Blanket and Comfort Sale!

THE ELECTION IS OVER and the people have made their winning candidates comfortable. Now is the time to look after your own comfort for the coming winter by supplying your blanket and comfort needs at this Great Blanket and Comfort Sale. Just before election the Blanket Mills people showed an anxiety to dispose of their remaining stock, and were willing to make liberal concessions in order to retrieve themselves. Being in position to do so we relieved them of about 2,000 pairs, to our entire satisfaction as far as price was concerned, (which we assure you was a very low one) we propose to put these out to you at the same saving in price. You share the profit in the saving we made. The line comprises a splendid selection in size, sightliness and pretty border effects.
