LAKE BONNEVILLE.

The Body of Water Which Once Filled the Great Salt.

PHOTOGRAPHER BY THE SHORE LAKES.

Notes of the Great Salt Lake's Rejuvenation by the Present Age.

At the early hour of five o'clock on a bright sunny day the morning of the 19th of April, 1905, I was in the boat on the shore of the Great Salt Lake. The water was very clear and the sky was very blue. I was very much interested in the view of the lake and the surrounding country. The water was very clear and the sky was very blue. I was very much interested in the view of the lake and the surrounding country.

THE BEACON.

The Beacon is a small structure on the shore of the lake. It is built of brick and has a small roof. It is used as a marker for the boats. The water is very clear and the sky is very blue. I was very much interested in the view of the lake and the surrounding country.
