SESSION OF THE CITY COUNCIL

Extension of Water Mains Recommended—Poles to be Removed from Street Centers.

OGDEN NEW \$75,000 THEATER

To be Erected by the D. H. Peery Estate for Northwestern Association—Preparations for Race Meet.

Ogden, April 27.—At last night's session of the city council the fire committee recommended the extension of water mains as follows: On Royal avenue between Twenty-first and Twenty-second streets, a 4-inch main; Adams avenue between Thirty-fifth and Thirty-sixth streets, a 4-inch main; Patterson avenue west of Wall avenue and on Euclid avenue to Thirty-first street, a 4-inch main; and the placing of hydrants at intersections on Washington avenue. The recommendations were referred to the special water committee and the city engineer.

Sanitary Inspector Shorten reported 15 cases of contagious diseases in the city for the past two weeks. City Engineer Parker stated that the

Pavement on Twenty-fifth street west of Washington avenue was defective in places and recommended that it be repaired. This was also referred to the street committee.

A number of petitions for the extension of water mains in various parts of the city were referred to the special water committee and the city engineer.

Petitions for the grading of Adams avenue between Thirty-fifth and Thirty-sixth streets, and for the opening of Twenty-fifth street across the Oregon Short Line tracks were referred to the street committee.

A resolution was introduced recommending that as lower Twenty-fourth street had been created a paving district that abutting property owners between Grant and Wall avenue be instructed to remove the trees from the front of their property within 90 days or that the city would have the work done, also recommending that telephone, telegraph and electric light poles on Twenty-fourth street from Wall to Harrison avenues be removed from the center of the street to the curb line or to the middle of the block within 90 days. An amendment was offered to include the removal of poles from the center of the street on Washington avenue from Twenty-second to Twenty-eighth street. The resolution was referred to the street committee and the city engineer.

NEW \$75,000 THEATER FOR OGDEN.

A deal was closed in Ogden Monday afternoon whereby the Northwestern Theatrical association will have a \$75,000 theater in Ogden which will be as attractive as the Colonial at Salt Lake City. This is the announcement that was made to the "News" representative by H. A. Grant, the Utah representative of John Cort, the general manager of the Northwestern association.

The site for the new theater is the one where the Uihara theater now stands. This small family theater will be replaced by a three story building. There will be two stories on each side of the large spacious lobby and splendid offices on the other two floors. The building will be 200 feet long and will

have two balconies in addition to the lower floor and a number of boxes and loges. The theater will have a seating capacity of 1,800 and will be modern throughout.

The D. H. Peery estate will erect the building after plans are received from Architect E. W. Houghton of Seattle who has been in the city for the past two days and who left for Seattle last evening. Work on the new theater will start June 1.

WATER SHARES SOLD.

The 30 shares, part of a lot held by Water county in the Davis and Weber counties canal, was sold at public auction Monday afternoon by Deputy County Clerk John Bluth as per the order of the board of county commissioners. The various blocks brought from \$127 per share to \$131 per share. The stock was purchased by the county a number of years ago for \$17 per share. John Holmes, David Mattson and George J. Kelley were the purchasers.

BECKMAN BONDS FORFEITED.

In the district court before Judge Howell, Monday afternoon, the bond of Louis Beckman, charged with burglary, was declared forfeited by the non-appearance of the defendant to appear for trial. Beckman is one of this young men who were arrested in connection with the burglary of the Clark residence early in February. The bond was \$500 cash, which was put up by Beckman's mother.

PREPARATIONS FOR RACE MEET.

The Inter-Mountain Fair Grounds track is becoming a city in itself during these days. It has a population of 150 horsemen and riders together with about 200 of the fastest horses in the country. Sleeping accommodations as well as a restaurant have been established and the city of Ogden is being prepared for the big race meet which opens on May 5 and will continue for 15 days. Horses from Oakland and Los Angeles and Idaho are arriving daily and it is expected that seven carloads of horses will arrive from San Antonio, Texas, within the next three days.

JAPANESE HOUSE ROBBER.

A Japanese lodging house on Wall avenue between Twenty-sixth and Twenty-seventh streets was the scene of a daring burglary early Monday morning. The lone highwayman secured about \$20 in cash and a \$65 gold watch. The officers have no clue of the robber.

SUIT FOR DIVORCE.

