice.

The people of the Twenty-first ward are indebted to the Harmony Glee club for one of the star musical events of the season, which was given in the

## Critical Times for Girls.

The first critical period in a woman's life comes at the passing of her girlhood. In nine cases out of ten where disease fastens itself upon her it does so at the line of demarcation between girlhood and womanhood. How to preserve the daughter's health—how to ward off disease at this crisis is the problem that confronts every mother of girls.

Dr. Williams' Pink Pills for Pale People

are the best remedy to use at this critical period. Read this sworn statement of Mrs. J. M. Riggs, of Cartersville, Mo.

"My daughter Jessie during the winter of 1897-98 suffered a complete breakdown in health. She was thin and pale, had no appetite—in fact, some days barely tasting her food. Those who knew her condition said she was going into a decline.

"On the advice of a neighbor, we began giving her Dr. Williams' Pink Pills for Pale People. The effect on her condition was marvelous. Before she had taken half a box her condition was improved, and she kept on gaining appetite, strength and flesh until she was entirely well. She took three boxes of the pills and today there is not a healthier, more robust looking girl in Cartersville. She is healthier and healthier than ever before in her life."

Subscribed and sworn to before me a Notary Public, this 10th day of October, 1898.

Dr. Williams' Pink Pills for Pale People are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' Dance, sciatica, neuralgia, rheumatism, nervous headache, the after-effects of the grip, palpitation of the heart, pale and sallow complexions, all forms of weakness, in either male or female.

Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent, postpaid, on receipt of price, \$3.00 a box or six boxes for \$15.00 (they are never sold in bulk or by the 100) by addressing Dr. Williams Medicine Company, Schenectady, N. Y.
