Religious nourishment is doled out to the citizens of St. Louis from perhaps a dozen and a half churches. The rest are "closed for the summer," and their pastors are at the fashionable watering-places, or somewhere in the mountains. In these sacred edifices, in which the voice of prayer and praise is heard once every Sunday, what is called a "supply" drones from the pulpit homilies which we fear were written many winters back, when the

The Journal des Debats says, "The advocates of woman's rights, however imuch attached to thair habby, can hardly read, without amiling, the following, from the list of arrivals at Baden-haden:
"Madame Rosa Schroiber has arrived, with her husband, child and maid."

maid."

mard did not present his pistol at Scott as if for the purpose of taking direct aim, but merely nourished it around his head.

Dr. Hamilton described Grant's wound. The built entered near the fifth rib, passed through the cavity of the chest and came out about two inches from the spinal column. The chances were rather against than in favor of his recovery.

A fastidious young lady in Chicago broke an engagement because her lover stained her sash and the back breadth of her dress suit with tobacco juce. The discarded lover now taunts her for her pride. rather be a wild turkey, and live my life out on the prairies, than be a tame turkey and be killed every

"Oh, you old devil, I've caught you at last!" was the exultant remark of a Fort Wayne matron who had been greatly annoyed by the depredations of a neighbor's cow upon her flower garden, as she sallied from her ambash, broomstick in hand, just as her pastor rattled the gate-lock in making her a friendly call. She was absent from her pew in church next Sunday, when the subject of the discourse was "The Unruly Member." intended to make them use them or take back what they had said. After that a person informed witness that Scott's life was in danger, and he went out of the sa-loon and was followed closely by Grant. He saw Maynard flourishing a pistol over Scott. Saw the two last named persons strike each other. Heard the two shots fired, but did not see who fired the first one. He then saw a pistol himself but did not point it at any one. Maynard might have seen witness pistol.
