City Sexton.

A Woman's Long Walk.

Mrs. Susan Sullivan and five small children arrived here the other day from Pierce, Mo., having walked the entire distance of over 600 miles. Her husband died in December, leaving the family almost strangers and penniless. Mrs. Sullivan wished to return to her former home in Knoxville, and having no means, concluded to walk. She arrived here almost worn out, having carried two small children for a week, they being sick. Mrs. Sullivan said her health had been excellent and that she was treated well on her long journey. The family was furnished lodgings at the central station and free transportation to its destination.—*Chattanooga Cor. Cincinnati Enquirer.*

Railroads in the western part of the United States can be built for from \$12,000 to \$13,000 per mile, but Jay Gould says that, in constructing the Union Pacific, as high as \$5 and even \$10 each was paid for ties, and \$300 per ton for iron rails. Somebody got rich while that road was building.

How's Your Liver?

Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. **Simmons' Liver Regulator** has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy.

NEVER BEEN DISAPPOINTED.

As a general family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Bowels.

What Mr. Beyer says: "Please best thanks for the splendid seeds received from your firm. It would be a rather lengthy list if I should name all, but will say that amongst 38 first, and 3 second premiums awarded me at our fairs in Northern Indiana and Southern Michigan, 28 first premiums were for vegetables raised from your seeds. What firm can beat this?" **AUGUST BEYER, So. Bend, Ind.**
Seed of this quality I am now ready to sell to every one who tills a farm or plants a garden, sending them **FREE** my Vegetable and Flower Seed Catalogue, for 1887. Old customers need not write for it. I catalogue this season the native wild potato. **JAS. J. H. GREGORY, Seed Grower, Marblehead, Mass.**
