## REMARKS

**ELDER ERASTUS SNOW,**  
At the General Conference, Friday  
Afternoon, Oct. 5th, 1888.

REPORTED BY G. F. GIBBINS.

I AM grateful for the opportunity  
of meeting in Conference once more  
with the Latter-day Saints, and for  
the health and strength given me to  
continue my labors among the peo-  
ple, and for the same blessing of  
health which is enjoyed by my  
brethren. I am thankful,  
too, that the Lord has  
raised up young men to build up the  
Kingdom and help carry the bur-  
den of the people. It is also a  
source of satisfaction that He has  
spoken and given instructions  
through His servant pertaining to  
the Seventies, to more fully organ-  
ize and set in order the quorums of  
the Priesthood, the Seventies being  
more especially called as assistants  
to the Twelve Apostles in the work  
of the ministry. And it is desirable  
that the revelation upon the subject  
should be fully carried out, and the  
Priesthood in its various depart-  
ments fully organized, and every-  
thing set in order according to the  
word and mind of the Lord; that  
every quorum of the Priesthood,  
general and local, might be in good  
working order. For it develops up-  
on the quorums of the Melchizedek  
Priesthood to carry the Gospel to  
the nations, and to gather those  
that accept it. This work is great,  
the field is wide, and the word of  
the Lord unto us, His servants, is to  
thrust in our sickles and reap the  
harvest of the earth. And here let  
me say, the Lord has sent His  
angels to superintend this work.  
The angel spoken of by John the  
Revelator has shown with the  
everlasting Gospel to preach to  
those that dwell upon the earth;  
and it is given unto us, His ser-  
vants, to proclaim it
