New Yor, Aug. 24 .- The importance the French demonstration against de porte is steadily declining. It is now cribed by an English journal, says London dispatch to the Tribune, as a ely personal affair rather than a putere of diplomatic relations. The shan will not be humiliated by co stive measures, enforced by a powerfleet but will be reminded with much politeness that a settlement of at controversy over the quays of Consantinople cannot be postponed for an

piefinite period. The English press is convinced by the sparture of the French Mediterranean quadron for their Atlantic maneuvers hat the sultan will be allowed the time quired for barrowing the money ana aying the dock claims on an easy infailment plan. It turns from the furkish capital to tropical America for furkish capital to tropical America for a livelier foreign theme, and the at-ampts to explain the bearings of the Neuroe doctrine on the relations 'on Yeneruela and Colombia, and the con-rel of the isthmus. The English press a not at its best in dissertations upon de Monroe doctrine, but it is making progress. The best journals have disevered that the United States has a evered that the United States has a really right to prevent interruption of simular traffic, and exercises it as traffic for the protection of the com-mercial interests of all nations and not for the expansion of the Monroe doc-

TILLIONS of Women Use CUTICURA SOAP, MILLIONS of Women Use CUTICURA SOAP, assisted by Cuticura Ointment, for preserving,

purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, for baby rashes, itchings, and chafings, in the form of baths for annoying irritations and inflammations, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and many sanative, antiseptic purposes which readily suggest themselves to women and mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used these great skin purifiers and beautifiers to use any others. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odours. No other medicated soap ever compounded is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in ONE SOAP at ONE PRICE, the BEST skin and complexion soap, and the BEST toilet and baby soap in the world. Complete External and Internal Treatment for every humour, Consisting of Curicura Soap, to cleanse the skin of crusts and scales and soften the thickened cuticle; Curicura OUTMENT, to instantly allay itching, inflammation, and irritation, and soothe and heal; and CUTICURA RESOLVENT, to cool and cleanse the blood. A SINGLE SET is often sufficient to cure the most cortur-ing, disfiguring, itching, burning, and scaly skin, scalp, and blood humours, with loss of hair, when all else fails. ## Baroness Schratt to Act in New York

New York, Aug. 24 .- It is announced that the Baroness Kathe Schratt of the Hofburg Theater in Vienna will appear at one of the Broadway theaters in this city during the coming season. The haroness, besides being a prominent German actress, has come into considerable notice recently by reason of the report that she had contracted a morganatic marriage with the Austrian Emperor Franz Joseph.

#### A San Francisco Strike Settled.

San Francisco, Aug. 24 .- The strike of the structural iron workers, involv-ing 20 men, has been settled. The employers agree to give the men a 9-hour day for work in the shops and an 8 hour day for outside work with no re-duction of pay. The demand of the union was for shorter workday and the employers concede the demand in full.

### Ruling on Goods from Porto Rico.

Washington, Aug. 24.-Commissioner of Internal Revenue Yerkes has issued an amended regulation as to the treatment of goods from Porto Rico, in the course of which he calls special attention to the fact that, as articles of merchandise received from Porto Rico are not now subject to customs duties they are not entitled to entry in toms bonded warehouses, and that the temporary storage of such articles is for the purpose only of detaining the articles until the internal revenue tax due thereon has been paid. Articles so stored, therefore and not be entitled to withdrawal in bond for export or for transfer to another district, and no al-lowance can be made for leakage, shrinkage or other loss; nor will permit be issued for the sampling of articles so held. In case of failure of the owner or consignee to pay the tax due, the collector in whose district the goods are stored will report such tax for assessment, and will proceed to collect the same as in the case of other assessed taxes. Where distraint for such taxes be-

comes necessary, the collector will, however, before distraining on such ar-ticle notify the commissioner of internal revenue, in order that proper instruction may issue to the collector of cus-toms for the release of the goods for that purpose.
