

the daughters of Zion do not seem willing to forsake the fashions of Babylon. I to such would say hasten it, and let the woe that is threatened on this account come, that we may get through with it, then we can go on and build up the Zion of God on the earth. But in spite of the follies that some among us delight in, we are going to build up Zion. We are going to fill these mountains with the cities and people of God. The weapons formed against Zion will be broken, and the nations of the Gentiles will visit her and their kings will come to the brightness of her rising. I often think when I see gentlemen and ladies sitting in our tabernacles, who have come over this great highway that has been cast up, whether they realize that they are fulfilling the prophecies of Isaiah. I think this many times in my own mind. I am satisfied that they do not realize it, but they are fulfilling the revelations of God. The Gentiles are coming to the light of Zion and kings to the brightness of her rising. All these things have been spoken of and will be fulfilled; and by and by, when we are sanctified and made perfect, when we are chastised and humbled before the Lord, when we have got our eyes opened, and our hearts set upon building up the kingdom of God, then will we return and rebuild the waste places of Zion. We have got this to fulfill in our day and generation. Then think not, ye elders of Israel, ye sons and daughters of Zion, that we are going to live after the order of Babylon always. We are not. We shall be chastised and afflicted, and shall feel the chastening rod of the Almighty unless we serve the Lord our God and build up his kingdom, for he has given us all power; yes, all power is given into our hands to perform this work.

Where is the man or the woman on the face of the earth who cannot see the hand of God in our deliverance until to-day? Every weapon has been broken that has ever been formed against us. Point me out an individual or a people who have ever taken a stand against Joseph Smith or Brigham Young, the Zion of God or the elders of Israel, and who have sought to overthrow this work, but what the curse of God has rested upon them. Show me one of that class who has not gone down to the dust, and as it has been in days past so it will be in days to come. Woe to that nation, kindred, tongue and people under the whole heavens who war against Zion in the latter days; every weapon shall be broken that is formed against her, and that nation that will not serve her shall be utterly wasted away saith the Lord of hosts. These things are true, and I would warn Jew and Gentile, saint and sinner and all the world to be careful what they do as touching them.

A few words more to the Latter-day Saints. I want to say to the brethren and to the sisters, let us cease finding fault one with another; let us not say that this man or this woman does wrong, this family does wrong, this person or the other sets a bad example; let us realize that we ourselves are held responsible for what we do. It will do me no good if I apostatize because somebody's family follows the fashions of Babylon, or because some man or woman or some set of men and women do wrong. Let us cease this kind of work, and all of us look to ourselves. It will do me no good if I apostatize because I think somebody else does not do right. We should lay aside this, there is too much of it in the Zion of God to-day, and has been a good while, finding fault with this, that and the other, instead of looking at home. Let us all look at home, and each one try to govern his own family and set his own house in order, and do that which is required of us, realizing that each one is held responsible before the Lord for his or her individual actions only.

I pray God my heavenly Father that he will pour out his Spirit upon the daughters of Zion the elders, and upon all her inhabitants, that we may listen to the counsels of the servants of God, that we may be justified in the sight of God, that we may be preserved in the faith, that we may have power to build temples, build up Zion, redeem our dead, and be redeemed ourselves, for Jesus' sake. Amen.
