

tea, coffee and tobacco, etc., also to let doctors alone, and faithfully abide the word of the Lord relating to the sick, manufacturing what they need to wear, and raising what they need for food; saving their dollars as they happen to get them by the sale of some of their products, sustaining themselves in all things, wanting only what they can produce in the country from the elements and the labor of their hands—suppose, I say they were to take this course, three years would not pass away before the people of that ward would be able to produce everything they need in life. Thus by a union of purpose, and a concentration of action, that little ward would soon be able to buy out their neighboring wards, who would persist in pursuing the opposite course; and perhaps fifteen years would not pass away before this prudent ward would be able to buy out and own this whole city, if they continued to do as they were desired to do, and the rest of the wards pursued their own way. I pray my brethren the bishops, the elders, the seventies, the apostles, yea every man and woman and child who has named the name of Christ, to be of one heart and of one mind; for if we do not become of one heart and mind, we shall surely perish by the way.

Before I close my remarks, I will again remind my brethren and sisters that we have a duty to perform in sending for our brethren and sisters who are in foreign lands. We wish to gather them together. As to whether they will stick to the faith after they are gathered, I know not; neither do I care. It is better to feed nine unworthy persons, than to omit feeding one who is worthy among the ten. So it is with clothing the needy, and sending for the poor. They must have the same opportunities for salvation that we have, for the neglect of which they will be held accountable in the day of judgment as we will also be. Let us send for the poor. We are doing considerable, though we are not doing as much as we should do. If I could only have power sufficient with God, I think I should accomplish the desire of my heart in this matter and that of my brethren and sisters. We do desire to have our friends relieved from their bondage, and brought to these valleys of the mountains to share with us the blessings we enjoy. It would be a blessing to the poor if we could only exercise the faith that Elijah had in the case of the widow's meal and cruse of oil, that the little we do get for the emigration of the poor may accomplish, under the blessing of God, much more than it is natural for us to expect from it. If we can only obtain faith to multiply the means we do get; we may make a little reach out so far as to accomplish the desires of our hearts. May God bless you. Amen.

GREAT SALT LAKE CITY,
January 18th, 1888.

To Theo. F. Tracy, Walker Bros., Col. W. H. Lewis, J. F. Nounnan, Esqrs, and others:

GENTLEMEN:—Your letter of this date is before me, expressing the general desire of the public to witness a repetition of Bulwer's splendid Comedy of "Money," at the Theatre, on Tuesday evening next ensuing. In answer, permit me to thank you most kindly for the complimentary expressions contained therein and add that I will cheerfully comply with your very urgent request.

Subscribing myself Yours and the Public's Obedient Servant,

CHIEF JUSTICESHIP.—The term of his Honor Chief Justice Titus, expires to-morrow, the 19th. We have not heard as yet who will next fill the position or whether there will be a re-appointment. There will be, on Monday, before Federal Judge in the Territory, the term of the Chief Justice having expired, and Associate Justice McCurdy having gone east.

THEATRICAL.—This evening Mr. Stark will close his engagement here, as "JacCade," in the play of the same title. The drama is a most stirring and exciting one, and the character of Cade is one in which Mr. Stark will appear to much advantage. This play with the title roles so filled, and with the other characters sustained by our excellent stock company, presents a very strong attraction to our theatre-goers. It will be followed by "My Husband's Ghost," a very laughable farce.

THE UTAH MAGAZINE.—The first number of the Utah Magazine, E. L. T. Harrison, Editor and Publisher, was laid upon our table on Monday, but with a press of matter on our columns a notice of it has been crowded out until the present.

The Magazine is an enterprise worthy of commendation and support. Annually our people send a large amount of money east for the purchase of serials, some of which are very worthless; and if a good magazine were sustained here, it would stop in part this flow of money which should be kept in the Territory.

The Utah Magazine, in its first number, presents a very attractive appearance, more so than could have been expected considering the difficulties the editor had to encounter in procuring type, &c. The articles—original and selected—are excellent; and the paper may claim to be a valuable addition to the literature of our Territory.

MR. STARK.—We understand that a number of friends of this gentleman were making a move this afternoon, to offer him a requisition to remain over Tuesday night, and favor the public with another representation of "Money." This meets the suggestion we threw out yesterday afternoon.

SEVENTIES' HALL.—Secretary Willes informs us that Elder Septimus W. Sears will lecture on next Wednesday evening on the "Rise and Progress, and Statistics, of Swedenborgianism."

WARD PREACHING.—Bishop E. D. Woolley informs us that Elder Orson Pratt, senr., will preach in the 13th Ward Assembly Rooms to-morrow evening, commencing at 6 o'clock.

There is no lack of brethren at present in the city, well able to edify and instruct the Saints; and we hope their knowledge and ability will be freely called into requisition throughout the various wards on Sunday evenings, for the benefit of the people.

SOCIAL RE-UNION.—Last night there was a Re-union at the Social Hall, where a very pleasant company assembled, and enjoyed themselves to good music until an hour when wisdom suggested separating. Quite a number of our most prominent citizens, including Presidents B. Young, H. C. Kimball, D. H. Wells, and a number of the Twelve, participated in the enjoyment of the evening.

LEGISLATIVE.

Saturday Jan. 18.

Council.—Council met pursuant to adjournment.

The following report was received and read: To the Honorable the President and Council: Gentlemen:—The Military Code Commission appointed by the Legislative Assembly of the Territory of Utah, Jan. 18, 1867, report, in compliance with the Resolution appointing them, that they have made progress in the labors devolved upon them, and respectfully ask further time.

Daniel H. Wells,

Chairman.

Whereupon Councilor Young moved that, the House concurring, the Military Code Commission be granted the further time asked for in their report.

Councilor Carrington presented a petition from Z. Snow, Deputy Attorney-General, praying for an appropriation to compensate him for services rendered as such.

Councilor Carrington presented "An Act changing the name of Great Salt Lake City, to Salt Lake City," which passed its first and second readings.

Adjourned till 1 p.m., Tuesday, 21st.

Special Notices.

The continual success of Mrs. White with her pupils, in communicating to them a knowledge of Music by "Robbins American Method," is most encouraging to all who desire to speedily acquire proficiency in the art and are acquainted with the facts. As she can receive but a limited number of pupils at a time, those desiring to profit by her abilities should call early at the Townsend House.

PUBLIC NOTICE.

YEAR 1888.

R/B

G

WE return our sincere thanks to this People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of Goods east, we have determined to offer our Stock at a heavy Discount for

CASH!

WE will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap.

A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Saucers, Glassware, Castors, &c., &c.

ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get held of "Ten Dollars," a chance to buy Goods Cheap.

COME AND TRY IT.

WHY DO WE OFFER THESE TERMS?

Because we are like most of our neighbors, wanting money badly.
