Solid Merit will Tell.

For all the bitter opposition of jealous rivals, no better illustration could be had of this fact than the immense sale already attained by the great Throat and Lung Remedy, Dr. Aug. Kaiser's German Elixir. For the cure of Coughs and Bronchial Affections, it is truly wonderful, and those suffering from Consumption in advanced stages find great relief, and numbers of patients have found, to their delight, not only relief but cure. It being perfectly harmless, makes it at once popular with mothers, who of all others have felt the necessity of such a medicine. The genuine beats the Frenchian. Cough of Arms, the fac-simile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. A trial size may be had for 25 cents.

For sale, wholesale and retail, by the Z. C. M. I. Drug Department and Moore Allen & Co., Salt Lake City. d238 w29

HALL'S VEGETABLE SUCRINE HAIR RENEVER is a scientific combination of some of the most powerful restorative agents in the vegetable kingdom. It restores gray hair to its original color. It makes the scalp white and clean. It cures dandruff and humors, and falling-out of the hair. It furnishes the nutritive principle by which the hair is nourished and grows. It makes the hair moist, soft and glossy, and is unsurpassed as a hair dressing. It is the most economical preparation ever offered to the public, as its effects remain a long time, making only an occasional application necessary. It is recommended and used by eminent medical men, and is fully endorsed by the State and is daily used by the State Assayer of Massachusetts. The popularity of Hall's Hair Renever has increased with the test of many years, both in this country and in foreign lands, and it is now known and used in all the civilized countries of the world. For sale by all dealers.

THE Millennial Star will be mailed to any address, on receipt of the publishers of \$2.10. Three copies will be forwarded for \$4.20, the reduction being on account of the difference in postage. Address: William Budge, 42 Wellington Street, Liverpool, England.

MR. FELLOWS is daily in receipt of letters of inquiry, from various parts, respecting his Syrup of Hypophosphites. One recently received leads to the belief that the public mistake his meaning in reference to its effect in imparting superior energy to the mind. Where the intellect has been impaired by overwork or by kindred causes, the use of the Syrup, together with proper precautions in the use of food, clothing, exercise and rest, will restore full power to the brain and nerves. Superiority of genius consists in great capacity of brain for assimilating material from every quarter, and of developing in proportion, but as by far the greater number are not well endowed by nature, consequently lacking this capacity, it would be quite impossible to find cranium space for the necessary material for such a brilliant genius. Hence, although the Syrup will assist in restoring the mind which is lost, it cannot change a natural born idiot into an intelligent man.
