Friday, - - - January 26, 1972.

THE present appears to be a severe winter, though with extreme variation, over a wide extent of latitude and longitude. The cold came early in the season and very severely in these moun-tain regions, also over the plains falling. Sumner's civil rights amendment. He

following in an exchange, "Florence principle the question of general am is now (Dec. 12) having the coldest weather known for many years. One morning we found the ground covered by from six to seven inches of snow, force social equality by direct legislamuch to the chagrin and discomfiture of the natives, and ever since the weaof the natives, and ever since the wea-that Congress had no power to enact ther has been very cold—quite like our them into law, except so far as they apown cold and clear December daysfor, although the snow has entirely disappeared from the streets, the gardens and shady places still hold it. Strangers who have come here to escape the cold of winter, growl considerably. Even Naples at this time had a heavy fall of snow, and at the opening of the Italian Parliament at Rome, the members were granted special permis-sion to sit with their hats and overcoats General to contract for an American on-the means of heating here being line of steamers from New Orleans to totally inadequate for such unusually Mexican and Cuban ports. severe weather."

Great loss of stock is reported and anticipated in the pasture regions of the great plains eastward. Never before since its opening was the Pacific Railroad so repeatedly and seriously blocked up with snow as it has been the present winter. Just now we have tions. been without our usual mails from the east for several days, and the prospect us news of unwonted cold and even snow in the far southern States, as well as in the more northern, also tremendous storms and floods in England and in other European countries.

the winter in this valley has been al- Beck offered a substitute, confining most if not quite unprecedentedly mild.

The season is advancing, but there is time enough yet for all the storm and existed, and as it would require months cold that we desire before next sum-mer's heat shall have fairly set in, and so far as stock is concerned the farmers resolution as reported adopted. and graziers will do well to look well after it and secure proper provision for priations, reported the naval appropriits safely, getting through the thick end of winter which seems to be upon

THE TERRITORIAL LEGISLATURE.

Thursday, Jan. 25. COUNCIL.-Council met pursuant to ad-

Councilor Smoot presented petition of John Browne and 64 others, also petition had been so astonished by such an exof William Bringhurst and 118 others, traordinary statement that he had writeitizens of Utah county, praying for the establishment of a free school system in the Commissioner of Pensiens, who this Territory, which were read and refer-was present at the time, confirmed the

Councilor Harrington, from committee on Judiciary, reported back "An act to amend an act to regulate proceedings in civil cases in the courts of justice in this

the first election for city officers for Washington city, in Washington county," was taken up on its second reading and recom-(C. F. No. 9,) "An act providing for the Solemnization of Marriage," was taken up on its second reading and recommitted. On motion of Councilor Smoot, the council adjourned.

House.—A lengthy communication from the attorney General Mr. Z. Snow, in answer to the requisition of the House, was read, pertaining to the rulings of the District and Supreme Courts in relation to the status of Territorial Officers in the District and Supreme Courts; also the rulings of said Courts pertaining to divorce cases, and as to the jurisdiction of the Probate Courts in civil and criminal cases. Ordered printed and referred.

Garretted — Savage Tectotal Resolutions—Gen Bates before Committee on Territories—Women Suffrage Reported Adversely So—Gen Bates' Course Approved.

NEW YORK, 25.—It appears that the man murdered in Myrtle Avenue, Brooklyu, last night, was not assaulted in the case, but garrotted in the street and put on the cars to be taken home. Wednesday, Jan. 24. ed and referred.

Mr. Evans, of Utah County, presented a petition for free schools. Read and refer-

The Committee on Claims and Appropriations reported the Auditor's report of disbursements, with recommendations that said disbursements be incorporated in the Territorial Appropriation Bill. After discussion the subject matter of the Auditor's communication was referred back to the Committee for further examination.

Said Committee on claims for reported

The bill changing the names of Mr. Harry and family was read.

Mr. Thurber presented an Act defining the time for every succeeding offense, abolishing liquor commission, leaving the state police under the control of the Governor, and making every liquor seller presponsible for damages resulting from the sale.

