SHALL POLYGAMY BE "PUT

"We would say to these people, much wronged and persecuted as ance to the law by violence or at-

This counsel being offered in all sincerity is worthy of respectful consideration. The reasons offered by the Herald why this advice should be adopted are given in atother article, as follows:

"They should banish polygamy into immediate abeyance and hold it there, for two main reasons: "1. It is at irreconciliable war

with the public opinion and spirit of a Christian age and country. "2. The practice of it is a crime under our laws which have been judicially interpreted."

The first of these prepositions contains no argument against the feature of our religious system the age and country" in which it esteem, and is held as view with Capt. Wm. H. Place, who went to Nicaragua for Vanoriginated. It was also regarded as their provider and protector. the age and country" in which it esteem, and is held as

to-day? the spirit of the age and country in the derision of devils. If this candidate. Inc. F. Smith, than which it was developed. Every is what the Herald means by prophet, sage and reformer who has the banishment of polygamy by far seeing political manager in the startled the world with a doctrine the "Morm ns," we can assure its will vote as he desires. That he or an idea novel to his time, has editors that such counsel will be will support Cornell is now a forehad to meet the opposition of the not only rejected but detested. If gone conclusion, whatever his proexpounders and representatives Herald or any other adviser of the of orthodoxy. To throw aside same thing mean by our ceasing to formed politicians at Baratoga, bea part of a creed which we firmly believe to be of divine origin, to opinion denounce?

The future marriage relations be the result afterwards, been divinely commanded to as- that may be contracted will be inabeyance' because we who believe statute of Congress, which in it are a small minority! It would be the course of a set of poitroons declares to be valid. He takes the

Noah tablish the feet and influence of again asking aid for the feverwhatever upon our course. Noah tablish the fact and inflict the pun-stricken people becomes more and was opposed by a world. If he had sehment. But let a nation steeped more apparent. truckled to the bigots of his day against whose cast-iron creed his majority, are seeking to establish a the debutante, who created a barehis weakness while it condemns his they may be considered, are at Haverley's theatre opened on Monpersecutors. Peter the Apostle, least earnest and sincere. singing in the jail at Philippi or bleeding on the cross at Rome, was a far better example for the Latterday Saints than Peter, the fearful, denying his master in the hall at Jerusalem.

If a man or a society should relinquish a principle or a practice on the simple ground that it is obnexious to the majority, every sect, party and organization but been visiting Long Branch, Sarathe one with the greatest num-ber of disciples should be dis-ticians congregate, says he is satis-fied that the drift of sentiment organized, and religion and politics, thought and action be dominant creed. Progress would then be effectually arrested, and the world would settle into inertia the world would settle into inertia democratic presidential ticket. The and stagnation. Such considera-tions as are set forth in the *Herald* proposition number one, should not and will not have any influ-

of polygamy is judicially derather, Congress has made it Conking Custom House delegates a crime for any man in a Territory to marry a wife while he has another wife living. It is he has another wife living. It is have some 18 or 20 out of 68 deleno crime under the laws to marry a wife and live with others carnaily; no crime to seduce women and cast them off, no crime to beget children without a claim on the father for recognition or support. The crime consists in marrying more women than one, and making them wives, instead of marrying one wife and keeping other.

The crime and keeping other is an analysing one wife and keeping other in come forward and unite all factions at last.

The crime is the first time for years that the machine has been so much broken, usually a fall Custom House delegation being chosen. While the Cornell men say Cornell will be nominated on the first ballot, his opponents declare the candidate will be anybody but that gentleman, and that the dark horse, after Levi P. Morton, will come forward and unite all factions at last.

Emma Abbott with the English Opera Company opens the Grand Opera House on the 8th instant, with "Paul and Virginia," in which Tom Karl and William Castile alternate in the character of Paul. Miss Abbott and Mrs. Sequin will fill the other principal roles.
