POLICE BUSY AFTER CROOKS

Valuable Jewelry Recovered—Hat Thief Caught—Stanley Home Burglarized.

DEATH OF NIELS ANDERSON.

Honored Citizen of 92 Passes Away at His Home in Huntsville—Fourth In Ogden Valley.

Ogden, July 1.—In the arrest last evening by Sergeants Tout and Pincock of Jim Hay, the police believe they have a member of the gang which is doing so much "room working" or burglarizing of rooms of late. Hay was released from custody only yesterday morning after serving a term for larceny in the city jail. Last evening the officers were notified that a man was trying to sell some good jewelry on lower Twenty-fifth street. They responded and soon picked Hay up with the goods in his possession. He had a fine gold brooch, set with between 30 and 40 pearls, a ring set with pearls, several cheaper rings and other jewelry. The officer gave the officers a good account of how he came in possession of the stuff, which is worth at least \$150. The police think he either burglarized some place yesterday, or the jewelry was cached by others, and he was told of it, and tried to sell it for the gang. An effort will be made to find the owners of the property, so he can be prosecuted.

Word has been received by the police from Cochrane, Nev., that a passenger named Miss Friend, of Bingham, Cal., while passing through Ogden lost her satchel containing jewels. Some sneak thief entered her Pullman and carried off her valuables, worth \$250. The jewels found on Hay are presumed to be part of the lost taken. A suit case belonging to Mrs. R. Chambers was also taken.

HAT THIEF CAUGHT.

A man who gives his name as Daley was arrested at 12 o'clock yesterday by Sergeant Chambers. He will be charged with burglary. A report was sent to the police early yesterday morning that a number of new hats were cached in the weeds at the rear of the Ogden pelt house. Sergeant Chambers went to the place and found the hats, then took his place in hiding in some brush near by, where he could keep his eye on the hats. About noon he observed a man go near the brush and walked away. The officer gave chase and followed him for several blocks, then the fellow dropped the hats and ran down near the round house. He was caught, and taken to the police station, where he would shoot him. Chambers got a man to drive him with a wagon to near where Daley was hiding among some cars, then he took him and arrested him. He had a pistol in his pocket and would have shot the officer, no doubt, had not the latter been prepared for him. The goods, it is claimed, were stolen from a box car in the depot freight yard.

CHIEF BROWNING HOME.

Chief of Police Thomas E. Browning and his son Dow, who have been touring the east and attending the national convention of chiefs of police at Norfolk, Virginia, returned yesterday afternoon having greatly enjoyed their trip. The chief says the convention was largely attended, and many matters of benefit and importance to police regulations came up for discussion. One measure which was adopted that will be of great benefit in keeping in close touch with the criminal element, was the decision to establish at Washington, D. C., on Jan. 1, 1908, a bureau of identification where the pictures and description of all criminals and their full record will be kept, from all over the United States. The expense of keeping up the bureau will be paid by the government.

DEATH OF NIELS ANDERSON.

On Sunday morning, June 30, Nils Anderson, an esteemed citizen of Weber county, passed away at his home at Huntsville, in his ninety-second year. He was born in Baskbak, Sweden, Feb. 14, 1816, and embraced the gospel as taught by the Latter-day Saints in 1841, and was baptized in 1842. He came to Utah in 1842, crossing the plains by ox teams. They first stayed in Mill Creek, lived in Farmington a year or two, and then settled in Ogden valley in 1848, where Mr. Anderson took an active part in the building up of the town. On leaving Sweden he expended all of his available means to assist the poor to emigrate, and received little or no return. He and his wife had no children, but they adopted as their own Edward H. Anderson, now of the Improvement Era, and brought him with them to America. The funeral will be held in Huntsville Tuesday, July 2.

KNOWS DIVORCE SUIT.

Bernard G. Knott, the druggist, has filed suit in the Second district court for divorce from Blanch L. Knott, alleging desertion without cause. The couple were married at Ogden City, May 2, 1888, but separated about two years ago. They were among the most prominent society people of the city. A year ago Mrs. Knott commenced an action for divorce against her husband. The case was duly tried by Judge

Howell and the decree refused, because of her failure to substantiate her allegations. Soon afterwards she left Ogden and has never returned, hence Mr. Knott now seeks a dissolution of the bonds of matrimony existing between them.

During the past year he has been one of the instructors at the B. Y. college, Logan, and the officers of that institution regret having to lose him.

Wm. N. Peterson who has been county superintendent of schools for two terms, had done much to raise the county schools to the standard of the new county. Especially has he worked energetically in the consolidation of the county schools into one district, a move that has proven very successful. He has been chosen as principal of one of the city schools, a position he occupied before being elected superintendent.

EUREKA.

WM. PRICE JONES IS DEAD.

Pioneer of 47 Close Eventful Career—Fine Program for Fourth.

Special Correspondence.
Eureka, June 28.—William Price Jones died at his home in this city early this morning of pneumonia, after a brief illness of two days.

The deceased was 75 years of age. He was born in Birmingham, England, and came to America when a boy, arriving in Utah in 1847. After joining the Church of Jesus Christ of Latter-day Saints when a young man, he passed through many hardships along with other pioneers that were instrumental in forming the commonwealth of the state. Mr. Jones was a member of the small party sent out by the Church to open a trail to the Pacific coast, and these pioneers were the first to travel over the route that is now traversed daily by the trains of the San Pedro railway. It will be remembered that when this railway was completed, the surviving members of this band of "trail blazers" were invited to take a trip to the coast as the guests of Senator Clark, and Mr. Jones made the trip with others of the pioneers. He was a faithful member of the Mormon Church up till the time of his death.

The deceased has been a resident of Eureka for the past 13 years, and he had a good citizen and his demise is sadly regretted by many friends and acquaintances in this part of the state.

A wife and four children residing here, and six children by a former wife, living in different parts of the west.

The Seventy and Elders hall will now be used for high school purposes and the Park school for Relief society work and a ward amusement hall.

The first year and a half was spent in the Western States mission, in Denver and Manitou Colorado, after which she was transferred to the Northern States mission, laboring in Nauvoo and Chicago. Their Future Settled so Far as the War Department is Concerned.

Washington, June 29.—The question of the future of the Ute Indians, who left their reservation last winter and have been held by the military at Fort Meade, S. D., has been settled as far as the war department is concerned, according to Secy. Taft. He found that the army officers had adjusted the matter for themselves by giving the Indians enough food supplies to last them to the end of the fiscal year, placing them upon the Cheyenne river south reservation and turning an Indian bureau so that they would return to its charge after that date.

Taft's Summer Plans.

Washington, June 29.—The developments in Oklahoma, following the vacation by the supreme court of Judge Panoast's injunction restraining the officials of the constitutional convention from holding an election with the consequent change in the program of the Republican managers in the state, have given Mr. Taft's plans for the summer uncertain. He will decide in a day or two whether he can speak in Oklahoma at the earliest date set for the Republican convention. His present plan is to remain in Washington for a few days, setting his business in order, and then going to his summer home at Murray Bay, Canada, for a rest.
