

LOCAL AND OTHER MATTERS.

THEATRICAL.—The ladies and gentlemen of the Dramatic Company are requested to assemble at the Theatre for rehearsal tomorrow, Wednesday, morning at ten o'clock. **CLAWSON & CAINE, Managers.**

THOMAS MORRIN will confer a favor by corresponding with Benjamin Morrin, 20th Ward.

REMEMBER THE FAIR.—We hope that the artisans of all grades, and farmers, horticulturists and floriculturists, from the extreme limits of the Territory, north, south, east and west, will remember the coming fair. In thirty-three days from the present time it will commence. We have craftsmen of every kind scattered through the Territory, and if all feel the interest in the development of industry and the arts of the Territory, which they should, we shall have an exhibition that would be credit to much older settled countries than this. We expect also to see specimens of grain, fruit, flowers, and stock that cannot be excelled anywhere.

CONSOLING TO SOME.—Charles Guttleff, in his *Journal of Three Voyages Along the Coast of China*, speaking of the people dwelling in those portions of that country from which most of the Chinese now emigrating to this country come, says: "The major part of them are opium smokers, gamblers, thieves, and fornicators. A person who has lived among these men would be lost qualified to give a description of Szechuan and Gomorrah." We are perfectly satisfied that some people will readily believe the foregoing; it strengthens their arguments against, and shows the folly of encouraging Chinese immigration. The country is wicked enough already.

IN TOWNS.—Hon. T. W. Tipton, who represents Nebraska in the Senate of the United States, accompanied by Mrs. Tipton, arrived in the city last evening. They appear to be pleased with the city and its surroundings. Their stay will necessarily be brief. We hope their sojourn may be pleasant and their future journey a safe one.

LOW FARES AT SAN FRANCISCO.—The Pacific Mail Steamship Company has put down its fares very low since the completion of the railroad and the reduction of the rates of travel on it. From San Francisco to New York the fare by steamship, for cabin passengers is only one hundred dollars; for steerage it is only fifty dollars. Board at a good hotel in San Francisco for the same length of time as that occupied in the voyage costs as much as is charged by the steamship company for the trip to New York. The trip overland by rail is one hundred and twelve dollars, to which must be added sleeping-cars and meals along the route. But then railroad travelers save considerable time, are not sea-sick and have no risks to run such as have to be met in crossing the Isthmus.

IN GRIEF.—There was a Democratic meeting at the Metropolitan Theatre, San Francisco, last Thursday evening, at which Hon. S. B. Axtell, Member of Congress from California, Mayor McCoppin and J. F. Cowdery made speeches. After the meeting, Mr. San Brannan and one or two gentlemen got into a discussion. Immediately a crowd of some one hundred or more persons gathered around them, shouting and laughing in a very boisterous manner. Mr. Brannan went through the window of a drug store, breaking the glass; whereupon a policeman blew his whistle, and as soon as assistance came, arrested Mr. Brannan and another gentleman and conveyed them to the Station House, where they gave bail to answer any charge that should be preferred against them.

COMMENCEMENT OF THE DRAMATIC SEASON.—After five weeks' rest, the representatives of the drama will resume their laborious vocation on the evening of Saturday next. The weather is now considerably moderated and the evenings cool, which will render the resumption of dramatic representations generally acceptable.

A STRANGE ATTEMPT.—The San Francisco Chronicle, of last Friday, says:

"Yesterday morning a little boy named Raphael ran into a butcher shop, on the corner of Taylor and Clay streets, and cried out that his mother was killing herself. The persons in the shop immediately followed him to his house at 1118 Taylor st., where they found the mother, Mrs. Angelina Raphael, lying at the foot of her bed, bleeding from five or six wounds in her head, which were made by a hatchet that was lying near. It would appear that she had tried to hack her head off piece meal, as she had struck each side alternately. Temporary insanity, caused by the loss of money by her husband, is said to be the cause of the attempt."

P. O. GENERAL DELIVERY.—We are requested by Mr. Street, Postmaster, to notify the public that on and after to-day, the Post Office will be open for the general delivery of letters, from 8 o'clock a.m. until 7 p.m.

Have You Ever Heard of It? This inquiry at once at your grocer for DOOLEY'S CHEMICAL YEAST BAKING POWDER, the only strictly pure and harmless baking powder in market, from which good, sweet, palatable biscuits, rolls, cakes or pastry can be made, uniformly with the same success. This article has been steadily increasing in demand and public favor, and stands to-day the most reliable baking powder in use. Ask your grocer for Dooley's Baking Powder.

Burnett's Articles have extended their reputation everywhere, and they give the utmost satisfaction. — *Frank Leslie's Newspaper.* — Prejudice Vanquished. — Burnett's Cologne Water is admitted to be equal to the foreign brands. Burnett's Florist has none of the peculiar sickening sweetness so common in French Extracts. Burnett's Preparations are sold in Europe and patronized by the Nobility. Burnett's Extract of Lemon imparts a flavor equal to the fruit itself.
