Obsequies of President George A. Smith.

THE obsequies of the late Fresident George A. Smith were constream of people passed by and gazed upon the face of the good being rather more firmly compressed than in life.

The space immediately surround ing the coffin was occupied by the near relatives of "the deceased

Being reminded that the time is rights and privileges of his fellowabout expired, I will not detain you beings. This is a very bright testilonger, but I bless the Saints and mony. I have known him proba-

to-day. God bless you. Amen. EISHOP E. D. WOOLLEY.

My beloved friends and brethren. I am sorry that so much of the time that we design spending here has gone, but as it is I will only make a very few remarks. It is under no ordinary circumstances show respect to the body that lies before us, and the family and friends immediately connected mighty who has, while living upon with it. I, for one, do sincerely the earth, honored his being, his with it. I, for one, do sincerely the earth, honored his being, his tions of the British law governing which was followed by a general with it. I, for one, do sincerely the earth, housing in passes from condole with the family and friends of the deceased in their loss, and I time into eternity, for I know then served. He sees, therefore, no reaof the deceased in their loss, and I time into eternity, for I know then served. He sees, therefore, no take are not the only losers by the de-narture of our beloved brother. We presence of God the Father. With presence of God the Father. With

izers, and we all feel that the hand say that our loss is his gain. Still further I will say, Brother of God has taken from us one of the main pillars of the church.

I have been acquained with Brother Smith for a good many years; I have known him from his in the presence of his family. Frank in the presence of his family. Frank in the presence of his family. Frank the way not a pillar in the presence of his family. Frank the way not a pillar youth. I heard him preach the on which this church rests, by any bound to cause a good deal of trougospel in 1832 or '33, when he was means. This church rests upon ble, only a boy, and I have known him the basis and pillar of eternal truth,