An action for a divorce was filed in the district court yesterday afternoon by David Jensen as attorney for Rosa A. Spiers against John W. Spiers upon the ground of non-support. The couple were married in Ogden and have one child, of which the plaintiff asks the custody.

SEWAGE CONTRACT LET.

Waterworks and Stock Exchange—Surgical Operations.

Special Correspondence.

Ephraim, Sanpete Co., April 26.—Ephraim council has given the contract for the construction of the sewage works in District No. 2 to A. C. Clelland Jr. The contract calls for five blocks of 4-foot wall extending from the corner south of the postoffice to the site of the sewer and from the Consolidated Imp-

pany to Thompson's corner. The city owns the right of way for a 4-foot walk on the north. Main street is considered too narrow.

TALK OF WATERWORKS SYSTEM.

There is some talk of a city waterworks system. Mr. P. J. Moran of Salt Lake City has been inquiring into the inducements offered and will give the proposal to an eastern syndicate.

STOCK EXCHANGE.

A stock exchange will be established in Ephraim in the near future. The Western Development company has been making arrangements to that effect as so many people through the country here are interested in good dividend paying stocks. It is thought to locate the exchange in the bank building.

WOOLGROWERS MEET.

On Thursday last about 40 of the woolgrowers of Sanpete met with the town officers to discuss the allotments of sheep in old and new areas of the forest. New applicants protective funds and grazing permits were discussed.

SURGICAL OPERATION.

A very delicate operation was performed in the Holy Cross hospital at Salt Lake City on the 25th inst. Mrs. Geo. Poulson of Ephraim. The child has been suffering from very weak but it is now believed will fully recover.

MAY RECOVER SIGHT.

C. H. Christensen has just returned from Salt Lake City where he has undergone a successful operation on his remaining eye. The chances are now he will recover his sight. For years he has been almost blind.

Mr. and Mrs. Duane Christensen are rejoicing over the advent of a new boy. Wilfred Reinhold had the misfortune recently to injure his arm and has since been suffering from blood poisoning.

CONTROL OF LIQUOR TRAFFIC.

The mayors, city councils and commissioners of Sanpete have been called to meet at Ephraim May 10 for the purpose of discussing problems which will be proposed a plan will be formulated to regulate the sale and importation of liquor in Sanpete.

This call, originated by Mayor Munson of Mt. Pleasant, will mean, if it meets the approval of the officers, that Sanpete will have prohibition or extremely high license under the proper regulations.

The infants of N. E. Noyes, David Beards and John Nelson are suffering with pneumonia. John Eyring is also very ill of pneumonia.

UP BEFORE THE BAR.

N. H. Brown, an attorney of Philadelphia, Pa., writes: "I have used Dr. King's New Life Pills for years and find them such a good family medicine we wouldn't be without them." For Chills, Constipation, Biliousness or Sick Headache they work wonders.

BLOOMINGTON.

Narrow Escape from Drowning in Virgin River—Dixie Weather.

Special Correspondence.

Bloomington, Washington Co., April 27.—Notwithstanding the setback caused by the very cold and disagreeable weather that has prevailed here some time, vegetation is beginning to make a fine showing.

The other day Mr. and Mrs. A. E. Guero were crossing the Rio Virgin, when the horse Mr. Guero was on stepped into a hole where the horse was washed out; the rider tried to get off his horse, but his spur caught in the stirrup and rider and horse were foundered in the water for some time before he could extricate himself. Mrs. Guero pulled Mr. Guero into the deep water before his horse could be stopped and she was precipitated into the stream and narrowly escaped drowning. They consider themselves lucky that they escaped as they did.

John A. Whigham has moved his family to La Grange, Washington Co., Utah, where they will reside while he is off herding sheep for J. A. Crosby. The district school is drawing to a close and the pupils are preparing to have a grand closing time. Miss Paxman is a fine teacher and the pupils are well satisfied.

Two-Piece Suits

Stegel's two-piece suits are different from others—to start at the beginning, they're not made over regular three-piece suit patterns, with the vest left out—they're made over special outing suit patterns which, though a more expensive process, produces a better suit and satisfies the wearer—he's the man we're taking care of.

Collars and lapels made to hold their shape—the half lining is cooler and less expensive and is recognized by particular dressers as just as satisfactory as full linings.

Our line of two-piece suits includes chevrons, cassimeres, finished and unfinished worsteds.
