

OUR OWN STATE.

Contagious Blood Poison

There is no poison so highly contagious, so deceptive and so destructive. Don't be sure you are cured because all external signs of the disease have disappeared, and the doctor says you are well. Many persons have been dosed with Mercury and Potash for months or years, and pronounced cured—to realize when too late that the disease was only covered up.

Liko Bogots Liko. driven from out again, and to their sorrow and mortification find those nearest and dearest to them have been infected by this loathsome disease, for no other poison is so surely transmitted from parent to child as this. Often a bad case of Rheumatism, Catarrh, Scrofula or severe skin disease, an old sore or ulcer developing in middle life, can be traced to blood poison contracted in early

The Sin of the Parent. life, for it remains smoldering in the system forever, unless properly treated and driven out in the beginning. S. S. S. is the only antidote for this peculiar virus, the only remedy known that can overcome it and drive it out of the blood, and it does this so thoroughly and effectually that there is never a return of the disease to embarrass or humiliate you afterwards.

Cures Contagious Blood Poison in any and all stages. Contains no harmful mineral to break down your constitution; it is purely vegetable and the only blood purifier known that cleanses the blood and at the same time builds up the general health.

Our little book on contagious blood poison is the most complete and instructive ever issued; it not only tells all about this disease, but also how to cure yourself at home. It is free and should be in the hands of everyone seeking a cure. Send for it.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

LAYTON.

Old Folk Festival—Literary and Debating Society Entertainment.

Special Correspondence. Layton, Davis Co., Feb. 21.—The "old folks" (all over 60 years of age) of Layton were entertained to a literary and debating evening at the home of Wm. C. Salter, on Wednesday night. A sufficient number of the aged and a sufficient number of the youthful to look after every want of the honored guests.

On Friday evening the Layton Literary and Debating Society gave its initial entertainment. The evening was given to the Church schools, a spirit that will continue to shine as a beacon light to all men ages to come. Therefore be it.

Resolved, that his old students, the faculty and students of the Snow academy, and his many friends express their gratitude to the Lord for the life and labors of this pioneer educator in the land of Zion. Be it further resolved that we express our condolence to the bereaved family, and that a copy of these resolutions be sent to the wife and children of Brother Maeser.

It has been raining here almost every day for a week. Spring seems to be here. The weather is warm; no frost at night.

MISSIONARY CALLS.

Hyrum Madsen and Thorwald Hansen have received letters from Prest. Lorenzo Snow calling them upon missions, the former to Scandinavia and the latter to Germany. Elder Hansen is to leave March 20, and Elder Madsen will leave May 10.

Abel Nielsen and Andrew Thorpe are also called upon missions. Elder F. N. N. Christiansen, P. C. Sorenson, of the forty-seventh quorum of Seventies, are called on missions to Scandinavia; will leave for their mission April 1, 1901.

Brought Good Fortune. A small item in his own paper lately brought amazing good fortune to Editor Chris. Reitter, of the Saginaw (Mich.) Post and Zeitung. He and his family had been in the worst form of distress. Their doctor did them no good. Then he read that Dr. King's New Discovery for Consumption, Coughs and Colds was a guaranteed cure for La Grippe and all Throat and Lung troubles; and he bought a bottle. Three bottles cured the whole family. No other medicine on earth equals it. Only 50c and \$1.00 at Z. C. M. I. Drug Dept. Trial bottles free.

EUREKA.

Young John Glanville Succumbs to an Attack of Erysipelas. Special Correspondence. Eureka, Feb. 21.—John Glanville, the son of William Glanville, died here this morning from erysipelas. The young man was but little past sixteen years of age and leaves a father and sister. He was a bright, cheerful and popular young man, and his death came as a severe blow to his friends.

The funeral services will be held here next Saturday and the remains will be shipped to Salt Lake City for interment. The funeral cortege will leave the undertaking rooms of E. G. O'Donnell at 1 p. m. Sunday next. Quite a few friends will attend from here.

