CITY LIGHT PLANT ENLARGED.

Edward Tipton Victim of Spotted Fever—Fine Crop Outlook.

Special Correspondence. Logan, Cache Co., July 1.—Messrs. Salisbury, Thomas, Watson and Tanner of the state board of equalization met Friday in Logan. They held a meeting with the county commissioners and examined the county tax rolls for the year. They found the increase in the county assessment after all abatements had been made was nearly a million over 1905. It developed also that the valuation of cattle and horses in the county average higher than in any other county in the state. In the afternoon the visitors were taken to the Agricultural college, and spent several hours looking over that institution.

CITY LIGHT PLANT EXTENSION.

The new unit of the city light plant is installed and will be put in operation Monday. It is now very probable that the city will make the price made by the private company and reduce the price of 35-cent lights to 18 cents per month. It is also understood that it is the intention of the city fathers to add 500 or 600 lights to the street system. It is expected also that an arrangement will be entered into with Providence for lighting that town.

HINCKLEY.

BRILLIANT CAREER CLOSED.

Alexander W. Wright Answers Sudden Summons at 46. Special Correspondence. Hinckley, Millard Co., June 26.—A groom was cast over the people of Hinckley by the sudden death of Mr. Alexander W. Wright at 46 o'clock p. m. June 26, 1906. Deceased was a well known citizen, and was well liked by all who knew him. He stopped and was seen driving a rabbit over the front mountain and to suddenly fall to the ground. As he did not get up friends went to his assistance and found him to be unconscious, but by vigorous work succeeded in reviving him so that he could talk. He was taken to his home only a short distance away, and with assistance was brought into the house. In a few minutes after reaching the house he suddenly fell motionless, and it was not until he had been dead some time that it was discovered that he would be called before even that. Mr. Wright had attended to the duties of his business affairs, and a thing was understood by his family. Mr. Wright was the son of Alexander Wright and Hannah Walters, and was

MARATHON RACE A FEATURE.

Records Are Crowded Forward in Many Events, Until Utah's Marks Look Very Slow.

WHAT THE SEASON OF 1906 HAS DONE TO DEVELOP MARKS IN AMATEUR ATHLETICS IS WELL EXEMPLIFIED IN THE ANNUAL MEETING HELD AT CHICAGO.

The best season of 1906 has done to develop marks in amateur athletics is well exemplified in the annual athletic union meet held at Chicago. In this meet the speediest man developed this year, both in colleges and in Y. M. C. A. clubs and other athletic organizations, got together, and mixed for new records. The meet developed one unique thing, at least, and it was the fact that records which a year or two ago would have looked wonderful failed to get distinctive notice from the fact that other better records have made the high water level.

THE TELEGRAPHIC ACCOUNT OF THE MEET WITH SUMMARIES IS AS FOLLOWS:

FEATURED BY A MARATHON RACE WON BY THOMAS J. HICKS OF BOSTON.

The Central association of the Amateur Athletic union held a record-breaking meet at Marshall field here today. The National A. A. U. mark, the discus throw, was broken, eight central association records were bettered and two of the latter were set by the Chicago Athletic association, made up of athletes from all parts of the middle west.

THE BASEBALL SITUATION IS BETTER THAN EVER IT WAS BEFORE.

PER CENTAGE IS CLIMBING.

IT MAKES VICTORY SEEM AN OLD, OLD STORY, INSTEAD OF A UNIQUE AND RARE NOVELTY.

HOW THEY STAND.

Table with columns: Won, Lost, P.C. (Percentage). Rows include Salt Lake, Ogden, Park City, etc.

THE BASEBALL SITUATION IN UTAH IS BEING CONSIDERABLY SHAKING UP IN THE PAST FEW DAYS.

The Salt Lake hoodoo seems verily to have lifted, and the victory tird that has perched at intervals in the Salt Lake camp seems to have selected it as summer headquarters, and has gone to producing some cures for sport.

The good work started Saturday when Ogden was trimmed in a close game that seemed to be in Ogden's favor so far as hard work to win went. The teams were 3 to 3 when the ninth was called, and were 4 to 1 when the last half was over. Hixson, pitching for Ogden, fanned the first two Salt Lakers, and began to look like an indelible proposition when Page connected with the third strike on him, and sent a hot liner to third, handling himself safe at second. Gunn came up for a single and Page landed home for the winning run.

SALT LAKE TAKES ANOTHER.

Yesterday Salt Lake took another for the good part column by trimming Park City, which Clinch was showing his Ogden bunch is not so bad after all, by beating Eureka in a life and death struggle that lasted half a game overtime.

At Salt Lake Park City proved easy picking and the score was 10 to 3, the Park City three being made one at a time at long intervals. A new "short" from Northwest, Drew by name, was on the receiving end of the trouble, and fell down in his first game, so far as reputation counts. Berry of Park City was the batting terror who brought in Park City's score on two of the three counts.