The report of the Superintendent of the Salt Lake and Wanship wagon road for the years 1870 and 1871 was presented and referred.

Washington, 25.—Bates, U. S. Attorney for Utah, appeared to day before the House committee on Territories and urged the necessary appropriations.

ferred.

Adjourned till Thursday at one p. m. January 25, 1872.

House.—Mr. J. W. Young presented petition of 239 citizens of Washington and Kane counties, asking for an appropriation to assist in making a road from St. George to Kanab; read and referred.

The financial report for Kane county for 1871 was presented and referred.

The Committee on claims reported that they had carefully examined the Auditor's account of disbursements in excess of ap-

A petition of citizens of Salt Lake City, indeed remaining for amendments to the Poll-tax law, and the re-enactment of an estray pound law for unruly cattle, was presented Ocean B.

APPROVED—A dispatch dated Chicago, 2821 will be found in another column, which state that General George C. Bates, U. S. District Attorney for Utah, has made a full statement of his course with regard to Judiciary matters in Utah to President Grant and Attorney Genaral Williams, who have, it is stated, signified their approval of the same.

SENATE.

Amnesty-Steam with Mexico and Cuba

Logan asked that the bill be temporarily laid saide, but objection was made and Morrill of Me. addressed the senate tain regions, also over the plains, falling in unwonted showers of rain in California, and being keenly felt through the Eastern States, in the British Isles and on the European continent.

Concerning the cold in Italy in the fore part of the winter, we read the following in an evaluation of the cold in the cold in Italy in the following in an evaluation of the winter, we read the principle the question of general and continued the cold in accordance with that following in an evaluation of general and continued the cold in the cold in accordance with that following in an evaluation of general and cold in the co the Sumperamendment was unconstitutional and ought to be rejected. It provisions of Sumper's bill and argued plied to common carriers, and he warn-ee the senate against disregarding the constitutional line between Federal and self-governmen, tupon the preserva-tion of which the stability of the re-

Fianagan followed in favor of both the bill and the amendment. Finally the amnesty bill was post-poned and made the special order for Monday.

The Senate went into executive ses-

HOUSE.

Butler's Bill-Southern Ontroges-Ap propriations - Alarming Frauda

WASHINGTON, 25 .- Burchard favored the bill of Butler with some modifica

Polland reported from the joint committee on southern outrages, also resolutions calling on the President for We have just passed through a cold snap as severe as the oldest inhabitant can remember, and the telegraph brings ticulars connected therewith, with such other information as will convey a correct idea of the state of society and security to life and property in that State and in North Carolina, Kentucky, nother European countries.

Mississippi, Texas and Louisiana, including the record of the legislative conflict in the latter State.

Hale, from the committee on approorder for Tuesday next. The bill ap-propriated \$17,943,347.

The House went into committee of the whole on the general legislative appropriation bill. In reference to an item for the punishment of frauds in the pension office, Garfield stated that the committee of Ways and Means had been assured yesterday by the Secretary of the Interior that fully one-fourth of the pensions now paid were frauds. Butler (Mass.) and Hall (Maine) made

remarks confirmatory of the statement, act to amend an act to regulate proceedings in civil cases in the courts of justice in this Territory, and to repeal certain acts and parts of acts," approved February 17th, 1872, without amendments, and recommended favorable action thereon. Passed.

"An act designating the time of holding the first electron for city officers for Wash."

After progressing with the bill as far as the 42d page, the committee rose.

The Speaker appointed Dawes and Brooks of New York, Regents of the Deaf and Dumb Institution at Wash-

EASTERN DISPATCHES.

Boston.—The State temperance convention closed to-day, after adopting an address to the people and resolutions jetitioning the legislature to restore the prohibitory law of 1867, with amendments, making the fixtures of a liquor atore prima facie evidence of guilt, excluding liquor dealers as other criminals from a seat on the jury box security. Committee for further examination.