Sad Bereavements—Victims of Pneumonia and Scarlet Fever. Special Correspondence. Eureka, Feb. 21.—John Hauley, an old miner of this place, passed away at his home here this afternoon. Hauley was about 45 years of age at the time of his death, and leaves a wife and three children to mourn his demise. He has worked in almost all the large mines of Utah and about a year ago was working in the mines at Butte, Mont. He was while at work in Montana that he contracted a miner's consumption, which disease was the cause of his death. The funeral services will probably be held here Sunday.

The funeral services of the remains of John Snell were held here today at the undertaking rooms of James Eustice. Snell was a native of Finland, aged 28, and has resided here about eleven years, being a miner by occupation. He was a single man, and the cause of his demise was pneumonia.

Death again visited the home of Mr. and Mrs. M. Styrer today and took from them their infant child. Only last week their seven-year-old son John died from scarlet fever and the parents have the sympathy of their friends in their great loss.

BEAVER.

Notes from Beaver Branch of B. Y. A.—Memorial Services. Special Correspondence. Beaver, Beaver Co., Feb. 20.—Prof. R. Maeser is in Salt Lake City this week, attending the funeral of his father, Dr. Maeser.

The school much regretted the fact that we were unable to join the Academy at Provo in attending the funeral. But that being impossible, all the students and residents of the school in the preparatory building at 10 a. m., Feb. 19, and held memorial services. Meetings opened by choir singing. Then Dr. Maeser read a paper before the assembly. Prof. A. Maeser, who is here, was in white; by Prof. Durham, Chas. Whitaker, and the Misses Batty and Adams. Principal Partridge made profound remarks, commenting on the great loss sustained by the school for the loss of Dr. Maeser.

Whereas, We feel in the death of Brother Maeser we lose a leader who, by his labors assiduously and indefatigably, has endeavored himself to us.

Whereas, Brother Maeser was the father of our Church school system of education, and we deeply mourn his loss; therefore be it

Resolved, that we, the faculty and students of the Emery Stake academy, do emulate the worthy example set us by Brother Maeser; and be it also Resolved, that we condole with the bereaved family.

EMERY STAKE ACADEMY.

Memorial Services in Honor of Dr. Karl G. Maeser.

Special Correspondence. Castle Dale, Emery Co., Feb. 20.—Memorial services held in the Emery Stake Academy in respect to Dr. Karl G. Maeser, deceased. The afternoon of Tuesday, February 19, all classes were adjourned and at 2 p. m. the faculty and students with many friends met in the assembly hall of the academy when the following program was rendered:

The academy choir (forty-five voices) opened the meeting by singing the beautiful anthem "Why Do We Rest." Prayer was offered by Bishop Osgood. The following resolutions were presented and adopted, being formulated by a committee consisting of D. Foster Cluff, Amanda Alfred, John Oliphant, Elzina Peterson, Agnes Peterson, and others.

Whereas, Our Heavenly Father, in His infinite wisdom has seen fit to call from this sphere of action our beloved general superintendent, Dr. Karl G. Maeser; therefore be it

Resolved, that we, the faculty and students of the Emery Stake academy, do emulate the worthy example set us by Brother Maeser; and be it also Resolved, that we condole with the bereaved family.

DESERET EVENING NEWS: SATURDAY, FEBRUARY 23, 1901.

the characteristic traits of the "grand old man."

Choir sang, "Nearer Home." Closing prayer was offered by Brother N. H. Tanner.

Principal Partridge returned from Provo Thursday.

The second academic ball of this semester was given Friday evening. All had a very enjoyable time.

Next Friday evening the three act drama, "The Girl from Klondike," will be played in the concert hall by a number of the students.

GLENWOOD.

Death of Mrs. Mary Ann Buchanan—Close of a Useful Career.

Special Correspondence. Glenwood, Sevier Co., Feb. 19.—We have been called to mourn the loss of a dear and noble woman, Mrs. Mary Ann Buchanan, who departed this life Feb. 15. She was taken sick three weeks before her death, with what seemed to be la grippe, but it developed into a more serious disease which terminated fatally. She was 55 years old. Her funeral was held at the Glenwood Relief society hall, where she had presided for nearly thirty years, and drew the sisters towards her by the power of love and the respect of all who knew her. Consoling remarks were made by President Clark, Bishop Bell, Elders Oldroyd, Kirkman and Sorenson and also by Lucy Hepler, in behalf of the sisters of the Relief society. The floral offerings were beautiful and profuse. She leaves a husband and six children, all grown, to mourn her departure, one of them, Henry Buchanan, is on a mission in the States.

