EVENING NEWS.

Monday, April 10, 1876.

THE BISHOPS AND FLEEING ENEMIES IN ALL THE SETTLEMENTS OF THE LATTER-DAY SAINTS.

DEAR BRETHREN: It is our desire to commence again to assist the scattered poor of God's people in gathering to Zion. To aid in the accomplishment of this purpose we request the Bishops and Elders to give special attention to the collection of the debts due to the Perpetual Emigration Fund from those who have been scattered in past years. In view of the near approach of the season of the year when our emigration leaves the shores of Europe, we desire that our brethren give this matter their immediate attention, that we may be enabled to do as much as possible this present year.

CORRESPONDENCE.

Editor Evening News:

I am glad to see your issue of the 10th inst. and to know upon what principle Judge Emerson and his friends are endeavoring to help him and his co-defendants. The fact is that the Richmond Company proved that their location made their discovery on the 25th day of June, 1870, and not on the 1st day of July, 1870, as the defendants claim. The defendants claim that they discovered the gold on the 1st day of July, 1870, and not on the 25th day of June, 1870, as the Richmond Company proved.
