Monday morning, January 6th, at 8:30 o'clock the gong sounds for the starting of another great year's business-the great Annual white Sale at the Walker store is the signal of the New Year's real beginning in western merchandising,

We start the ball a rolling with the most important sale of white goods ever conducted in this city.

Finest undermuslins, handsomest linens, richest embroideries and most elegant white goods in all lines to be reduced—everything in the store that's white will be marked down—save in one or two instances where goods are restricted by the manufacturers.

10, 20, 30, 40, 50 and up to 75 per cent savings realized on new, crisp, fresh white goods---all week.

Remember-everything white-especially undermuslins, embroideries and linens-assortments the greatest, values the best and reductions the most comprehensive we ever offered. Not all lines mentioned here-but enough to show how things will be offered.

Splendid offers on colored goods will be in evidence.

In the embroidery section display.

A gathering of the world's choicest and most exclusive embroideries-a collection unlimited in scope of ideas and almost endless in quantity-every new, tetching design originated for the coming season in variety unbounded.

Our display last January, still remembered by Salt Lake shoppers, far surpassed by the choice aggregation of beau tiful pieces we have brought here for you this season.

And the reductions-just read a few of them-glance through the assemblage in our windows, then come in and see the exhibit in the department-you'll purchase your spring lingeric here-we feel certain.

Especially attractive are the new Filet designs, flounces and insertions to match, very exclusive,

The dainty Swiss edgings and insertions for summer dresses and baby's wardrobe are exceedingly enticing. Then the splendid assortment of those good heavy, durable embroideries for underwear, the all-overs, etc.

This list quoted to show why the Walker January embroidery sale is such an attraction.