We are having very pleasant weather after much snow and cold the ground is well soaked.

The wife of William Buchanan gave birth to a girl on the 16th. A girl baby came the same day to bless the home of the Bells.

We have had much sickness, but it is abating.

MONROE.

DISASTROUS FIRE.

Homer McCarty's Store Burned—Supposed Work of Incendiary.

Special Correspondence. Monroe, Sevier Co., Feb. 22.—A disastrous fire occurred here at an early hour this morning. Homer McCarty's store burned to the ground, causing a loss of about \$4,000, only about one-half of which was covered by insurance. The fire was first seen by Mr. Thorne, representing the Hewlett Bros., who was staying at the Bertelson house, about one o'clock a. m. He aroused Mr. Bertelson, he got on a horse and awakened the neighborhood. He rushed into the store after breaking the door in, but was driven back by the smoke. The ground was soon covered by willow hands with smoke, our only fire department, who fought the flames bravely, but as the building was of lumber, the fire could not be brought under control, and so the only thing to do was to try and save the adjoining buildings, which was the post office, also a frame structure and standing only about six feet from the doomed store. Everything was soon out of the postoffice and water was poured on the roof of the postoffice, but it was almost despaired of, but through the brave fire-fighters a board was charred.

The origin of the fire is shrouded in mystery. It is generally believed, however, that it is the work of an incendiary, as there had been no fire in the store since the morning of the previous day; besides the fire originated in the rear room, where no fire ever had been. The flames spread so rapidly that none of the goods could be saved, and everything is a total loss. The only thing saved is what was in the safe.

FARMINGTON.

Statistics of Davis Stake—Interesting Meetings Held.

Special Correspondence. Farmington, Davis Co., Feb. 22.—Washington's birthday was observed in various ways in Davis county. A few of the public schools carried out appropriate exercises; but most of them closed until Monday next. In some of the towns dancing was engaged in during the evening.

The principal events of the day, however, were the regular monthly High Council and Stake Priesthood meetings held at Farmington, the former at the residence of President J. W. Hoes, and the latter in the Farmington meeting house. There was an unusually large attendance, all of the wards in the Stake being represented except Clinton. Presidents Hoes and Grant were present. The meeting was opened by Pres. J. S. Clark. An excellent spirit prevailed and the reports of the various Bishops were satisfactory.

Stake President Smith read the statistical report of the Stake for the year ending Dec. 31, 1900, from which the following extracts are taken:

Apostles, 1; Patriarchs, 17; High Priests, 204; Seventies, 382; Elders, 842; Priests, 100; Teachers, 110; Deacons, 316; members, 2,387; total officers and members, 4,693; children under eight years of age, 1,871; total souls in the Stake, 6,560.

The amount of tithing reported as having been paid in the year 1900, shows a marked increase of that paid in 1899.

Apostle J. W. Taylor was the principal speaker, and gave a very interesting and instructive discourse on the Priesthood, and the duties devolving upon those who hold it.

The monthly Stake officers' meeting of the N. M. M. I. A. was also held here today. The reports given show the associations to be making fairly good progress in their season's work.

In some of the northern wards small-pox has been prevalent, and has interfered with meetings; but this malady seems to be subsiding and meetings are being resumed.

CASTLE DALE.

EMERY STAKE ACADEMY.

Memorial Services in Honor of Dr. Karl G. Maeser.

Special Correspondence. Castle Dale, Emery Co., Feb. 20.—Memorial services held in the Emery Stake Academy in respect to Dr. Karl G. Maeser, deceased. The afternoon of Tuesday, February 19, all classes were adjourned and at 2 p. m. the faculty and students with many friends met in the assembly hall of the academy when the following program was rendered:

The academy choir (forty-five voices) opened the meeting by singing the beautiful anthem "Why Do We Rest." Prayer was offered by Bishop Osgood. The following resolutions were presented and adopted, being formulated by a committee consisting of D. Foster Cluff, Amanda Alfred, John Oliphant, Elzina Peterson, Agnes Peterson, and others.