Said Committee on claims, &c., reported back the petition of Sanford Bingham, aaking the fixtures of a liquor dealers as other criminals for collecting Agricultural Statistics, with recommendation to apply to the County Court.

In accordance with a message from the Council the Speaker appointed Messra. Taylor, J. W. Young, and L. Farr, Committee of Conference on the part of the House, on the bill for an Act pertaining to Licenses.

The bill changing the names of Mr. Harry and amily was read.

Mr. Thurber presented an Act defining the time of the commencement of criminal the time of the commencement of criminal settings of the commencement of criminal the time of the commencement of criminal settings the state police under the continuous; and an Act in relation to county jails, which were both read and referred.

The report of the Superintendent of the Salt Lake and Wanship wagon road for the commencing to the commenciation of 1867, with amendation in the fixtures of a liquor dealers as other crimination of the United States to show that a polygamist State has not a perfect right to legalize polygamy." What feet right to legalize polygamy? And that being the case, Utah being a territory of the United States to show that a polygamist State has not a perfect right to legalize polygamy? And that being the right to challenge liquor drinking the right to legalize polygamy? And that being the case, Utah being a territory of the United States, why is not the case, Utah being a territory of the United States, why is not the marriage of one man to "several women" is not "bigamy," Our correspondent would seem to be unaware of the fact that a bigamination of the forward in the right to challenge liquor drinking th

and urged the necessary appropriations made to carry on the prosecutions for polygamy in that Territory. The funds for this purpose were exhausted and unless means be supplied the prosecutions must cease.

THE TWIN RELIC AGAIN.

Messrs Editors.-In your first note

[If a practice is not made illegal by the laws of Utah, we assume that it is legal under those laws. Now polygamy nas not been made illegal.]

Again you say, I "ignore the fact that the essence of the crime of bigamy is its frandulent intent." I cannot ignore it because it is not a fact. My critic should know that in point of law it would not serve the bigamist one grain, should he prove to the court that his wife and and every one concerned not wife and and every one concerned not sect of Christians. It is the old Christians. wife and and every one concerned not only were thoroughly informed in relation to the matter, but advised and means each new sect before it gets counseled to his marriage with a second

[We were not speaking of the legal construction put upon bigamy by any particular State, but of the simple fact that its essence as a crime or offence against human rights consists in its fraudulent intent. If our correspondent chooses to contend that polygamy is a technical crime whether committed in Utah, Turkey, or massa-chusetts, then to argue the point with him would be an absurd waste of time. him would be an absurd waste of time. already high, cannot be denied. Allow

[Simply because the territorial laws of Utah do not provide for the punishment of bigamists or polygamists, where the essence of a criminal intent, namely, fraud, in the case, is wanting

The "common law of the country" is not against the people of Utah as men and women, or their practices, but against their religion."—Banner of Light.

The resolution adopted by the Table 1.

Introduction of citizens of Sali Lake City, asking for amendments to the Poll-tax managements of the Poll-tax managements of the Poll-tax managements. The communities of the City asking for amendments to the Poll-tax management.

New York, 28.—The receiver of the Coean Bank states that the assets show and the Coean Bank states that the assets show and coean beautiful thousand the same of the coean Bank states that the assets show and coean beautiful thousand the states of the states of the coean Bank states that the assets show and coean coean states that the assets show and coean coean coean state that passed. The committee on Judiciary were in the Mormon trials, and it has been as the coean Bank states that the same of th fees the Banner here "has got beyond ter, Henry Carnes, Santa Barbara.

The committee on Foreign relations did not report to-day on the nomination of Charles Hale, Assistant Secretary of State.

The Chairman, Senator Cameron, was absent, no report is expected before he returns. Persons well informed say the etatement that the committee agreed to

report unfavorably on this homination is not true.

