

TELEGRAPHIC. WIND AND WAVES.

A Terrible Gale Strikes Mexico, Ala., and Other Places.

RAIN FALLING IN TORRENTS.

Immense Damage Done, but Full Particulars Not Yet Obtained, the Wire Being Down.

MURKIN, Ala., Oct. 2.—A terrible gale struck this section of country, coming from the south, and this afternoon it was blowing over fifty miles an hour. Water was blown in from the Gulf until the river reached flood stage, four blocks from it and an area of about fifteen feet in the main river bottom. All the water-side and a large portion of the small districts of the city is four feet under water, and thousands of dollars' worth of goods are damaged.

Three bridges working on the channel have been lost. Fifty miles of the Louisville & Nashville road and thirty miles of the Memphis & Ohio road have been washed away, the report says. Telegraph communication has been cut off in many places. In the city many houses were uninhabitable, and the smoke stacks of all the manufacturing have been blown down. The streets were so muddy that it was impossible to walk. The business throughout the city is being paralyzed in many ways. The dispatch is that the gale is still blowing, and it is expected to be the worst storm ever known here.

The wind reached its height about 3 p.m., when the wind reached a velocity of twenty-five miles per hour. The rain was falling in torrents, and the streets were so muddy that it was impossible to walk. The business throughout the city is being paralyzed in many ways. The dispatch is that the gale is still blowing, and it is expected to be the worst storm ever known here.

Nothing is heard from the eastern shore, but from the western shore it is reported that the storm is still blowing. At 11 p.m. the storm abated, and the water receded. The business throughout the city is being paralyzed in many ways. The dispatch is that the gale is still blowing, and it is expected to be the worst storm ever known here.

NEW ORLEANS, La., Oct. 2.—The storm which struck this city on Monday night, has done much damage. The business throughout the city is being paralyzed in many ways. The dispatch is that the gale is still blowing, and it is expected to be the worst storm ever known here.

As far as can be learned, twenty-four or more persons in this vicinity were killed, and many more were injured. The business throughout the city is being paralyzed in many ways. The dispatch is that the gale is still blowing, and it is expected to be the worst storm ever known here.

Among the buildings destroyed was the large hotel, which crushed several large buildings in the hall. The business throughout the city is being paralyzed in many ways. The dispatch is that the gale is still blowing, and it is expected to be the worst storm ever known here.

Below the city the results of the storm are far worse. In the vicinity of the city, the wind reached a velocity of thirty miles an hour. The business throughout the city is being paralyzed in many ways. The dispatch is that the gale is still blowing, and it is expected to be the worst storm ever known here.

THE NEXT LONGEST TELEPHONE. The longest telephone line in the world, except that between New York and Chicago, is a line from New York to San Francisco, a distance of about 3,000 miles.

RECEIVER APPLIED FOR. A receiver for the United States court at New York has been applied for by a man named John Doe. The receiver is a small, portable device which can be used in any part of the country.

GENERAL FOREIGN NEWS.

The Terms of the Treaty Between France and Spain.

A French Embassy Official, who has been in Spain for some time, has just returned to France. He has brought with him a number of interesting facts about the country and its people.

PARIS, Oct. 2.—The convention between France and Spain provides for the establishment of a new boundary line between the two countries. The line is to be drawn along the mountains and rivers of the Pyrenees.

THE AMERICAN EMBASSY. The American embassy in Paris is now in the process of being rebuilt. The new building is to be a large, modern structure which will be a credit to the United States.

WASHINGTON, Oct. 2.—The American government has just received a report from the Spanish government that the new boundary line between the two countries has been agreed upon.
