STRENUOUS RIDE TO CHICAGO

Story of the Trip of the Eccentric
Mining Man Across the Middle
States.

Chicago, July 11.—With every ear blackened by a delicious record-breaking run from Los Angeles to Chicago, the Walter Scott special on the Santa Fe railroad arrived here at 11:54 a. m., having beaten all previous records by hours as well as bettering the special train's own excellent schedule.

Consisting of a baggage car, diner and private living car, the train which left Los Angeles at 1 p. m. Sunday, came into the Polk street station today almost at top speed, having made the run of 2,244 miles in 44 hours and 54 minutes. This is 23 hours and 54 minutes faster than the time of the regular Santa Fe limited; it is three hours and six minutes faster than the original contract called for (which was 48 hours), and beats even the later schedule of 45 hours by six minutes.

The best previous time for this run was made by the Peacock special in 1900 in a "race against death," but the record of this train by the performance consummated today is beaten by seven hours and 54 minutes. Extraordinary time was made eastbound from Dodge City, Kan., where the train arrived 55 minutes late last night at 9:45 o'clock. But a good road, bed, clear track, and expert work by the engineer and fireman not only enabled Scott to regain the lost time, but to beat his closest and most hopeful calculations by six minutes.

The train was in excellent condition when it arrived, save for the coating of dust and grime. The crew was smiling and happy, although showing traces of the strain and fatigue of the long run.

Eliminating stops on "dead" time, which aggregated 50 minutes, the special made the run in 44 hours and 54 minutes, or an average for the entire 2,244 miles of 51 miles per hour. The fastest time of the run was made between Chihuahua and Coal City, Ill., a distance of 71 miles, which was covered at the rate of 54 miles per hour.

OBEDIENT BOY.

Father Told Him the Drink Was on Him.

While this is hardly a railroad story at the same time it was told this morning by a railroad man, W. C. Coulson, head of the local ticket bureau of the Oregon Short Line.

It appears that Mr. Coulson has a young son in the form of a son and heir who is the apple of his eye. This youngster's health is a source of constant watchfulness on the part of the father. Among other things the boy is required to drink a glass of water on arising in the morning. To get him to gulp down this required considerable diplomacy and good natured bluff. Yesterday morning he was obstinate and refused his morning drink.

"Come, son," pleaded the anxious father, "take this, it is on me." The boy took the glass and then looked at his father with wide open eyes. "On you, papa?" he exclaimed in astonishment. "Sure," exclaimed Coulson, "on me."

It was what is technically termed in third emporiums a "long drink." The next instant the drink was on Coulson all right. With due deliberation the youngster took the glass and threw its contents in his father's face, thoroughly wetting him from neck to waist.

The boy was not spanked because he obeyed orders.

MORE COMING WEST.

Two Big Special Trains for Salt Lake Route This Week.

Two big special trains are due to arrive in Salt Lake this week over the Rio Grande en route to Los Angeles via the San Pedro in addition to those parties enumerated last night. On Friday morning the Club House party consisting of 112 persons from Toronto, Canada, will be here and leave for the coast 14 hours later. On Saturday morning another party from the east arrives, known as the Gregory special, which will leave for Los Angeles at 10:30 p. m. Sunday night.

INSPECTION TRIP.

Officials Leave for Wood River and Minidoka Branches.

Vice President and General Manager W. H. Bauer, accompanied by General Superintendent E. Buckingham and Traffic Manager T. M. Schumacher of the Oregon Short Line, left for the Wood River branch and Twin Falls this morning on an inspection trip prior to the opening of the Minidoka branch.

FREIGHT MEETING.

Trans-Missouri Bureau at Glenwood Springs Tomorrow.

Tomorrow there will be a meeting of the Trans-Missouri freight bureau at Glenwood Springs, of which all roads in this intermountain region will be represented. Among those who have tonight will be Devin Morris, chief clerk of the freight department of the Oregon Short Line. At the meeting tariffs will be discussed generally, but it is expected that nothing beyond mere routine work will be in order.

WAGES TO BE RAISED.

General Manager Wells of San Pedro So Announces.

In an interview in the Los Angeles Herald, General Manager H. E. Wells of the Salt Lake Route has recently said in connection with the recent strike of switchmen: "The switchmen have made themselves the lightning stock of other employees, and had they waited for a few weeks, they would have received an increase in wages along with a number of others without any demonstration on their part. We plan a general increase in all salaries after Sept. 1st."

HUG TERMINALS.

Santa Fe to Establish Freight Yards in San Francisco.

