WANT SCHOOL TAX RAISED

Provo, Utah Co., March 17 .-- County superintendent Brown and a large dele-

gation of trustees, representing the various districts of the county, appear-

ed before the board of county commis-sioners yesterday and asked the board

to raise the courty school tax levy from two to four mills. The petitioners de-sire this advance for the purpose of dis-tributing more equitably the taxes re-

ceived from the corporate property, and it was argued that by raising the

county tax levy it would enable the districts to reduce in a proportionate

amount the local tax. Figures were given to show that the

corporate property of the county is to a great extent located in districts that

give more money for distribution in dis-

tricts having a large school population

"DEAR MRS. PINKHAM: --- I feel it my duty to tell all young women how much Lydia E. Pinkham's wonderful Vegetable Compound has done for me. I was completely run down, unable to attend school, and did not care for any kind of society, but now I feel like a new person, and have gained seven pounds of flesh in three months.

"I recommend it to all young women who suffer from female weakness." - MISS ALMA PRATT, Holly, Mich.

FREE MEDICAL ADVICE TO YOUNG GIRLS.

All young girls at this period of life are earnestly invited to write Mrs. Pinkham for advice; she has guided in a motherly way hundreds of young women; her advice is freely and cheerfully given, and her address is Lynn, Mass.

Judging from the letters she is receiving from so many young girls Mrs. inclined to the belief that our girls are pushed altogether too near the limit of their endurance nowadays in our public schools and seminaries. Nothing is allowed to interfere with studies, the girl must be pushed the front and graduated with honor; often physical collapse follows, and it takes years to recover the lost vitality,-often it is never recovered.

"DEAR MRS. PINKHAM : - I wish to thank you for the help and benofit I have received through the use of Lydia E. Pinkham's Vegetable Compound and Liver Pills. When I was about seventeen

years old I suddenly seemed to lose my usual good health and vitality. Fafler said I studied too hard, but the doctor thought different and prescribed tonics, which I took by the quart without relief. Reading one day in the paper of Mrs. Pinkham's great cures, and finding the symptoms described an-swered mine, I decided I would give Lydia E. Pinkham's Vegetable Compound a trial. I did not say a word to the doctor; I bought it myself, and took it according to directions regularly for two months, and I found that I gradually improved, and that all pains left me, and I was my

YOUNG FORGER CAUGHT.

One of the essentials of the happy homes of to-day is a fund of

information as to right living and the best methods of promoting

health and happiness. With proper knowledge, each hour of recreation, of enjoyment and of effort may be made to contribute

to that end and are of not less value than the using of the most

wholesome foods and the selecting of the best medicinal agents

when needed. With the well-informed, medicinal agents are used

only when nature needs assistance and while the importance of cleansing the system effectually, when bilious or constipated, has

long been known, yet until within recent years it was necessary to resort to oils, salts, extracts of roots, barks and other cathartics

which were found to be objectionable and to call for constantly

Then physicians having learned that the most excellent laxative

This excellent remedy is now rapidly coming into universal use as the best of family laxatives, because it is simple and wholesome and cleanses and sweetens the system effectually without disturbing the natural functions and without unpleasant after effects and its use may be discontinued when it is no longer required.

All who would enjoy good health and its blessings should remember that it is the one remedy which physicians and parents well-informed approve and recommend and use and which they and their little ones alike enjoy, because of its pleasant flavor, its gentle action and its beneficial effects.

CITY COUNCIL. At the meeting of the city council held last evening, Councilman Farren withdrew his resignation presented two weeks ago. Mr. Farrer has not given any reacon for resigning or for withfrawing the resignation, but it is un derstood that the differences that have existed between the committee on first department and the members of the fire department was responsible for th resignation, and that the action of th council in requesting the resignation of the fire chief and other members of th department, this action being a support of the committee on fire department, and the fact that Mr. Farrer has been requested to reconsider his action by some of his constituents, caused him to withdraw his resignation.

This, if the county levy is raised to 4 mill would make a 14-mill school tax levy i Provo taxpayers and Mr. Tayl thought the matter was one requiring consideration. No formal action was taken, but it is most probable that a protest may be made by the counci igainst the proposed county tax levy of mills
