# SALT LAKE SADDLERY CO.

As a manufacturing center Salt Lake City occupies a very high place among all western cities and in some lines its outputs is very large yearly, while the productions are recognized as being superior to any found on this market. This is especially true of the harness and saddlery goods manufactured by the Salt Lake Saddlery Co., and the demand for these throughout the intermountain region is immense and con-tinually growing. The company was incorporated in 1895 and is under the able management of Mr. H. W. Brown and Mr. T. R. Black. The proprietors, both of whom are experienced men at the business, strictly honorable and upright in their dealings. Their office and spacious factory are located at 17 west Second South street, and the latter is equipped with the best modern machinery, tools and accessories and a large staff of expert help is employed. In the manufacture of their goods they use only the best leathers and trimmings and they manufacture on a very mings and they manufacture on a very large scale light and heavy, single and double, harness, saddles, bridles, col-lars and kindred lines and their pro-ductions are perfect in material, finish and workmanship. Their price quota-tions are close and their terms liberal, while all orders are accurately filled and promptly shipped. The trade covers Utah, Wyoming and Idaho and three traveling salesmen are constantly on traveling salesmen are constantly on the road.