St. Louis, 25. — A meeting of the board of trade was held to-night, to consider the question of equal purchase of Indian titles, with the view of the further construction of railways along the fifth parallel. Citisens and railroad men were present. The speeches made were all favorable to congressional action to remove the obstacles impeding the building of a railroad to San Francisco, via Indian Territory of New Mexico and Arizons. The President of the board of trade will appoint a committee to go to Washington, to present the action of the senators and representate the action of the senators and representate the senators and representate the construction of the unitary of a state chose to sweep away all marriage laws whatever, they could do so for all that the Constitution of the Unitary of all that the Constitution of the Unitary of the senators and representate the contrary. And so for all that the Constitution of the Unitary of the senators and representate the contrary. And so for all that the Constitution of the Unitary of the senators and representate the contrary. And so for all that the constitution of the Unitary of the senators and representate the contrary. And so for all that the constitution of the Unitary of the senators and representation of the senators and representate the contrary. And so the senators and representation of the unitary of the senators an ted States says to the contrary. And so if a State chooses to abolish all penalties against polygamy, it can undoubtedly do so.]

NEW YORK, 25.—At the Government sale nearly seven millions at \$\frac{8}{2}\$ to \$\frac{9}{2}\$.

Awards one million at \$\frac{9}{2}\$ to \$\frac{9}{2}\$.

W. U. T., 72\frac{9}{2}\$; Quicksilver, 72\frac{9}{2}\$ W. F., 59\frac{9}{2}\$ Pac. Mail 57\frac{1}{2}\$.

NEW YORK, 25.—A Lendon dispatch says Thiers in indeavoring to secure the complete evacuation of France, by the Germans, has assented to withdraw the condition on the three milliards of francs, that they may be paid sooner than previously agreed upon. This announcement stimulates the tobacco monopoly project.

During the recent crisis, Thiers said to General Cissy that if Napoleon had fifty millions of francs he would be in power in fifteen days.

In the Spanish Cortes Diaz Quinters said it was quite time to cede Cuba to \$\frac{1}{2}\$ to \$\frac{1}{2}\$. Consequently you are very consistent \$\frac{1}{2}\$ and undispatised, the purpose, go into the business; they do so openly and undisguised, claim it a part of their religion, and christien the colld polygamy. There is not a word in the Constitution about polygamy, nothing in the statutes of Massachusetts about polygamy; true, we have statutes against bigamy, but you say adultery is an offence wholly outside of marriage and in violation of it; true, we have laws against bigamy, but you say, "That the essence of the crime of bigamy is in its fraudulent intent," the italics being yours.

Consequently you are very consistent

In the Spanish Cortex Diaz Quinters said it was quite time to cede Cuba to the United States. He was howled down by the whole house.

The Herald's Washington dispatch says that Senator Schurz asserts he will bolt if Grant is re-nominated: he expresses confidence, however, that Grant will not be re-nominated.

Grant will not be re-nominated.

A private dispatcy from London, re-ton a Salt Lake? from becoming another Utah, and Boston a Salt Lake?

[Plainly nothing whatever is to pre-vent Massachusetts being like Utah if a majority of the people choose to have it so. We told you so twice or thrice before.]

Why not invite our Mormon brethren ment for an Indian reservation will be introduced in the House on Monday. It provides for the cesion of territory as large as New York, about half of which comprises staked plains, at rate 50 cents an acre. The plains are commonly known as the desert.

Why not invite our Mormon brethren to return and occupy some of our sparsely settled counties, outvote the natives, and establish polygamy? Would I be simple enough to stigmatize a Turkish gentleman, who may have more than one wife, as a criminal like these bigamists? Should said Turk, after becommists? Should said Turk, after becommists? ing an American citizen, as are the Mormons, take to himself several wives, we The report that the sentence of Henri Rochefort has been commuted to ban-

But we were speaking of a Turk and not of an American citizen. You and Terror, supposed to be deposited in King William's land.

The bullion in the Bank of England has decreased 157,000 pounds since last the contrary—and all history, sacred and profane, is against you, and the prac-tice of all un-Christianized nations is against you.

Would the Banner be simple enough schools of Poland.