San Francisco, July 11.—It has been formally announced by local officials of the Santa Fe company that steps are to be immediately taken toward establishing big freight yards on the China basin property. As a result of the recent visit to this city of Vice President Kendrick, instructions have been issued by General Manager Wells to Chief Engineer Burns to hurry completion plans for the construction of two immense freight houses in that locality. They will be the nucleus for what promises to be one of the largest freight terminals

The State Chemist, Herman Harms, Ph. G.

Says of
THREE CROWN

BAKING POWDER.

"I have purchased in the open market, a can of your 'Three Crown Baking Powder' and submitted same to a careful chemical analysis."

Have found the powder to be a "PURE CREAM OF TARTAR BAKING POWDER" absolutely free from Alum, Lime, Ammonia, or other foreign substances.

All of the ingredients are of the purest quality obtainable and combined in proportions to make the powder of exceptional high "leavening" strength.

Respectfully,
HERMAN HARMS.

hails in the west. It is expected that the construction of these buildings will take about a year, during which time other important improvements will be under way at the same time.

In discussing the subject, one of the officials of the road said: "That San Francisco is to be a great freight center is no longer a theory but a fact. Competitive points along the coast will not materially interfere with this city's growth in this respect. The Santa Fe company is now preparing to meet this development at a present cost of \$100,000."

MURDER MOTIVE IN DUAL TRAGEDY

(Continued from page one.)

a meeting of all the relatives of E. H. Mitchell at his office in the county building this afternoon at 2 o'clock. The purpose of which is to find out what property the Mitchell owned, and who are properly its claimants under the law. The family had no children, nor were there any offspring of an earlier marriage of Mrs. Mitchell. They owned real estate here and in Europe, and some stock in Utah mines.

The relatives so far as known, are all of Mrs. Mitchell. Mitchell is said to have a sister somewhere in the west, but she has not been located. Other relatives are mentioned as living in Europe.

The Utah relatives of Mrs. Mitchell are her mother, but there are distant relatives in the old country. They are her half sister, and her two children, and two nephews and a niece. Mrs. Hubbard, the half sister, Mrs. Mary Brinton, the niece, and J. W. Smith, a nephew live at Europa, Utah. Smith, another nephew lives in California.

TRIBUTE HAS FAKE PICTURE.

The relatives at the inquest were united in the opinion that the picture of Mr. Mitchell published in the Tribune this morning was not that of the outside at all, but of William Taber, a friend of Mitchell's who lived in Park City years ago.

THE FUNERAL.

The funeral services will probably be under the charge of the local lodge of the Masons, but no arrangements have been made pending the release of the bodies by the county officials.

VERDICT MURDER AND SUICIDE.

After reconvening at noon today, the coroner's jury found in the case of Mrs. Susan Mitchell that she came to her death by having her throat cut with a knife in the hands of E. H. Mitchell, feloniously, and in the case of E. H. Mitchell, that he came to his death by having his neck broken through hanging himself.

BUSINESS NOTES.

Today's local bank clearings amounted to \$307,500.00 as against \$250,620.95 for the same day last year.

The stockholders of the Salt Lake Security and Trust company have received their semi-annual dividend of 2 1/2 per cent. due July 10 on its capital stock of \$200,000. The company has been incorporated less than one year and has already paid \$14,000 in dividends and the surplus has been increased to \$15,000.

SOCIAL AND PERSONAL.

A brilliant affair of yesterday was the dinner party given by Mr. and Mrs. W. H. King last night at the Country club in honor of Mrs. William Hoffman and Dr. and Mrs. E. G. Gowans. The veranda and grounds were bright with crimson shaded lights, and baskets of red and white sweet peas used with red ribbons hung from the porch ceiling, while Navajo drapes and palms helped to make an effective picture. The hall and dining room were also done in sweet peas of pink and lavender, the latter room being used for dancing. The hosts and guests of honor received on the veranda, and assisting in entertaining were a dozen or more friends. Five hundred invitations were issued, and the grounds and rooms with their groups of beautifully gowned women made a striking picture.

Another large and delightful affair of last night was the reception given at the new home of the Y. M. C. A., the event being the formal opening of the club house. The rooms were beautifully decorated, sweet peas, ingers, etc., ferns and palms being used with artistic effect. The arrangements were in charge of a number of prominent society women, and were perfect in all details. Punch was dispensed by a half dozen young girls during the evening, and music added to the pleasure of the occasion. Tonight the members will keep open house, and the public is cordially invited.

Mr. and Mrs. Lewis R. Hill have gone to their country home for the summer.

Tonight will take place the entertainment which launches the Utah Association of Life Underwriters, and from the arrangements made the affair promises to be a most interesting one. Mr. Fred Graham will take part in the program, in addition to the others already mentioned.
