GREEKS AND TURKS.

The interest shown among Greeks in the United States in the cases from Crass limit to United States in the cases from Crass limit in Turkinh flag fees been fired on by Prince George essues to amount in anniablemen. It is thought that in a sourch lime as regiment could be formed in this country, well equipped and anniable sourchy, well equipped and anniable sourchy in the straight with its Turke. And this is not an instance of the seeling likes i raise very where Greeks dwell. Greene is but a country could into the country could mink the country countentiates and seem and the first sign of actual institution, the country could raily and make and ot the first sign of actual institution, the country well raily and make and ot the first sign of actual institution, the country are known to be force parts of the world, and at the first sign of actual institution, the country are suffered. The Crassity are known to be force parts of the world, and at the first sign of actual institution, the country are great many at these flays is the beginnings as a convenient mode of leving the Turkinh governments, where cathyout they are continued as the sign of the country were, being infilinteen to head affects.

Greke and their dds scennes, this to-liered that they would have proved the the dispatch of the Greek flowt to Crote and the sucception fitting on a Turkish mass-fram by more effective protects than those made.