PARIS, 26.—A terrible railway accident occurred near Nice to-day. A train broke through a bridge over the Poglioni river, and threw the cars into the water. Fourteen persons were killed and wounded.

or human sacrificers, as criminals, who may come to this country, become citizens, obtain a majority of votes in some town or State, and establish their social and religious system, and commence feeding on the missionaries sent them? It is their religion, the custom of their killed and wounded. country, and not a word in the Constitution or statute law against cannibal-

A SPIRITUALIST [Toclass polygamy with canniballism, Mesers Editors.—In your first note attached to my communication you say, "the writer leaves wholly out of view the consideration that a practice may be legal in Salt Lake City and illegal in Boston." Not at all; the question is not what may be, but is, polygamy legal there? Will the Banner please inform us when and how polygamy was legalized in the Territory of Utah?

[If a practice is not made illegal by [Toclass polygamy with canniballism, theft, or any crime against humanity, is simply childish and absurd. What a libel is it on human nature to suppose that when the great religions, which at his day have most influence upon the most advanced portions of the race—the Jewish and Christian—sanction polygamy was legalized in the Territory of Utah?

[If a practice is not made illegal by

THE MORMON TROUBLES.

sect of Christians. It is the old Chrisstrong enough to compete for popularity. It may succeed, but we anticipate a defeat for the persecuting party that atcuting purposes, especially when used to sustain such ridiculous and blundering pretences for law and policy as have been used in the recent trials of the matism, neuralgia, sprains, bruises, stiff and "saints." We copy a short extract weak joints, painful swellings, contracted from the letter referred to, as it is ditle that require outward application. It acts

rectly to the point at issue:

"That the excitement throughout the like magic, try it and be healed. New York, 25.—It appears that the man murdered in Myrtle Avenue, Brooklyn, last night, was not assaulted in the cars, but garrotted in the street and put on the cars to be taken home. A reward of \$500 is offered for the arrest of the murderers, to whom there is no clue.

The Legislature in joint convention was a proposed to the proposed to the proposed to the proposed to the highest civilization; we distinctly oppose it; but we have respect enough for abraham and Isaac, and even mondom. Again, permit me to ask, what caused the excitement in the appears of an infraction of divine the measure of the measure of the measure of the measure of the service of the s The Legislature in joint convention received Mr. Caldwell State Treasurer.

Boston.—The State temperance convention closed to-day, after adopting an address to the people and resolutions address to the people and resolutions.

What caused the 'excitement' at Nauvoo, resulting in the massacre of the Smith brothers? Polygamy was not charged against them. The cruel repetition of these outrages by mobs have become history, and the dark record reveals the dark record reveals the first treasurer.

What caused the 'excitement' at Nauvoo, resulting in the massacre of the Smith brothers? Polygamy was not charged against them. The cruel repetition of these outrages by mobs have become history, and the dark record reveals the first treasurer. Again: "There is nothing in the Constitution of the 'United States to show that a polygamist State has not a perfect right to legalize polygamy." What has that to do with Utah, which has not legalized polygamy? And that being the case, Utah being a territory of the United States, why is not the marriage of one man to several women, just as much bigamy here as anywhere else?

In the case, Utah being a territory of the United States, why is not the marriage of one man to several women, just as much bigamy here as anywhere else?

In the case, Utah delay in the Confact, startling as it may now sound in our ears, that in every instance the leaders of the mobs offered the alternative of security to all who would renounce their religion! Mr. Buchanan's catalogue of offences. Now, to brand polygamy as the real cause of the present 'excitement,' we must utierly ignore the record of the past.

"Plainly, then, the inference is, the

"Plainly, then, the inference is, the Mormons having recuperated to a de-degree at all enviable or indicative of to be unaware of the fact that a bigamist is a person who has two wives or husbands at once.]

And why should it not be proceeded against, according to the common law of the country?

degree at all enviable or indicative of success, there would have been great 'excitement' with its directly accompaniments, had polygamy formed no integral part of their religion. The irresistible conclusion, from the facts before us, is that the 'excitement' is not against.
