Paul Schmidt of San Francisco  
Fires Four Shots Into Josephine  
Meade, Killing Her.

### HE THEN BLEW OUT HIS BRAINS

They Had Been Acquainted Several  
Years—His Attentions Were Dis-  
tasteful to Her, Hence the Crime

San Francisco, Oct. 15.—Shortly after noon today Josephine Meade, a young woman who came from Los Angeles three weeks ago to attend college at Berkeley, was shot and killed by Paul Schmidt, as she was approaching her lodging place in 1816 Laguna street. Immediately after shooting the girl Schmidt walked a short distance down the street and, placing his pistol to his head, blew out his brains.

On leaving the house Miss Meade was met by Schmidt, who had been waiting in the neighborhood for some time. Miss Meade and Schmidt adjourned to a nearby grocery, where they stood for a few minutes, Schmidt talking earnestly and with many gestures. Miss Meade stepped away from him and again a nearby grocery, where they stood for a few minutes, Schmidt talking earnestly and with many gestures. Miss Meade stepped away from him and again a nearby grocery, where they stood for a few minutes, Schmidt talking earnestly and with many gestures. Miss Meade stepped away from him and again a nearby grocery, where they stood for a few minutes, Schmidt talking earnestly and with many gestures.

Miss Meade came here three weeks ago. She was a quiet girl and had no callers all the time she lived with me. No one ever inquired after her, and I am of the opinion that a fanatic committed the deed," said her landlady.

"She came here from Boston intending to go to Berkeley. She was here one day, and then received a telegram from her uncle in Los Angeles. After reading the telegram Miss Meade said she did not know whether she would be able to continue at Berkeley or not until she had seen her uncle, who was coming to the city. Miss Meade received the telegram from her uncle two weeks ago, and after she saw her uncle her plans were undecided."

A Los Angeles dispatch says: Josephine Meade was well known here as a teacher in the public schools. Up to near the close of the school year, 1901 she was employed as teacher in the Twentieth Street school. She resided at 2909 Compton avenue, boarding with a private family.

Miss Meade's departure from Los Angeles was caused by the unwelcome attentions of a man whose name has not yet been learned. For several months he persecuted her and insisted that she marry him. When she refused he threatened to kill her, and in fear of her life she gave up her position and left for the east. At the time of the shooting she had been in Los Angeles for three weeks.

The local situation was fully set forth in last night's "News." Upon a promise of a raise of \$5 a month all along the line the men have agreed to treat with the company as individuals and not as a union. In consequence there is no strike and all are satisfied.

## The Start

In married life is generally made on an equal footing of health in man and wife. But how soon, in many cases, the wife loses the start and fades in face and fails in flesh, while her husband grows even more rugged and robust.

There is one chief cause for this wife's failure and that is, the failure of the womanly health. When there is irregularity or an unhealthy drain, inflammation and ulceration or female weakness, the general health is soon impaired.

Dr. Pierce's Favorite Prescription cures womanly diseases. It establishes regularity, drives unhealthy drains, heals inflammation and ulceration and cures female weakness. It makes weak women strong and sick women well.

"A little over a year ago I wrote to you for advice," says Mrs. Elizabeth J. Fisher, of Diana, W. Va. "You advised me to use Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,' which I did, and with the most happy results. I was troubled with a nervous headache and bearing-down pains. Had a very bad pain nearly all the time in my left side, nervousness and sleeplessness. Was so weak I could hardly walk across my room. Could not sit up only just a little while at a time. My husband got some of Dr. Pierce's medicine and I began its use. Before I had taken two bottles I was able to help do my work. I used three bottles in all and I cured me. Now I do all my house work. It is the best medicine I ever used."

The Common Sense Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Wichita, Kan., Oct. 15.—The Pacific Express company today struck at 6:30 p. m. They demand the same wages as Wells-Fargo and Adams Express company employees get.

Portland, Ore., Oct. 15.—The employees of the Pacific Express company at Portland did not work today. The representative of the company here stated tonight that he believed all the men in his employ were satisfied with the present treatment and he had no reason to believe that there were any others who would leave the company's service.

Kansas City, Oct. 15.—The employees of the Pacific Express company today went on strike tonight for increased wages. Ninety men are involved.

Denver, Colo., Oct. 15.—Regarding the strike of the employees of the Pacific Express company, General Agent R. A. Leimer said tonight:

"So far as I know, there has been no strike of the employees of the Pacific Express company in this district. I have no other office in Colorado employing our own men. At other points we work in conjunction with other companies. The total number of our employees in Denver is less than 20, and I do not believe that one-third of that number would go out should a strike be declared here."

The local situation was fully set forth in last night's "News." Upon a promise of a raise of \$5 a month all along the line the men have agreed to treat with the company as individuals and not as a union. In consequence there is no strike and all are satisfied.

**Cleveland on Education.**

Chicago, Oct. 15.—Ex-President Grover Cleveland was received with ushers by the students of Armonk institute today. He made a speech, in which he said:

"I am a great stickler for higher education, but I wonder what you think of the opportunities today as greater than ever for boys to get practical education, an industrial education—and I would rather my own boy grew up able to build a great bridge than to be a bridge to receive the highest honor that the people could bestow upon him. I hate to hear persons talk in a pessimistic strain to the effect that the day of opportunity in this country has gone by and that the chances for a young man to rise by his own efforts have passed away. It is not true. There is room at the top and there always will be."

**Oil Gushers in Galicia.**

"The murder of my mother is not the first one committed by my father," said the accused. "In Bohemia, where I was born, he killed his own mother, too. He became enraged at my grandmother and struck her a vicious blow. For three weeks she suffered and finally died. My father was never punished for that crime."

Attorneys for the defendant told the jury they would make no denials of the charge that the defendant killed his wife, but would seek to prove him insane.
