AMERICAN CATTLE SLAUGHTER.

AMERICAN CATTLE SLATGHITTE.
Long, member for Dundee, sched
whether the condition of the Americais cattle justified the regulation
providing for their saturghter at the
pert where landed.
Chaplin, head of the Agricultural department, reported that the
American forevariance that the conditions of
the act of 1878, and therefore the
present restrictions could not be relaxed. In 1889 furty-seven head of
eattle from America, affected with
pleare-pure months, artived in Elec-

Discret. But he maintained that a debute on the moral aspects of the union there was in the Franchism no meral officuse whatever Cheers, it is the Paraellites by The report said the Paraellites by

(Cheers.)
The report said the Parnellites by their speeches had mained intimulation, which held to crime, and that they had not assisted in mulatinity had not assisted in mulatinity bad not assisted in mulatinity of their polymers of physical force. There charges were ten years oid. It was a bad and damperous procedent in recur to these old dates in order to obtain matter to hard at the heads of their political opposents. Did not their rotitical opposents. Did not the Tories themselves think that semething could be said in behalf of Parnell's policy, when Lord Carrington, under the assent of Lord Carrington, under the assent of Lord Carrington, under the assent of Lord Carrington and a prevenuent for Industri Changes had already taken place in Ireland and reforms would be accomplished without violence, largely through the wise and constitutional methods of the Irish party. The post said nothing on these matters, He (Gladstone) bestitated to embary in the amendment in expression declarations and universelented to render thanks for the performance of a judicial duty.

GLADSTONE FURTURE SAID

PULLED TO PIECES.

a white indictment. The Turies made into prover on Parnell's skend-down. Now they form on Parnell's skend-down. Now they form to the form of the Parnell Communication of the House to condemn of the Parnell Communication of the House to condemn of the Parnell Communication of the Parnell Communicatio

THE GREAT HISTORIC EFFORTS

THE GREAT INFORMS EFFORTS which brought about the Irish crish. Otherwise it would be impossible to do jointon.

Sir Michael Hicks Beach and that while there might be nothing served in the charges to Justify an Indicate that the charges to Justify an Indicate that a gentleman who had been surjected that a gentleman who had been continued for transco, he are the present that the charges. He clied publishes such thority ngaled the second to the charges. He clied publishes such thority ngaled the second to force the carcino set, and called upon Sir William Verson Harcotti to associate the carcino set, and called upon Sir William Verson Harcotti to associate to the carcino set, and the never heard such a fastement. Then, see heard such a fastement. Then, she had been expected that he would not stay to be missed, he left the House.

Sie Michael, continuing, said the charges on which the farmellies had been equalited were possibly more important to the community because they related in practices, a review of which would be fastal to the filterty and prespecting of the continuity.