Whereas, Our Heavenly Father, in His infinite wisdom has seen fit to call from this sphere of action our beloved general superintendent, Dr. Karl G. Maeser; therefore be it

Resolved, that we, the faculty and students of the Emery Stake academy, do emulate the worthy example set us by Brother Maeser; and be it also Resolved, that we condole with the bereaved family.

IONA, IDAHO.

Bingham Stake Presidency—New Bishop at Iona.

Special Correspondence. Iona, Bingham County, Idaho, Feb. 20.—At the Bingham Stake conference recently held at Lewistown, Idaho, J. Stanger of Iona ward was sustained and set apart as second counselor to President James E. Steele to fill the vacancy caused by the resignation of Elder Joseph S. Mullins. To fill the vacancy caused there, in the Iona ward, Elder Charles W. Rockwood was called to the position of Bishop and set apart at the same conference.

Local Sunday school was presented to the assembly hall and unanimously sustained by them. He had selected Elders George P. Ward and Isaac Gudnundson as counselors, who were also presented and unanimously sustained.

LEIGH, IDAHO.

Much Sickness Among Children—Death of an Infant.

Special Correspondence. Leigh, Fremont Co., Idaho, Feb. 19.—The infant daughter of G. W. and Elizabeth Hendrickson died on Feb. 17, was born Dec. 22, 1890.

There is a great deal of sickness among the children in this valley. We have had a little change in the weather and we hope that it will improve the conditions with those on the sick list. We have spent some roads, snow is about twelve inches deep.

IN THE AIR.

The Germs of La Grippe are Conveyed Through the Atmosphere.

No one can escape the La Grippe germ because it is so epidemic of the disease is prevailing the air is laden with it. The reason everyone does not have the disease at the same time is because the persons who are enjoying perfect health are able to successfully resist and throw off the infection while those who for any reason are not in the best of health fall ready victims.

The first symptoms are those of acute catarrh, resembling a hard cold and if treatment is applied at this time, it can usually be broken up; one of the best remedies at this stage is Stuart's Catarrh Tablets, sold by druggists everywhere and if taken freely, say one tablet every hour or two for two or three days, will cure the catarrh and serious complications will be averted.

The Rev. L. E. Palmer, Baptist clergyman of Ceresco, Mich., makes a statement of interest to all catarrh and grippe sufferers. He says: "Stuart's Catarrh Tablets have certainly been a blessing to me. I have used them freely this fall and winter and have found them a safe guard against La Grippe and catarrh troubles from which I had suffered for years. I feel that I can freely and conscientiously recommend them."

Persons who suffer from catarrh of the head and throat are very susceptible to La Grippe, and such will find a pleasant, convenient and safe remedy in this new catarrh cure.

Stuart's Catarrh Tablets are composed entirely of harmless antiseptics and may be used as freely as necessary as they contain no cocaine, opiate or poisonous drug of any kind.

ESCALANTE.

Twenty Inches of Snow in the Valley and Three Feet in Mountains.

Special Correspondence. Escalante, Garfield County, Feb. 13.—We have been visited of late with considerable snow. About 20 inches fell in the valley and 3 feet in the mountains. The prospects for good crops this coming season are very favorable. Compared with last, as we had no winter storms whatever last year. As far as the range is concerned, the outlook for stockraisers is flattering.

The schools are anticipating an enjoyable time on Washington's birthday. An entertainment is now under way and promises to be a grand success.

Our town had the privilege of listening to a very interesting play the other evening, produced by our local talent. The young people were highly complimented for their efforts.

HERRIMAN.

Birthday Party in Honor of Grandma Cook, a Veteran of 85.

