

During the Week of Conference

The great Register of the Studebaker Bros. will be open for signatures. Each person visiting the house will, on signing their name, receive a ticket which will entitle them to one chance in the Improved Utah Wagon, free of charge, and be shown through the extensive Carriage Repository and Wagon Yards, in which you will find set up ready for the road all sizes of their newly improved Utah Wagon, from a 2½ to a 5 inch cast skien or steel skien; and spring wagons of all styles, sizes and prices. Also Buggies and Carriages of the most unique styles. The fact is, it will be the spring opening of this house. Two of their Mammoth Green Cars will be here direct from the factory with Buggies and Spring Wagons this week, so that by the 5th inst. a line of the finest wagons ever exhibited in Utah will be on wheels, and will be worth the time spent in examination. We had no idea that there was such extensive yards, running back along the Co-op. line 320 feet, with the large brick building 100 by 41 feet, with basement and two floors of the same size, closely connected by the elevator which carries the largest farm wagon to the third floor or basement in less time than it takes to tell it. We bespeak for the Studebakers a share of your trade, knowing they are here to stay, and to furnish a wagon that will recommend itself better than any words of ours. During Conference the Repository will be open from 6 a. m. till 7 p. m., so that all may have an opportunity to look around whether they wish to purchase or not. You are cordially invited to call.

Nothing Short of Unmistakable Benefits

conferred upon tens of thousands of sufferers could originate and maintain the reputation which AYER'S SARSAPARILLA enjoys. It is a compound of the best vegetable alteratives, with the Iodides of Potassium and Iron, and it is the most effectual of all remedies for scrofulous, mercurial, or blood disorders. Uniformly successful and certain in its remedial effects, it produces rapid and complete cures of Scrofula, Sores, Boils, Humors, Pimples, Eruptions, Skin Diseases, and all disorders arising from impurity of the blood. By its invigorating effects it always relieves and often cures Liver Complaints, Female Weaknesses and Irregularities, and is a potent renewer of vitality. For purifying the blood it has no equal. It tones up the system, restores and preserves the health, and imparts vigor and energy. For forty years it has been in extensive use, and is to-day the most available medicine for the suffering sick, anywhere.
