

**PRETTY GOOD.**—Why is it trying on de nerbus sister to visit de Deseret nurse office? Kase you had to take two Cannons and take a Bull by de nose. —*Up a Pothole.*  
Yes, but our Cannons are not explosive, and the Bull is gentle, when you pat him. —*Local.*

**THE WEATHER.**—Last night it froze hard again. To-day the sun shines brightly. By Deseret Telegraph Line.

Logan; cold and foggy; hard frost last night. Springville; clear; froze very hard last night. Payson; very fine and pleasant; air clear and frosty; cold.  
Nephi; clear and pleasant.  
Mount Pleasant; clear and fine.  
Round Valley; clear and pleasant.  
Beaver; quite pleasant; snow three or four inches deep. The nights are very cold.  
Parowan; very clear and beautiful; sun shining quite warmly. Last night was the coldest this winter.  
St. George; clear and warm. Thermometer 45.

**THEATRICAL.**—"Time Tries All" was neatly performed last night, the honors being fairly shared among the characters. The "Forty Thieves" gave much delight, especially to the younger portion of the audience, although it did not go so smoothly as we have seen it. The costumes, appointments, scenery, and everything connected with the mounting of the piece, were all that could be desired.

To-morrow night Mr. Margetts takes his benefit, when the "Writing on the Wall" will be produced for the first time here. It is a three act Melo-drama, in which the grave and gay are well and fairly blended, the circumstances surrounding Margaret, Harlowe, Lady Elton and Tobias eliciting sympathy; the course of Sir Philip exciting a feeling not favorable to him; the villainy of Oliver claiming a desire to see him receive justice; while the repentant Smithers, and his equestrian niece, Carlotta Smitheral, are good adjuncts to the irresistible comedy of Mr. Ferguson Trotter, the would-be farmer, and his Model Farm. This last is a scene so ludicrously unique, that, when fairly presented, brief description would do it injustice; it should be seen to be appreciated. The Melo-drama is a very attractive one. Miss Nunn will sing; Miss Olive will dance; and Mr. Dunbar will give one of his irresistibly comic Irish songs, after the play. The farce we need not, and could not if we would, describe, as the imitations introduced into the "Widow's Victim" are the body of it, and we are promised some "rich, rare and racy," there being no lack of chances to give excellent ones since last the farce was presented. Altogether a very fine entertainment, and with the known popularity of Mr. Margetts, we shall be disappointed if there is not a crowded audience.

**Council.**—A communication was received from the House informing the Council of their concurrence in the amendment of an Act changing the name of Great Salt Lake City and County to Salt Lake City and County.

An Act changing the name of Richland Co. to Rich Co. was read the third time by its title and so passed and sent to the House for their concurrence.

Councillor Carrington presented a report of the Territorial Road Commissioner which was read to the Council.

The House notified the Council that they had passed an Act changing the name of Richland County to Rich County, with amendments. The bill to incorporate Deseret City was passed as amended.

An animated discussion on cattle drives, in which several of the members took part, occupied the Council for some time.

**House.**—Petition of Peter Rasmussen and sixty others, citizens of Salina, Sevier Co. for indemnification for the loss by Indian depredations, was presented. Read and referred.

The Chairman of the Committee on Revenue, returned the petition of B. K. Bullock, R. A. Allred and the Assessor of Sevier Co. for abatement of taxes, recommending their being referred to the Special Committee, which the House complied with.

The Green River ferry charter was returned to the table it being deemed inexpedient to legislate thereon.

A message was received from the Council, announcing their passage of an Act changing the name of Richland County to Rich County. Said bill was passed.

An Act to incorporate Deseret City, Millard Co., was passed.

An Act in relation to interest and damage was taken up, read and referred to Committee on Judiciary.

The Judiciary Committee reported back substitute for said bill, which was laid on the table.

The bill changing the boundaries of Coalville City, in Summit County, and for other purposes was passed.

House adjourned till to-morrow at 1 p.m.

**DIED.**—In Brigham City, on Sunday morning 19th inst., of lung complaint, Eliza, wife of William Gilbert, aged 22 years, 10 months and 9 days.

Deceased was truly one of the most exemplary and lovely of her sex, as well in her profession of membership in the Church of Jesus Christ of Latter-day Saints, as in the social relations of wife, mother and friend. The day previous to her death, she was conveyed, at her own earnest request, to the residence of her mother, Sister Wm. C. Thomas, at the Brigham City Hotel. Wholly conscious of her approaching and speedy dissolution, she calmly matured every proper disposition of her affairs, and to the hour of her departure retained possession of all those refined, intellectual qualities which marked her life. Her last words were, "Father, shake hands with me. Mother, kiss me for the last time on earth. I bid you all farewell. I have a clear conscience. I have never injured a person in my life."

She was a native of Carmarthenshire, South Wales, came to Utah with her mother in the fall of 1855; was baptized in Brigham City at the age of 8 years; and has gone to join the sanctified who await the redemption of their bodies, leaving a husband and three small children to deplore their early bereavement of a dutiful and loving wife and mother. She was interred on Monday afternoon, a numerous concourse of friends following her remains to the grave; funeral services were previously held at the house of Bro. Thomas, and a very consoling and instructive discourse was delivered on the occasion by Elder James McKnight. —*Cox.*

## Special Notices.

President Heber C. Kimball understands that there are many in this city and in other places adjacent, who have wool to card. He has put up a stove and has the place where his two double carding machines work, in the 19th Ward, near Pugsley's mill and the Ward Meeting House, fitted up so that carding can be done occasionally when the weather moderates. He also has David Le Baron to work them—a man whom the people know to be honest, for he has been well known among them for many years. He can cheerfully recommend Mr. Le Baron as an honorable man, who has always given satisfaction to his customers when running machines for him. People bringing wool can have it done when they bring it, if there is enough at the machines to run a day. Bring grease as usual, say one pound to seven.

If the people will not bring wool along to be carded, the place will be closed.

We must again refer to Mrs. White's success in her teaching music by "Robbin's American Method," as encouraging to all desirous of becoming acquainted with the art. One of her pupils in this city, a boy under 11 years of age, in three weeks tuition, without having any previous knowledge of music, was able to write his own accompaniments. All things considered, this is astonishing. It would be an excellent thing if some of our best musicians would obtain a knowledge of her system, especially those who play the piano and organ, for without doubt a better knowledge of music can be obtained by it in a few months, than by years according to the old system. The application of thorough Bass, or Harmony, to the Piano and Organ, is a point that should not be overlooked.

## PUBLIC NOTICE.

YEAR 1868.

WE return our sincere thanks to this People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of Goods east, we have determined to offer our Stock at a heavy Discount for

CASH!

We will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap.

A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Saucers, Glassware, Castors, &c., &c.

ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get hold of "Ten Dollars," a chance to buy Goods Cheap.

COME AND TRY IT.

WHY DO WE OFFER THESE TERMS?

Because we are like most of our neighbors, wanting money badly.

Ross & Barratt