Special Correspondence. Herriman, Salt Lake County, Feb. 20.—A very pleasant birthday party was given at the residence of John J. Herring on Monday, February 19, 1901, in honor of Grandma Cook. She has lived to the good old age of 85. She crossed the plains with her family in early days, and endured many trials incident to the pioneer life. She has been faithful through all. She has reared a well respected family of twelve children, and fifty-four grandchildren and nineteen great-grandchildren live to honor her. A very nice supper was served, and in the evening a nice program was rendered with music, songs, speeches, etc. Bishop James Crane and counselors were present, and many friends and relatives. We all hope to see her live to celebrate her hundredth birthday.

We rejoice in abundant rain and the assurance of plenty of moisture for the next season's crops.

FILLMORE.

Game Law Violated—Water Supply Will be Normal.

Special Correspondence. Fillmore, Millard Co., Feb. 21.—A complaint has been sworn to and filed with Justice Bartholomew charging parties with hunting ducks at Clear Lake, Utah, in violation of the game law. According to reports the case is a strong one and the evidence conclusive.

Apparently spring has come, the weather is fine and many of our citizens are preparing for putting in their gardens and lawns.

We have a normal supply of water to irrigate the old improved farms, but the high water farms will not get any, unless a much larger quantity of moisture falls. Some have advised that Washington's birthday and the faculty are preparing to spend the day in an appropriate manner befitting the occasion.

OUR NEIGHBORS.

POCATELLO, IDAHO.

ENTIRE FAMILY POISONED.

Painful Experience of James Davidson and Family—Accidents.

Special Correspondence. Pocatello, Idaho, Feb. 21.—On Thursday night, Feb. 14th, the whole family of Jas. Davidson were accidentally poisoned by eating fresh cabbage at dinner. No ill effect was experienced, however, till Friday morning, when Mrs. Davidson said to arise, when she was suddenly stricken and fell. Her husband, her daughter Ella came to her rescue, but she also was overcome in the same uncanny manner. The same fate awaited the other members of the family as soon as they arose to a sitting posture, including Mr. Davidson, his mother and nephew. The last named made a heroic effort to lend his aid, only to tumble over on the floor in agony and helplessness. Dr. J. H. Bean was summoned and labored assiduously for two hours, bringing the family safely through this horrible experience. Mrs. Jas. Davidson was the most affected and is still sick from its deadly effect. The other members of the family have recovered.

Two switchmen in the Pocatello yards were slightly injured during the past week while following their dangerous avocations at night. Chas. Moore bumped up against an unseen car while standing on a track, and fell, with such force as to stun him, and cause him to fall off. His comrades carried him to the hospital, but Dr. Stealy failed to find him any harm. He has now recovered and is again at work. Mr. J. W. Taylor was also injured, with such force as to stun him, and cause him to fall off. His comrades carried him to the hospital, but Dr. Stealy failed to find him any harm. He has now recovered and is again at work.

Mr. James Edward Burgess, the painter and artist and old-time employee of the Oregon Short Line, leaves for Denver by way of Ogden, where he goes to seek other fields and pastures new. The workmanship of his hands may be seen in many a home and studio of this city, and it is with regret we say to him and his charming young wife, "Fare ye well."

IONA, IDAHO.

Bingham Stake Presidency—New Bishop at Iona.

Special Correspondence. Iona, Bingham County, Idaho, Feb. 20.—At the Bingham Stake conference recently held at Lewistown, Idaho, J. Stanger of Iona ward was sustained and set apart as second counselor to President James E. Steele to fill the vacancy caused by the resignation of Elder Joseph S. Mullins. To fill the vacancy caused there, in the Iona ward, Elder Charles W. Rockwood was called to the position of Bishop and set apart at the same conference.

Local Sunday school was presented to the assembly hall and unanimously sustained by them. He had selected Elders George P. Ward and Isaac Gudnundson as counselors, who were also presented and unanimously sustained.

LEIGH, IDAHO.

Much Sickness Among Children—Death of an Infant.

Special Correspondence. Leigh, Fremont Co., Idaho, Feb. 19.—The infant daughter of G. W. and Elizabeth Hendrickson died on Feb. 17, was born Dec. 22, 1890.

There is a great deal of sickness among the children in this valley. We have had a little change in the weather and we hope that it will improve the conditions with those on the sick list. We have spent some roads, snow is about twelve inches deep.
