

on Seventh West street between Second South and Second North streets be repaired. Committee on irrigation and Jordan canal.

James H. Garbanate presented a claim for \$12.50 for unnecessary work alleged to have been done by him in locating a manhole on Market street.

HE DIDN'T GET IT.

On motion of Horne the claim of J. B. Walden for back salary was disallowed.

A NEW CANINE CATCHER.

On recommendation of Recorder Stanton, Samuel Galleazzi was appointed deputy dog tax collector.

TO CHANGE THE TIME.

City Recorder Stanton offered a resolution changing the night of the regular meeting of the council from Tuesday to Thursday night.

The resolution was, on motion of Hardy, laid on the table.

THOSE MONUMENTS.

The city engineer was authorized to purchase the necessary brick and other materials to erect an additional number of street monuments.

A FREE RIDE.

Chairman Haines of the Board of Public Works announced that through the courtesy of Superintendent McIntosh of the Utah Central railway a special train will be in waiting at the company's depot, this city, at 10 a. m., on Thursday next, to convey the members of the Council to the mouth of Parley's canyon to inspect the brick and masonry conduit. Received and filed, and invitation accepted with thanks.

ADDITIONAL HELP.

The city engineer reported that he employed additional assistance for his office and asked confirmation by the Council of the same. Adopted.

THEY MUST PAY FOR IT.

The same officer reported that he did not think that the granting of the petition of Abraham Lewis and others asking that Third West Street between Ninth and Tenth South Streets be opened was of such advantage as to go to any expense in the matter, but recommended if the petitioners were willing to do the work at their own expense, that the petition be granted. Adopted.

IRREGULAR STREETS.

In the matter of the petition of H. W. Lawrence and others asking that certain streets be opened in the Fourth ward, the city engineer called the attention of the council to the irregularity in the width of the streets in the southwestern part of the city and the necessity of some definite order for action. Adopted.

PROFILES.

The same officer submitted for approval, profiles showing street and sidewalk grades on the following thoroughfares:

Tenth East street from Eighth to Ninth South street, Margaret street from Eighth to Ninth South, Eleventh East street from Eighth to Ninth South, Twelfth East street from Eighth to Ninth South, Thirteenth East street from Eighth to Ninth South, Eighth South street from Tenth East street to the reservation, Sunny Side avenue from Margaret street to

the reservation, Ninth South street from Tenth East street to the reservation. Committee on streets.

TO REIMBURSE.

Regarding the petition J. R. and M. H. Walker, asking to be reimbursed in the sum of \$128 for stone curb and sidewalk laid by them at the intersection of East Temple and Third South streets, the city engineer represented that it had been the practice of former administrations to lay or pay for such work and he recommended that this case be no exception to the rule. Adopted and amount appropriated.

PROPERTY LINES.

With reference to the petition of John Daynes asking that property lines be officially established on F. street, the city engineer reported that the work could be done at any time at petitioners expense. Adopted.

RETAINING WALLS.

The city engineer submitted bids for construction of retaining walls on State street, which are as follows:

William Harkins—Masonry, per cubic yard, \$5.85; coping, per linear foot, 80 cents. Price & Williams—stone wall, \$5.95; coping, 80 cents.

Frank Kunkel—Masonry, \$8; coping, 75 cents. Mountain Stone Company—Cobblestone, \$3.60; coping, 85 cents.

J. J. Lyon & Co.—Six dollars per cubic yard. Skinner, Tyne & Peduzzi—Masonry, \$5.85; coping, 65 cents.

J. H. Meller & Co.—Masonry, \$4; coping, 75 cents.

Board of public works.

WILL COMPLY.

Street Supervisor Paul reported the Salt Lake City Street Railway Company and the Utah Central Railway Company had announced their intention to comply with the conditions of their franchise. Adopted.

PETITION GRANTED.

The committee on waterworks reported favorably on the petition of Mrs. Tullia Kabisins, for an extension of watermains on Fifth West street. Adopted.

ADVERSE REPORT.

The committee on claims reported adversely on the claim of H. B. Edy, asking for a rebate of taxes.

TO PAVE CITY CREEK.

The city engineer reported that the cost of paving City Creek, between Fourth and Sixth West streets, would be about \$3.25 per linear foot, or \$2310 per block. He says: "In view of the fact that the stone work would require to be constructed on a foundation of loose material hauled in, I recommend that a lumber flume costing about \$2 per linear foot be employed instead, if the improvement is ordered. A bridge at Fifth West street will cost about \$100. Received and filed.

ANOTHER ONE.

The same committee reported adversely on the petition of N. W. Clayton for similar relief. Adopted.

CANNOT EXTEND.

The committee on waterworks reported adversely on the petition of Thomas F. Watson and others for watermain extension on east Seventh South, between Third and Fourth South streets. Adopted.

ENLARGED SEWER DISTRICT.

The committee on sewerage reported favorably on the enlargement of the sewer district.

LAWSON AND SEWERAGE.

Lawson introduced the following resolution which was adopted:

Whereas, The sewer mains have, for a long time, been extended into and through the first sewer district of this city; and

Whereas, The board of health recommended such connections therewith nearly a year since; and

Whereas, Such connections have not been made; and

Whereas, The general health and cleanliness of the city render such connections imperative; therefore

Be it Resolved, That the board of health be instructed to immediately compel sewer connections to be made in and through said district.

TO IMPROVE THE STREET.

The committee on streets recommended that the Salt Lake Power, Light and Heating Company be notified to improve the condition of Third South Street between Second and Fifth West streets where it had erected poles. Adopted.

ATTORNEY'S REPORT.

Assistant City Attorney Elebner reported as follows: That the petition of Auerbach Bros. be referred to the board of public works; that in the case of William Lowe vs. Salt Lake City, wherein the plaintiff claims \$5,000 damages, he had filed a demurrer to the complaint on the 12th inst., which temporarily disposed of the matter.

TO BUY THE HOSE.

The committee on fire department reported favorably on the petition of Chief Stanton for the purchase of 3,000 additional feet of hose. Adopted.

ENDORSE TRIMMER.

The committee on streets endorsed the suggestion of Fred Trimmer that lamps be placed on electric feed wires whenever feasible. Adopted.

IN TWO DAILY PAPERS.

The committee on streets recommended that the city attorney prepare and the city recorder publish (for ten days in two daily papers) a notice calling upon owners of subdivisions to remove fences and other obstructions from the public streets. Adopted.

THE AID SOCIETY'S PETITION.

The Young Ladies' Aid Society was granted the privilege of erecting and maintaining refreshment in Liberty Park for the summer of the present year.

PRISON LABOR AGAIN.

The committee on prison represented that it was desirable to put the city prisoners at work as soon as possible, and that the matter of making suitable arrangements with the railroad companies for ground on which to work. The committee suggested that the ground immediately west of the City Hall be used for the purpose of furnishing employment for the city prisoners for the present. Rock could be hauled there and prepared for macadamizing purposes. The committee asked that it be authorized to purchase tools for that purpose and that in the meantime the city marshal be directed to employ the city prisoners as he deems best. Adopted.

RESOLUTION BY RICH.

Rich offered the following resolution which was laid on the table for one week:
